**Sunshine and the Shadowmaster** Christine Rimmer,1995 Sunshine And The Shadowmaster by Christine Rimmer released on Jul 25, 1995 is available now for purchase.

**Sunshine** Robin McKinley,2014-11-18 A small-town baker uses her magic to confront a post-vampire apocalypse world in this award-winning fantasy Neil Gaiman called “pretty much perfect.” Although it had been mostly deserted since the Voodoo Wars, there hadn’t been any trouble out at the lake for years. Rae Seddon, nicknamed Sunshine, head baker at her family’s busy and popular café in downtown New Arcadia, needed a place to get away from all the noise and confusion—of the clientele and her family. Just for a few hours. Just to be able to hear herself think. She knew about the Others, of course. Everyone did. And several of her family’s best regular customers were from SOF—Special Other Forces—which had been created to deal with the threat and the danger of the Others. She drove out to her family’s old lakeside cabin and sat on the porch, swinging her feet and enjoying the silence and the silver moonlight on the water. She never heard them coming. Of course, you don’t when they’re vampires. Fans of Buffy the Vampire Slayer and Sookie Stackhouse will cheer for this tough and quirky heroine. In Sunshine, which won the Mythopoeic Fantasy Award for Adult Literature, McKinley has a vampire novel that is “a smart, funny tale of suspense and romance” (San Francisco Chronicle).

**Sunshine** Robin McKinley,2010-04-29 From award-winning and national bestselling author, Robin McKinley, comes this dark, sensual vampire fairy tale. A gripping, funny, page-turning, pretty much perfect work of magical literature.--Neil Gaiman There hadn't been any trouble out at the lake in years. Sunshine just needed a spot where she could be alone with her thoughts for a minute. But then the vampires found her . . . Now, chained and imprisoned in a once-beautiful decaying mansion, alone but for the vampire, Constantine, shackled next to her, Sunshine realizes that she must call on her own hidden strength if she is to survive. But Constantine is not what she expected of a vampire, and soon Sunshine discovers that it is he who needs her, more than either of them know. Originally published as an adult novel, but now in YA for the first time, Sunshine is an alluring and captivating vampire story that will ensnare fans of paranormals everywhere.

**Hello, Sunshine** Laura Dave,2017-07-11 In the modern world, where celebrity is a careful construct, Laura Dave's compelling, enticing novel explores the devastating effect of the secrets people keep in public, and in private. This is a fresh, provocative look at a woman teetering between a scrupulously assembled life and the redemptive power of revealing the truth.

**Sunshine** Robin McKinley,2008 Left to die in an abandoned mansion as the prey of a vampire, Sunshine is stunned to find herself unharmed and must come up with a way to save her undead host from the perils of the daylight world, in a seductive tale of supernatural desire from the Newbery Medal-winning author of The Hero and the Crown. Reprint.

Breanna Delaney is a devoted mother, a loyal sister, and a grieving widow who always thinks of others before herself. But lately, she’s been wanting more. If she can just restore her ramshackle beach house to its former glory, it will be a big step toward taking care of her own needs for a change. Jake Travis, battered by a recent divorce, goes into his job as Breanna’s contractor expecting nothing more than a paycheck. Sure, she’s attractive as hell, but she’s way out of his league. **Be The Sunshine** Sunshine Rodgers,2022-08-22 The one difficulty with having the name Sunshine is that people expect me to be.... well, sunshine all the time. I have learned over time to embrace the Sunshine-ness that is my name. Yes, I may not always be joyful or exuberant all the time, but I have learned that if I rely on my friends, my family, and my faith, I can conquer each day head-on and live every moment with an expectation of goodness. And that's what I wanted to share in this book, Be the Sunshine. It's not a book about how to be happy or seven ways to stay positive. These pages are about being yourself, showing the world your true colors, and being mindful of the moment. These chapters contain personal stories so that we all can experience love and joy for ourselves as well as shining that light on those around us! So, just follow my voice. When it comes to being the sunshine, well, I know the way!

**Ways to Make Sunshine** Renée Watson,2020-04-28 From Newbery Honor and Coretta Scott King Author Award winner Renée Watson, the first book in a young middle grade series about Ryan Hart, a girl who is pure spirit, kindness, and sunshine. Ryan Hart can be and do anything. Her name means king, that she is a leader, and she is determined to keep growing into the name her parents gave her. She is all about trying to see the best in people, to be a good daughter, sister, and friend. But Ryan has a lot on her mind. For instance: Dad finally has a new job, but money is still tight. That means some changes, like moving into a new (old) house, and Dad working the night shift. And with the fourth-grad talent show coming up, Ryan wonders what talent she can perform on stage in front of everyone without freezing. As even more changes and challenges come her way, Ryan always finds a way forward and shows she is a girl who knows how to glow. Acclaimed author Renée Watson writes her own version of Ramona Quimby, one starring a Black girl and her family, in this start to a charming new series. **Sunshine** Marion Dane Bauer,2021-05-18 Set in the northern Minnesota wilderness, a timeless novel about a boy and his imaginary dog explores the legacy of guilt and blame—and what really constitutes a family. Newbery Honoree Marion Dane Bauer evokes the “summer that changed everything” in the life of a boy growing up without a mother. Since as far back as Ben can remember, it’s been him, his devoted dad, and Sunshine—Ben’s little dog, who rarely leaves Ben’s side. It was Mom who did the leaving, and Ben’s about to spend a whole week with his suddenly present mother in the wilds of northern Minnesota. On the remote island she calls home, Ben will learn to canoe, weather the elements, and weigh a burning question: when will she come back to where she belongs? A must-read for dog lovers, children of divorce, and the imaginative and outdoorsy, Sunshine is a poignant, ultimately hopeful story about self-discovery, facing big realities, and finally, forgiving the things—and people—you can’t forget.

**Sunshine Girl** Julianna Margulies,2021-05-04 Known for her outstanding performances on the groundbreaking television series The Good Wife and ER, Julianna Margulies deftly chronicles her life and her work in this deeply powerful memoir. NAMED ONE OF

THE BEST BOOKS OF THE YEAR BY GOOD HOUSEKEEPING • “At once a tender coming-of-age story and a deeply personal look at a young woman making sense of the world against a chaotic and peripatetic childhood.”—Katie Couric As an apple-cheeked bubbly child, Julianna was bestowed with the family nickname “Sunshine Girl.” Shuttled back and forth between her divorced parents, often on different continents, she quickly learned how to be of value to her eccentric mother and her absent father. Raised in fairly unconventional ways in various homes in Paris, England, New York, and New Hampshire, Julianna found that her role among the surrounding turmoil and uncertainty was to comfort those around her, seeking organization among the disorder, making her way in the world as a young adult and eventually an award-winning actress. Throughout, there were complicated relationships, difficult choices, and overwhelming rejections. But there were also the moments where fate, faith, and talent aligned, leading to the unforgettable roles of a lifetime, both professionally and personally—moments when chaos had finally turned to calm. Filled with intimate stories and revelatory moments, Sunshine Girl is at once unflinchingly honest and perceptive. It is a riveting self-portrait of a woman whose resilience in the face of turmoil will leave readers intrigued and inspired.
