Hollywood Surf and Beach Movies Thomas Lisanti, 2015-05-07 Surfers loathed them, teenagers flocked to them, critics dismissed them, producers banked on them—surf and beach movies. For a short time in the 1960s they were extremely popular with younger audiences—mainly because of the shirtless surfer boys and bikini-clad beach girls, the musical performers, and the wild surfing footage. This lavishly illustrated filmography details 32 sizzling fun-in-the-sun teenage epics from Gidget to the Beach Party movies with Frankie and Annette to The Sweet Ride plus a few offshoots in the snow!) Entries include

credits, plot synopses, memorable lines, reviews and awards, and commentary from such as Aron Kincaid of *The Girls on the Beach*, Susan Hart of *The Ghost in the Invisible Bikini*, Peter Brown of *Ride the Wild Surf*, Chris Noel of *Beach Ball*, and Ed Garner of *Beach Blanket Bingo*. Pacific Passages Patrick Moser, 2008-05-08 A thousand years after Hawaiians first paddled long wooden boards into the ocean, modern surfers have continued this practice, which has recently been transformed into a global industry. Pacific Passages brings together four centuries of writing about surfing, the most comprehensive collection of Polynesian and Western perspectives on the history and culture of a sport currently enjoyed by millions of people around the world. The stories begin with Hawaiian legends and chants and are followed by the journals of explorers; the travel narratives of missionaries and luminaries such as Herman Melville, Mark Twain, and Jack London; and the contemporary observations of Tom Wolfe, William Finnegan, Susan Orlean, and Bob Shacochis. Readers

follow the historical transformation of surfing's image through the centuries: from Polynesian myths of love to Western accounts of horror and exoticism in the eighteenth and nineteenth centuries, to modern representations of surfing as a character-building activity in pre-World-War II California and the quintessential expression of disaffected youth. They explore the sport's most recent trends by writers and cultural critics, whose insights into technology, competition, gender, heritage, and globalism reveal how surfing impacts some of today's most pressing social concerns. Aided by informative introductions, the writings in Pacific Passages provide insight into the values and ideals of Polynesian and Western cultures, revealing how each has altered and been altered by surfing—and how the sport itself has shown an amazing ability throughout the centuries to survive, adapt, and prosper.

Surfing in the Movies John Engle, 2015-10-05 Surfing has fascinated filmmakers since Thomas Edison shot footage of Waikiki beachboys in 1906. Before the 1950s surf craze, surfing showed up in travelogues or as exotic background for studio features. The arrival of *Gidget* (1959) on the big screen swept the sport into popular culture, but surfer-filmmakers were already featuring the day's best surfers in self-narrated two-reelers. Hollywood and independent filmmakers have produced about three dozen surf films in the last half-century, including the frothy Beach Party movies, *Point Break* (1991) and *Chasing Mavericks* (2012). From Bud Browne's earliest efforts to *The Endless Summer* (1966), *Riding Giants* (2004) and today's brilliant videos, over 1,000 surfing movies have celebrated the stoke. This first full-length study of surf movies gives critical attention to hundreds of the most important films.

Stoked! Drew Kampion, 2003 Once the sport of Polynesian kings, surfing embodies the

ultimate encounter between man and nature. Played out on the beaches and breaking waves of the world's continental fringes, surfing is the epitome of a classic cult of freedom and individual expression-an arena not only for survival but for grace under pressure, style, and artistic invention. Yet surfing is more than just riding the waves-it's a lifestyle, a state of mind, a subculture with its own codes and heroes. In *Stoked: A History of Surf Culture*, surf journalist Drew Kampion traces the evolution of the modern beach culture and the challenging, beautiful sport that gave rise to it. From its Polynesian origins and the early days of Duke Kahanamoku's beachboys, to the California-style surfing cult that exploded in the 1960s, to the international pro circuits and radical big-wave contests of today, *Stoked* tells the compelling story that has inspired entire genres of music, movies, fashion, and art. This revised second edition has updated text and new photographs. With a foreword by legendary surf filmmaker Bruce Brown, whose seminal film, *The Endless Summer*, captured the essence of the surfing lifestyle, *Stoked* is the lavishly illustrated history of the legends and the places, the artifacts and the trends, that continue to give surf culture its universal allure and appeal.

Surfing Benjamin Marcus,2013-03-05 First published as *Surfing USA!* in 2005.

Surfing in South Carolina Lilla O'Brien Folsom,Foster Folsom,2016-03-14 For centuries,

the ocean waters of the Atlantic have impacted the daily lives of those on the South Carolina coast. Beginning in the 1960s, those waves caught the imagination of young beachgoers who studied magazines and Super 8 films and refined their moves on rent-a-floats until the first surfboards became available in the area. The buildup to the Vietnam War brought GIs and their families from the West Coast and Hawaii to South Carolina, and their surfboards came along with them. Unbeknownst to each other, local surfers concentrated in the beach and military base areas of Beaufort/Hilton Head, Charleston, and Pawley's Island/Grand Strand began to conquer nearby surf breaks. When contests finally brought these groups together, a statewide sport was born.

Surf Culture David Carson, 2002-12-01 Designed by David Carson and published in conjunction with an exhibition at the Laguna Art Museum in July 2002, *Surf Culture* examines the history of modern surfboard design from 1900 to the present and features over 100 surfboards. It is the most comprehensive examination to date of surfing's impact on western culture and its cultural bleed into mainstream. Works of art featured are all surf-influenced and by artists/surfers who have achieved prominence in either the art world or popular culture - Craig Kauffman, Billy Al Bengston, and Robert Irwin to name just a few. Guest curator for the exhibition is Craig Stecyk of Dysfunctional fame.
