Cities for People Jan Gehl,2013-03-05 For more than forty years Jan Gehl has helped to transform urban environments around the world based on his research into the ways people actually use—or could use—the spaces where they live and work. In this revolutionary book, Gehl presents his latest work creating (or recreating) cityscapes on a human scale. He clearly explains the methods and tools he uses to reconfigure unworkable cityscapes into the landscapes he believes they should be: cities for people. Taking into account changing demographics and changing lifestyles, Gehl emphasizes four human issues that he sees as essential to successful city planning. He explains how to develop cities that are Lively, Safe, Sustainable, and Healthy. Focusing on these issues leads Gehl to think of even the largest city on a very small scale. For Gehl, the urban landscape must be considered through the five human senses and experienced at the speed of walking rather than at the speed of riding in a car or bus or train. This small-scale view, he argues, is too frequently neglected in contemporary projects. In a final chapter, Gehl makes a plea for city planning on a human scale in the fast- growing cities of developing countries. A “Toolbox,” presenting key principles, overviews of methods, and keyword lists, concludes the book. The book is extensively illustrated with over 700 photos and drawings of examples from Gehl’s work around the globe.

The Anatomy of the Swipe Ahmed Siddiqui,2020-04-08 Have you ever wondered what happens during a swipe of a credit card? Every major tech company will become a payments company. Yet, not many people understand how payment systems in the US work. Those that do get it are unlocking multi-billion dollar opportunities. If you've ever wondered what happens when you actually swipe/dip/tap your credit card or debit card then The Anatomy of the Swipe breaks down the details in the simplest manner possible. Here are some questions answered within these pages: How does money move from my credit card to my favorite coffee shop? How can I build a neo-bank? How can I build my own debit or credit card? How can I accept card based payments? The Anatomy of the Swipe speaks to software developers and entrepreneurs who are looking at implementing card-based payments for the first time, merchants who want to be able to accept payments for a website or store, or those who want to issue their own debit/credit card. This book walks beginners through modern innovations created because of card-based payments, as well as the motivations and revenue models

of each party in the payments ecosystem.

SWIPE Kayenne,2014-12-24 Three friends...one agenda...get money Trina Bell, single mother of three, can't seem to make ends meet working at a fast food restaurant. Mia Jackson, wife of a notorious incarcerated kingpin, is left fending for herself after the Feds confiscate money from their joint account. China Frasier's recent divorce leaves her with a huge house but not enough money to take care of the monthly expenses. Their financial woes bind these three friends together. Trina, Mia and China are determined to get money by any means necessary. But even the most perfect plan has its flaws.

Swipe Right Khaley Fenn,2016-03-08 Dating is an intimidating adventure, especially when you're in your late twenties; half of your friends are married and having babies, and the other half are still nursing hangovers every Monday at the office. Then there's Khaley, who's kind of in-between... Nevertheless, she's determined to navigate the strange world of dating, which is made even more complicated by the fact it's all online these days. Using Tinder and Plenty of Fish, she never knows what she may possibly encounter every time she "swipes right" or hears her phone ping. Mystery, awkwardness, laughter, and heartbreak abound. What began as a personal blog to document Khaley's experiences in the proverbial (online) pond has blossomed into a book. **Swipe Right** is a humorous and touching tale that uniquely explores the joys and challenges of dating in the modern world. Single women (and men seeking insight into the other side) will connect deeply with her words and laugh along with her as she embarks on her perfectly imperfect journey for love. Khaley's honesty and wit will inspire readers to keep their hearts open and fingers swiping while always staying true to their own strengths and beauties. www.datingformysupper.com

techniques to make new friends, indulge in sexual adventures, experience quality dates, and find lasting relationships in The Age of Swipe.

Don't Believe the Swipe Mandy Hale, 2021-04-20 Don't let the swipe rule your life Online dating. Dating apps. Texting. Social media. Endless swiping in search of forever love. It seems like the more ways technology offers to connect us, the less connected we actually are. Modern dating is not for the faint of heart! Don't Believe the Swipe is not your mother's dating guide. It isn't about landing a man or learning to think like a man or getting any man to fall in love with you; it's about falling in love with yourself and then extending that love to every aspect of your life—including your love life. It's about learning to date without surrendering your power. It's about choosing yourself, regardless of whether someone swipes right or swipes left. Funny, fresh, and relevant to today's crazy dating world, this book is sure to become your go-to modern dating guide. New York Times bestselling author Mandy Hale draws on her own hilarious and often jaw-dropping experiences to illustrate what it means to stop believing the swipe and start finding love without losing yourself. There is a way to date with dignity, to refuse to let the swipe rule your life, to stand confident in your worth, and to not settle for less than you deserve. This book is that way. I am so happy to have this new book by Mandy Hale to help me think and laugh my way to finding the love of my life.--Yvette Nicole Brown, actress, comedian, writer, and TV host Where has this book been all my life? It's seriously the last dating book I'll ever need.--Krista Allen, actress, comedian, recovering believer in the swipe This book cuts through the fog of modern dating and reconnects us to our single most important relationship--the relationship we have with ourselves.--Devyn Simone, celebrity matchmaker, dating expert, and TV host

Beyond the Swipe Kristin Fry, 2018-04-24 There's no doubt that the Internet has changed modern life. In the blink of an eye, we can look up obscure information, order groceries, or connect with old friends. With the advent of dating apps, even true love is at our fingertips--or so we're told. But how can single Christians find their way from that first swipe right of interest on an app to long-lasting, God-honoring love? Kristin Fry has her share of laugh-out-loud and cringe-worthy dating app stories, and she knows the fatigue that can come with digital dating. Despite the instant gratification that some dating apps advertise, true relationships are more than an interaction based on first impressions on a mobile device. In a warm, conversational style, Fry tackles a broad range of topics from evaluating profiles to first dates to maintaining healthy peer friendships even while dating. Kristin mines her own experience in the dating world but also includes insights from interviews with thirty married couples, and in-depth biblical study from Abraham and Sarah, the life of Jesus, the letter of Ephesians, and

more. This isn't just another how-to book for finding Mr. Right; this is a guide to help single Christian women navigate the new normal without forgetting their genuine identity in a God who loves them. By the end, digital daters will have the right tools for dating well--and know that God's best is possible.

Swipe Right for Mr. Darcy Amanda Kai,2024-03-30 Smart and confident, Elizabeth Bennet thrives in her single life as VP of Longbourn Rehabilitation Services. Busy with work, she's more concerned with her sister Jane's romantic pursuits than her own. When Jane lands a date with an attractive doctor, Liz accompanies her to the club as wingwoman. While there, she overhears Bingley's friend insult her, calling her "tolerable, but not handsome enough to tempt," prompting him to reluctantly swipe left on her Tinder profile. Liz hopes to avoid encountering the rude guy again, but fate has other plans. To her dismay, he turns out to be none other than Fitzwilliam Darcy, the president of Pemberley Medical Group, the hospital corporation her company is trying to woo. As their professional and personal worlds collide, Liz is forced to confront her disdain for Darcy, aggravated by his treatment of his childhood friend George Wickham, a handsome physical therapy assistant employed by Longbourn Rehab. Despite her initial impressions, Liz begins to see a different side of Darcy. But can she overcome her pride and prejudice to embrace the possibility of love? Set in the fictional town of Meryton, Iowa, this clean modern retelling of Jane Austen's classic enemies-to-lovers tale will reignite your love for Pride and Prejudice.

Mr. Right-Swipe Ricki Schultz, 2017-06-06 Ricki Schultz's charming and hilarious new novel, SWITCH AND BAIT, is now available for preorder! A Tale of #LeftSwipes, #NotMyTypes, and #Vodka Rae Wallace would rather drown in a vat of pinot greezh and be eaten by her own beagle than make another trip down the aisle--even if it is her best friend's wedding. She's too busy molding the minds of first graders and polishing that ol' novel in the drawer to waste time on any man. But when her best friends stage an intervention, Rae is forced to give in. After all, they've hatched a plan to help her find love the 21st century way: online. She's skeptical of this electronic chlamydia catcher, but she's out to prove she hasn't been too picky with men. However, when a familiar fella's profile pops up--the dangerously hot substitute teacher from work--Rae swipes herself right into a new problem... Sarcastic, irreverent, and uproariously funny--the painfully-true, so-insightful-it-hurts kind of funny--Ricki Schultz's wry debut will speak to fans of Bridesmaids or Trainwreck, and to anyone who's ever been on a bad date. This book gave me my absolute favorite feeling: laughing out loud alone in a room, chased immediately by the swoons. Nick is my new book boyfriend. But even better? Rae is my new best friend. MR. RIGHT SWIPE is exactly the book I needed. --CHRISTINA LAUREN, New York Times bestselling author of the BEAUTIFUL BASTARD series Highly recommended. - RT Book Reviews (FOUR STARS)

Swipe to Unlock Neel Mehta, Parth Detroja, Aditya Agashe, 2017 WANT A NON-CODING JOB AT A TECH COMPANY? Interested in product management, marketing, strategy, or business development? The tech industry is the place to be: nontechnical employees at tech companies outnumber their engineering counterparts almost 3 to 1 (Forbes, 2017). You might be worried that your lack of coding skills or tech industry knowledge will hold you back. But here's the secret: you don't need to learn how to code to break into the tech industry. Written by three former Microsoft PMs, Swipe to Unlock gives

you a breakdown of the concepts you need to know to crush your interviews, like software development, big data, and internet security. We'll explain how Google's ad targeting algorithm works, but Google probably won't ask you how to explain it in a non-technical interview. But they might ask you how you could increase ad revenue from a particular market segment. And if you know how Google's ad platform works, you'll be in a far stronger position to come up with good growth strategies. We'll show you how Robinhood, an app that lets you trade stocks without commission, makes money by earning interest on the unspent money that users keep in their accounts. No one will ask you to explain this. But if someone asks you to come up with a new monetization strategy for Venmo (which lets you send and receive money without fees), you could pull out the Robinhood anecdote to propose that Venmo earn interest off the money sitting in users' accounts. We'll talk about some business cases like why Microsoft acquired LinkedIn. Microsoft interviewers probably won't ask you about the motive of the purchase, but they might ask you for ideas to improve Microsoft Outlook. From our case study, you'll learn how the Microsoft and LinkedIn ecosystems could work together, which can help you craft creative, impactful answers. You could propose that Outlook use LinkedIn's social graph to give salespeople insights about clients before meeting them. Or you could suggest linking Outlook's organizational tree to LinkedIn to let HR managers analyze their company's hierarchy and figure out what kind of talent they need to add. (We'll further explore both ideas in the book.) Either way, you're sure to impress. Learn the must know concepts of tech from authors who have received job offers for Facebook's Rotational Product Manager, Google's Associate Product Marketing Manager, and Microsoft's Program Manager to get a competitive edge at your interviews!

"Beyond the Swipe: A Guide to Meaningful Connections in the Digital Age" Jeffery Lewis Jr.

,2024-03-27 Beyond the Swipe: A Guide to Meaningful Connections in the Digital Age is a transformative guide for anyone navigating the complex world of modern dating. In an era where digital interactions often replace face-to-face connections, this book emerges as a beacon of hope, offering a new perspective on finding love amidst the swipes and likes that define contemporary romance. Drawing upon a deep understanding of the current dating landscape, this book peels back the digital facade to reveal the opportunities and challenges of connecting in today's world. From the impact of social media on our perceptions of love and self-worth to the paradox of choice presented by dating apps, Beyond the Swipe delves into the factors that shape our dating experiences. But this book is more than just an analysis; it's a roadmap to finding genuine connections. Through a blend of personal insights, psychological research, and practical strategies, it guides readers through the process of

building meaningful relationships. From crafting an authentic online presence to mastering the art of digital communication and navigating the transition from online interactions to meaningful real-world connections, this guide offers valuable tools for every step of the journey. Beyond the Swipe addresses not only how to initiate connections but also how to sustain them, exploring the art of nurturing relationships in a way that promotes mutual growth and understanding. It acknowledges the challenges inherent in modern dating but offers a hopeful and empowering message: that meaningful connections are possible, and they are worth the effort. Ideal for those who feel overwhelmed by the modern dating scene, Beyond the Swipe is a must-read for anyone looking to find love in the digital age without losing themselves in the process. It's an invitation to move beyond the superficial, embrace authenticity, and discover the profound connections that await beyond the swipe.

16 Swipes No Breakfast Mark Powell, 2019-12-15 16 Swipes takes you on a journey of discovery through a rinse cycle of Tinder dates, personal encounters, and struggles, as author Mark Powell navigates the sea of online profiles in search of his soul mate. Through a fair number of swipes and a very unfair number of breakfasts, you'll smile, split your sides laughing and be thankful to have dodged these yourself. Beyond the humour, you will gain insights into the relationships to avoid, situations to extract yourself from, and the women you should never get serious with. Mark candidly shares his own mistakes so you gain valuable dating lessons and identify with the near misses. You will sympathise, empathise, and maybe even recognise your own situations as Mark – with his old school values – embarks on a wild ride in our modern dating scene problems in Singapore.

Bad Swipe Elise Faber, 2021-06-28 She blamed the dating app. Stef saw his picture—his smile, the rugged line of his jaw, the way the man could fill out a suit, and like an idiot, she fell a bit in love with him. And in a night of drunken insanity, she swiped right on the picture she'd been drooling over for months. Then in a morning of hangover unpleasantness, she saw that he'd swiped right, too. And suddenly, she found herself on a date with the man of her dreams.

Swipe Claire Adams, Kylie just moved to town for a new job, far away from her boyfriend, leaving her in a long distance relationship. She wants to meet new people so she uses a dating app to find people to hang out with as just friends and specifically says no hookups in her bio. That's where she meets Julian. He's super sexy but she's not going to cheat on her longtime boyfriend. Everything changes though when she decides to drive back to her hometown where her boyfriend lives to surprise him... Because she catches him in bed with another guy. That's when she has nothing holding her back from sleeping with Julian. But after hooking up she finds out he's someone already in her life and

it changes everything. Will they be able to overcome it?
