*Double Tap* Steve Martini, 2005-12-27 New York Times bestselling author Steve Martini takes legal thrillers to a new level in this Paul Madriani novel about a soldier's secrets and a government's lies... A beautiful businesswoman, founder of a high-tech software company catering to the military, is found dead, two tightly grouped bullet wounds to her head—a “double tap,” the trademark of highly skilled assassins. Paul Madriani takes the case of the man accused of the crime: a career soldier who refuses to explain the mysterious gaps in his military résumé. Faced with an uncooperative client, Madriani begins a dangerous search for the truth—in the soldier's shadowy past, in the victim's deadly secrets...
