Umbria Patricia Clough, 2017-08-15 When Patricia Clough, a former foreign correspondent, bought a house in Umbria, she knew that buying her dream home did not mean that life would become a dream. By the end of this book, in which she describes the journey of making Umbria her home, she is sure that "if one has basic requirements for being happy, then Umbria provides some of the best surroundings for happiness." Clough pores over Umbria's enchanting countryside, its tumultuous history, its ancient culture and sumptuous food, and laments that for a long time Umbria was mistaken for its fashionable neighbor, Tuscany. This is not a guide to buying a home in Italy, nor a guidebook for your holiday—though it would be useful as both of these things—but a story in which a woman discovers and marvels at the place she begins to call home.

A Valley in Italy Lisa St. Aubin de Teran, 1995-04-28 Of all the romantic obsessions in novelist Lisa St Aubin de Teran's life, the search for a castle occupied her the longest—until she saw the magnificent Villa Orsola deep in the Umbrian hills. Only after eagerly signing the ownership papers did she and her husband, painter Robbie Duff-Scott, discover they were the owners of a vast ruin lacking windowpanes, parts of the roof, and other essentials. *A Valley in Italy* recounts its restoration in the grand style of impossible house and the charms of bohemian family life. It also offers a rare portrait of the life of a. Italian village, where all things are made to be as enjoyable as possible. Lisa St Aubin de Teran's intuitive sense of place, her affection for the people around her, and her appreciation for native Italian grace make this a memorable book that can stand beside the best accounts of Italian life.

Umbria The Green Hearth of Italy Enrico Massetti, 2021-08-15 Perhaps it is the evocative nature of the place or a certain enchanted air (we might almost say mystic) that you breathe to some extent everywhere, but sooner or later whoever visits Umbria ends up thinking: Saint Francis, that great, gentle, tender, and poetic Saint of happiness and humility could only have been born here in Umbria. In this place of ever-green, peaceful, and radiant nature, in these towns, the concept of historical center seems inadequate and reductive, so widespread is the monumental and artistic component in the cities of Umbria. Perugia, for example, the regional capital, to describe it is to lose oneself in the richness, complexity, and magnificence of its architectural and artistic treasures. This guide covers the region of Umbria, in Central Italy, called the green heart of Italy. In detail, it covers Perugia, Assisi, Gubbio, Passignano Sul Trasimeno, Orvieto, Spello, Spoleto, Todi.

Ancient Umbria Guy Bradley,2000-12-21 How should we understand the ways in which the regions of Italy were affected by Roman imperialism? This book, which is the first full-scale treatment of ancient Umbria in any language, takes a balanced view of the region's history in the first millennium BC, focusing on local actions and motivations as much as the effect of outside influences and Roman policies. Through a careful reading of all the types of evidence it provides an important challenge to traditional treatments emphasising the 'Romanization' of the region, arguing that this is a poor explanation for the complexity of local societies in the late Republican period. Instead it proposes that other trends, particularly the organization of states, help to explain the fascinating plurality of identities that are evident in the imperial period and allow us to appreciate the diversity of local societies that emerged in both mountain and lowland areas of Umbria.

The Cities of Umbria (Classic Reprint) Edward Hutton,2015-07-19 Excerpt from The Cities of Umbria One day of sunshine, mysterious and full of silence, as I wandering among the hills about Fiesole, where hundreds of years ago Lorenzo of the Medici held his court, and, as I have been told, Botticelli first saw La Bella Simonetta in the spring, out of the splendour and sweet spaciousness of that gentle world, or perhaps from the cypresses that crown the soft round hills with mystery, there came to me an old chant, older, perhaps, than Christianity, that I had heard years and years ago when I was a child at Perugia, that city under the Apennines where they still guard the wedding-ring of the Blessed Virgin. It was an old tune that seemed to bear in its few notes all the romance of that world so long ago with its lovely gods; something of the simple and correct beauty of all that; and yet to suggest an underlying sadness and regret of the beauty that had passed away. A sudden longing seized me as I lay under the olives to hear the Mass sung in that bleak old church, to look once more on the Umbrian Hills, and to see the light that never was in any Tuscan vale flooding the valley of Spoleto, and the countless indestructible cities.
