

# **Vampire**

**Marita Woywod Crandle**

**The Vampire Lestat** Anne Rice, 1977-11-29 #1 New York Times Bestselling author - Surrender to fiction's greatest creature of the night - Book II of the Vampire Chronicles The vampire hero of Anne Rice's enthralling novel is a creature of the darkest and richest imagination. Once an aristocrat in the heady days of pre-revolutionary France, now a rock star in the demonic, shimmering 1980s, he rushes through the centuries in search of others like him, seeking answers to the mystery of his eternal, terrifying existence. His is a mesmerizing story—passionate, complex, and thrilling. Praise for *The Vampire Lestat* “Frightening, sensual . . . Anne Rice will live on through the ages of literature. . . . To read her is to become giddy as if spinning through the mind of time, to become lightheaded as if our blood is slowly being drained away.”—San Francisco Chronicle “Fiercely ambitious, nothing less than a complete unnatural history of vampires.”—The Village Voice “Brilliant . . . its undead characters are utterly alive.”—The New York Times Book Review “Luxuriantly created and richly told.”—The Cleveland Plain Dealer

Vampire History and Lore Stuart A. Kallen, 2011 Throughout history vampires have been viewed as hideously repellant, strikingly attractive, dangerously evil, and piteously gloomy. This title explores vampire beliefs from the blood sucking beasts of ancient times to the immortal teen heartthrobs of the twenty-first century.

**Dawn of the Vampire** William Hill, 2001-03 The small town of Wrethville suddenly finds itself the prey of vampires when South Holston Lake's waters recede, exposing an island of graves. No one had dared go near the cursed ground to move the coffins when the dam was built. Now, emerging from their watery graves, this new breed of vampire—one that can now hunt by day—seeks vengeance against all the living.

*The Vampire's Secret* Raven Hart, 2007 Fantasy-roman.

*The Vampire Papers* Michael Romkey, 1994-07-02 In the spine-tingling, pulse-pounding tradition of *Interview With The Vampire*, a chilling look into the secret world of the Vampiri, which exists around us always -- invisible, unsuspected . . . until we feel the prick of teeth at our neck in a dream and wake up to find . . . an end to all dreaming and a beginning to a unliving nightmare!

*The Vampire Book* DK, 2009-09-21 Vampires have always fascinated and frightened, and now their reach goes beyond horror-flick fans. Teens the world over have fallen under the spell of these mysterious, blood-sucking, and oh-so-alluring beings! From *Buffy* to *Twilight*, vampire fans have gotten smarter and savvier, and this is the book for them. Learn how vampires live, how they avoid capture, and why they're so darn attractive. Also trace the history of vampire lore--in literature, movies, and on television--from the woods of Transylvania to the modern-day high school. Chock full of info and insight, each gorgeous page will draw in readers of every age, with innovative styling, never-before-seen imagery, and deliciously wicked design. Perhaps this enticing tome is best read while wearing a garlic necklace . . .

Thirst No. 1 Christopher Pike, 2009-08-04 Chronicles the events in the life of Alisa, a five-thousand-year-old vampire.

*Interview with the Vampire* Anne Rice, 2010-11-17 The spellbinding classic that started it all, from the #1 New York Times bestselling author—the inspiration for the hit television series “A magnificent, compulsively readable thriller . . . Rice begins where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth—the education of the vampire.”—Chicago Tribune Here are the confessions of a vampire. Hypnotic, shocking, and chillingly sensual, this is a novel of mesmerizing beauty and astonishing force—a story of danger and flight, of

love and loss, of suspense and resolution, and of the extraordinary power of the senses. It is a novel only Anne Rice could write.

V Is for Vampire Adele Griffin, 2009-09-03 In this third installment of the Vampire Island series, oldest sister Lexie Livingstone takes on ninth-grade politics and Old World pixies! As the first vampire ever to run for class president, Lexie has a chance to shed her otherworldly image and get in with the in-crowd. If only it weren't for those annoying pixies! Blix and Mitzi are the Livingstones' houseguests, and they're wreaking havoc. Meanwhile, siblings Maddy and Hudson are having some problems of their own. There's never a dull moment in the lives of these vegetarian vampires!

*The Vampire Files, Volume One* P. N. Elrod, 2003-10-07 Bloodlist introduces Jack Fleming, an investigative journalist in Prohibition-era Chicago who got bitten by a vampire. In Lifeblood and Bloodcircle Jack hunted for the men who killed him, and for his long-lost love, Maureen. Now, the original vampire-noir cult classics by P.N. Elrod are together for the first time in one volume-easier for fans to sink their teeth into.

*The Vampire* Alan Dundes, 1998-09-24 Vampires are the most fearsome and fascinating of all creatures of folklore. For the first time, detailed accounts of the vampire and how its tradition developed in different cultures are gathered in one volume by eminent folklorist Alan Dundes. Eleven leading scholars from the fields of Slavic studies, history, anthropology, and psychiatry unearth the true nature of the vampire from its birth in graveyard lore to the modern-day psychiatric patient with a penchant for drinking blood. *The Vampire: A Casebook* takes this legend out of the realm of literature and film and back to its dark beginnings in folk traditions. The essays examine the history of the word "vampire;" Romanian vampires; Greek vampires; Serbian vampires; the physical attributes of vampires; the killing of vampires; and the possible psychoanalytic underpinnings of vampires. Much

more than simply a scary creature of the human imagination, the vampire has been and continues to haunt the lives of all those who encounter it—in reality or in fiction.

**From Demons to Dracula** Matthew Beresford, 2008-12-15 In blood-soaked lore handed down the centuries, the vampire is a monster of endless fascination: from Bram Stoker's *Dracula* to *Buffy the Vampire Slayer*, this seductive lover of blood haunts popular culture and inhabits our darkest imaginings. The cultural history of the vampire is a rich and varied tale that is now ably documented in *From Demons to Dracula*, a compelling study of the vampire myth that reveals why this creature of the undead fascinates us so. Beresford's chronicle roams from the mountains of Eastern Europe to the foggy streets of Victorian England to Hollywood, as he investigates the portrayal of the vampire in history, literature, and art. Opening with the original *Dracula*, Vlad the Impaler, and his status as a national hero in Romania, he endeavors to winnow out truths from the complex legend and folklore. *From Demons to Dracula* tracks the evolution of the vampire as an icon and supernatural creature, drawing on classical Greek and Roman myths, witch trials and medieval plagues, Gothic literature, and even contemporary works such as Anne Rice's *Interview with a Vampire* and Elizabeth Kostova's *The Historian*. Beresford also looks at the widespread impact of screen vampires from television shows, classic movies starring Bela Lugosi and Christopher Lee, and more recent films such as *Underworld* and *Blade*. Whether as a demon of the underworld or a light-fearing hunter of humans, the vampire has endured through the centuries, the book reveals, as powerfully symbolic figure for human concerns with life, death, and the afterlife. A wide-ranging and engrossing chronicle, *From Demons to Dracula* casts this blood-thirsty nightstalker as a remarkably complex and telling totem of our nightmares, real and imagined.

**Vampires Today** Joseph P. Laycock, 2009-05-14 This book, about real vampires and the

communities they have formed, explores the modern world of vampirism in all its amazing variety. Long before Dracula, people were fascinated by vampires. The interest has continued in more recent times with Anne Rice's Lestat novels, Buffy the Vampire Slayer, the HBO series True Blood, and the immensely popular Twilight. But vampires are not just the stuff of folklore and fiction. Based upon extensive interviews with members of the Atlanta Vampire Alliance and others within vampire communities throughout the United States, this fascinating book looks at the details of real vampire life and the many expressions of vampirism as it now exists. In *Vampires Today: The Truth about Modern Vampirism*, Joseph Laycock argues that today's vampires are best understood as an identity group, and that vampirism has caused a profound change in how individuals choose to define themselves. As vampires come out of the coffin, as followers of a religion or lifestyle or as people biologically distinct from other humans, their confrontation with mainstream society will raise questions, as it does here, about how we define normal and what it means to be human.

*New Orleans Vampires* Marita Woywod Crandle, 2008-10-20 A New Orleans historian and vampire expert uncovers the historic origins of the Southern city's vampire legends from colonial days to the Great Depression. New Orleans has a reputation as a home for creatures of the night. Popular books, movies and television shows have cemented the city's connection to vampires in the public imagination. But the stories of the Crescent City's undead residents go much deeper than the tales of Sookie Stackhouse and The Vampire Lestat. In *New Orleans Vampires*, author Marita Woywod Crandle investigates the most haunting tales of vampirism in New Orleans history. In the early days of Louisiana's colonization, rumors swirled about the fate of the Casket Girls, a group of mysterious maidens traveling to the New World from France with peculiar casket-shaped boxes. The charismatic Comte St. Germain moved to the French Quarter in the early 1900s, eerily resembling a European

aristocrat of one hundred years prior bearing the same name. In the 1930s, the Carter brothers terrorized the town with their desire to feed on living human blood. Strange but true tales mix with immortal legends in this fascinating volume.

*Vampire Maker* Michael Schiefelbein, 2013-08-14 After turning his human lover into a vampire in Washington, D.C., upsetting the Dark Kingdom's delicate balance and exponentially increasing his own powers, Victor fled to post-Katrina New Orleans in order to escape the Dark Kingdom's justice, leaving his lover behind. Mere geography, however, cannot protect Victor from the Dark Kingdom's agents, who are hellbent on resetting the balance and stopping Victor's plans to become a vampire maker -- at any cost. Father Charles Boisvert believes he has overcome his homosexual desires -- that is, until troubled, young Kyle enters his confessional. Kyle is Victor's latest thrall, trapped to do Victor's bidding, desperate to escape yet loving his subservience. Charles is determined to save Kyle from Victor's control, even if it means giving in to temptation. While Charles and Victor battle for Kyle's soul, the Dark Kingdom's agents draw ever closer. The very thing that will give Victor the power to defeat them -- transforming Kyle from thrall to vampire -- will simultaneously free Kyle from Victor's control, yet doom his soul forever.

*Uncle Vampire* Cynthia D. Grant, 2015-08-04 Everyone knows vampires don't really exist--so why are Carolyn and her sister haunted by the same nocturnal visits? Twin sisters Honey and Carolyn have a secret: Uncle Toddy must be a vampire. What else could explain the fact that his nightmarish nocturnal visits are sucking the life out of their family? Honey doesn't want to talk about it. She's a popular, pretty cheerleader with the perfect high school life. Why can't Carolyn pretend it isn't happening and concentrate on good things, instead of asking questions about what happens when he knocks at her door in the middle of the night? Both girls' grades are suffering under the strain of

keeping their secret, threatening their school activities and plans for the future. Carolyn feels like she's going crazy, seeing things that no one else can. How can she convince Honey that she's only trying to stop the vampire from killing them both? Her only option is to force Uncle Toddy into the one place he doesn't want to be: the light.

**The Vampire** Raina Smith,2018-10-03 Hundreds of years ago, Rex, one of the world's rarest and most powerful vampires, decided to quietly settle in Newport, Rhode Island, where the public still has no idea he lives among them. Rex, however, is no ordinary vampire. A tortured soul, he roams Rhode Island's most historic locations, tracking down some of the state's most detestable human beings, to rid the area of those he considers contemptible, while leaving others in ignorant peace. Yes, this vampire kills, but he does so in such spectacularly chilling fashion that it's poetic. His sensitive side though is what sets him apart from his cold-blooded brethren. Connecting to living things upon the earth, he develops a newfound appreciation for the natural world, all of which he feels mortals mostly take for granted, but which he no longer does. It is because of this, Rex, a vampire, ironically finds himself searching for evidence of a higher power to explain the deeper meaning of his existence, and if one such as him deserves a place in the universe, let alone redemption. Rhode Island's vampire is complex beyond measure. Not only is he a lover of nature, and the arts, he even has the capacity to fall passionately in love with a woman. Through his lifestyle and immortal experiences, Rex's heart-wrenching story is a reminder of the beauty, yet complexity of the human experience. As Rex learns, living as a vampire can be difficult, but dying is even harder.

La Vida Vampire Nancy Haddock,2008-04-01 First in a delightfully irreverent new series-and second to none when it comes to beautiful 227-year-old career women. Being dead isn't all it's cracked up to be. Take it from Francesca Marinelli, trapped underground for over 200 years and

rediscovered during the renovation of a Victorian mansion in historic St. Augustine. A tourist attraction herself, she's well suited for a job as an Old Ghost Town Tour guide. Francesca's due for a new lease on afterlife-and with enough sunblock, she can finally live it. Unfortunately, everything she learned about men is a little dated. And when people in her tour group turn up dead, naturally the police suspect her. After all, she is a vampire. Which is why a crazed vampire-hunting vigilante squad is out to get her as well. Between the dead bodies, the stalkers, and a seriously non-existent love life, she's starting to wish she was dead. Or at least buried, where she was safe.

*New Tales of the Vampires* Anne Rice, 2011-05-25 NEW YORK TIMES BESTSELLER • From the beloved author of *The Vampire Chronicles*, two seductive and mesmerizing novels linked by two distinct creatures of the night In *Pandora*, fledgling vampire David Talbot chronicles the history of Pandora, a two-thousand-year-old vampire. In *Vittorio, the Vampire*, set in fifteenth-century Renaissance Florence, Vittorio finds his world shattered when his entire family is destroyed in an act of unholy violence and embarks on a desperate quest for revenge.

**Vampire Readings** Patricia Altner, 1998 It was only a little more than 100 years ago, when Bram Stoker wrote the now famous *Dracula*, that vampire myths began to achieve their current popularity. Hundreds of books now portray vampires in a variety of non-traditional roles, including aliens from outer space, private detectives, and time travelers. *Vampire Readings* is an annotated bibliography of 779 entries divided into five sections: Novels; Anthologies and Novellas; Young Adult; Additional Readings; Unread Undead. The largest section is Novels and here, besides a summary of the plot (without spoilers), the author indicates where each novel may fit into other genres such as science fiction/fantasy, mystery, romance, etc. Works by such writers as Anne Rice, Tanya Huff, Christopher Pike, Tanith Lee, Barbara Hambly, Kim Newman, and, of course, Bram Stoker are discussed in

Vampire Readings . Separate author and title indexes are included.

### Vampire Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to

download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Vampire free PDF files is Open Library. With its vast collection

of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a

global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Vampire free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline

reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Vampire free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the

source before downloading Vampire. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Vampire any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Vampire Books

1. Where can I buy Vampire books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than

hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.

3. How do I choose a Vampire book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Vampire books? Storage:

Keep them away from direct sunlight and in a dry environment.

Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them?  
Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book

collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Vampire audiobooks, and where can I find them?  
Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a

wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have

virtual book clubs and discussion groups.

10. Can I read Vampire books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
