The X-Mas Club Lenora Worth, 2022-10-24 Christmas is a

time for miracles... After a tragic traffic accident several years ago, Veronica Cearley has avoided all socializing and celebrating—especially during Christmas. Her daughter wants her mother back and finally gives her an ultimatum: this year, she's spending Christmas with her fiancé's family, and if Veronica doesn't rediscover the joy in life, she won't be involved in planning

her spring wedding. When Veronica finds a flyer inviting people to attend a “Not a Christmas Club” on her daily walk, she wonders if fate has played into her hand. Cullen Murdock doesn’t want to spend Christmas alone. He’s back in Hidden Mountain, Georgia, on business, and while he and the town have a history, he’d prefer to keep it locked in the past. He puts a plan in motion to ensure he has company for the holiday, hoping that the other lonely people he’s invited are willing to accept his mysterious invitation and make a few positive life changes. Forced together with three other lonesome people, Veronica and Cullen fall hard and fast, but will Cullen’s secret steal their newfound Christmas spirit? Each book in the Sweet Inspirational Christmas Romance series is standalone:

The X-Mas War Scott Malensek, 2002 The undeniable history of mankind clearly shows us that human conflict has far from passed. In places like Kuwait, Rwanda, Bosnia and Kosovo, the 20th Century ended brutally. Given the trends of modern conflict, the economic separation of peoples, the rise in religious affiliated terrorism, and the social hatreds that remain between races, tomorrow's wars can only be more violent than those of the past. The X-MAS War is really an anthology of four books: Black Rain For Christmas, The Secret War In South Asia, Sixth Fleet Under, and The Sugar-Sweet Smell of Fear. All four have overlapping storylines. They're tales are all told through the use of news reports, traditional narratives, diary entries, and letters home. Each book is a complete story by itself, but together they give a brand new perspective to the unique aspects of 21st Century warfare!

The Book of Elf X (M. A. S.) Wesley Crain,2010-12-31 An elf living in Santa's Workshop-recently retired from productive service

at the venerable age of twelve to become a full-time sculptor-lands a contract with Workshop's highest authority to create a statue honoring their long-absent founder and patron saint, Santa Claus. Unfortunately this elf, who wishes to remain anonymous, doesn't believe in Santa Claus. When X carves a controversial monument that ostensibly exalts but slyly defames both Claus and Workshop government she meets Tchotchke, a young orphan with a talent for finding whatever he looks for. Tchotchke's connections to a heretical underground organization, the Anti-Claus Movement, allow Movement members to persuade X to search throughout the arctic iceberg cavern for proof of Santa Claus's death in the hope of inspiring a popular uprising. What she uncovers with Tchotchke's assistance, however, is evidence of an even deeper conspiracy behind Claus's historical absence. With both Workshop authorities and the heretics at their heels, X and Tchotchke escape Workshop's floating confines and use Tchotchke's talent to gather evidence of Santa Claus's whereabouts at locations scattered across Europe and North America. On the way they face the dreaded Krampus in a bar, learn of Claus's origins as a young Catholic bishop, get worshipped by a tribe of elves posing as cats, and unwittingly foment an elfin revolution in an urban mall that threatens to tear apart not only an entire society, but also their friendship. Ultimately, the answers that X discovers in her search for the secret of Santa Claus only lead to even more difficult questions as her swiftly approaching demise forces her to choose between life or the one elf she can't imagine life without.
