Gavin Strange

The DOs Norman Gevitz,2004-04-13 Osteopathic medicine currently serves the health needs of more than 30 million Americans. In this book the author chronicles the history of this once-controversial medical movement from its origins in the nineteenth century to the present, describing the philosophy and practice of osteopathy as well as its impact on medical care.

Pocket Full of Do Chris Do,2020-07-27

What Should Danny Do? Adir Levy,Ganit Levy,2017-05 Danny is a Superhero-in-Training learning about his most important superpower of all, The Power to Choose. Written in a Choose Your Own Story style, your child will have a blast trying to reach all nine endings. And in the process, they will learn some of life's most important lessons.

Do Scale Les McKeown,2019-06-18 Scaling up is something most founders aspire to, especially once the tricky start-up phase has been navigated. It can increase your reach and future proof your business. But how do you scale ? And how does it differ from flipping for a quick profit or slower organic growth? Les McKeown advises industry leaders on how to achieve scalable, sustainable growth. In Do Scale, he draws from his decades of experience to provide a clear understanding of what's involved, and the strategies needed to take your business (or not-for-profit) to the next level. You'll find out: What it means to scale and if now is the right time; Why founders need to get out of their own way ; How to develop winning teams; Your secret weapon for decision making. With practical advice and clear guidance, Do Scale is an essential manual for anyone looking to grow a successful and sustainable organisation and turn it into something truly remarkable.

What the Living Do Maggie Dwyer,2018-09-27 Until the age of twelve, Georgia Lee Kay-Stern believed she was Jewish — the story of her Cree birth family had been kept secret. Now she's living on her own and attending first year university, and with her adoptive parents on sabbatical in Costa Rica, the old questions are back. What does it mean to be Native? How could her life have been different? As Winnipeg is threatened by the flood of the century, Georgia Lee's brutal murder sparks a tense cultural clash. Two families wish to claim her for burial. But Georgia Lee never figured out where she belonged, and now other people have to decide for her.

Do Breathe Michael Townsend Williams,2018-09-04 For anyone who feels overwhelmed by the demands and anxieties of daily life, Do Breathe provides practices for fostering relaxation, awareness, and focus. This book features sections on breath work, mindfulness, energy, and courage, and is brimming with practical advice—including the three keys to breathing well and a how-to for decluttering the mind. With simple exercises and daily practices from yoga, meditation, and mindfulness, these inspiring pages will help readers cultivate a balanced mindset and build a foundation for a joyful, peaceful life.

What Editors Do Peter Ginna,2017-10-06 Essays from twenty-seven leading book editors: “Honest and unflinching accounts from publishing insiders . . . a valuable primer on the field.” —Publishers Weekly Editing is an invisible art in which the very best work goes undetected. Editors strive to create books that are enlightening, seamless, and pleasurable to read, all while giving credit to the author. This makes it all the more difficult to truly understand the range of roles they inhabit while shepherding a project from concept to publication. What Editors Do gathers essays from twenty-seven leading figures in book publishing about their work. Representing both large houses and small, and encompassing trade, textbook, academic, and children's publishing, the contributors make the case for why editing remains a vital function to writers—and readers—everywhere. Ironically for an industry built on words, there has been a scarcity of written guidance on how to approach the work of editing. Serving as a compendium of professional advice and a portrait of what goes on behind the scenes, this book sheds light on how editors acquire books, what constitutes a strong author-editor relationship, and the editor's vital role at each stage of the publishing process—a role that extends far beyond marking up the author's text. This collection treats editing as both art and craft, and also as a career. It explores how editors balance passion against the economic realities of publishing—and shows why, in the face of a rapidly changing publishing landscape, editors are more important than ever. “Authoritative, entertaining, and informative.” —Copyediting

The Difference a D.O. Makes Bob E. Jones,2001 Even though the osteopathic profession is over 100 years old, very little literature has been available to assist the public in better understanding osteopathic medicine. Perhaps this is the primary reason many persons cling to old wives tales in their concept of this uniquely American medical profession.It is extremely difficult, if not impossible, to relate in a few brief pages the history, nature, philosophy, methods, and processes of development of any profession and do it justice. Therefore, perhaps this effort to introduce once again osteopathic medicine to the public will encourage others to articulate their insights into osteopathic medicine and complement the work of ones who have tried.This book is written by a layman for the lay reader. Much of the information has been gleaned from the few written sources available and from personal taped interviews with more than thirty persons in the osteopathic profession and ones related to it by employment and dedication. Some of the information has not previously been widely disseminated to

the public. Nonetheless, it is a documented part of the osteopathic story. The remainder of the information in the book reflects the author's observations and opinions based on years of experience with, appreciation for, and commitment to the osteopathic profession. The author hopes *The Difference a D.O. Makes* will make a positive difference in the public's understanding of osteopathic medicine. Bob E. Jones, Oklahoma City, Oklahoma. All proceeds from the sale of this book go to the Oklahoma Educational Foundation for Osteopathic Medicine, whose primary function is to assist osteopathic medical students with low-interest loans. All inquiries regarding the purchase of this book should be directed to the Oklahoma Educational Foundation for Osteopathic Medicine (OEFOM), 4848 North Lincoln Boulevard, Oklahoma City, Oklahoma, 73105-3335.

When We Do Harm Danielle Ofri, MD, 2020-03-23 Medical mistakes are more pervasive than we think. How can we improve outcomes? An acclaimed MD's rich stories and research explore patient safety. Patients enter the medical system with faith that they will receive the best care possible, so when things go wrong, it's a profound and painful breach. Medical science has made enormous strides in decreasing mortality and suffering, but there's no doubt that treatment can also cause harm, a significant portion of which is preventable. In *When We Do Harm*, practicing physician and acclaimed author Danielle Ofri places the issues of medical error and patient safety front and center in our national healthcare conversation. Drawing on current research, professional experience, and extensive interviews with nurses, physicians, administrators, researchers, patients, and families, Dr. Ofri explores the diagnostic, systemic, and cognitive causes of medical error. She advocates for strategic use of concrete safety interventions such as checklists and improvements to the electronic medical record, but focuses on the full-scale cultural and cognitive shifts required to make a meaningful dent in medical error. Woven throughout the book are the powerfully human stories that Dr. Ofri is renowned for. The errors she dissects range from the hardly noticeable missteps to the harrowing medical cataclysms. While our healthcare system is—and always will be—imperfect, Dr. Ofri argues that it is possible to minimize preventable harms, and that this should be the galvanizing issue of current medical discourse.

Do Fly Gavin Strange, 2016-06-07 Do Work You Love. Sounds simple, doesn't it? But the reality can be quite different. Whether you're just starting out or simply ready to head in a new direction, you're going to need some help turning your natural skills into success-seeking missiles of radness. On hand is Gavin Strange, a creative working by night under the name of JamFactory and, by day, at Aardman Animations – the Academy Award-winning studio behind Wallace & Gromit and Shaun the Sheep. With advice, encouragement and a reminder that life's too short to not pursue your passion, whatever your age or position – from school leaver or graduate just starting out to CEO ready to head in a new direction, *Do Fly* will inspire you to: Change your perspective and revamp your mindset Develop creative side projects Stay optimistic and resilient Discover skills and passions you never knew you had! *Do Fly* is your all-in-one guide, ticket and passport to a new destination. Are you ready for take off?

Some People Do Frank Lowe, 2019-06-01 As a parent, discussing diversity with your child/children can be difficult, especially if you have your own questions. *Some People Do* boils this topic down to provide the simplest of answers. By the time your child/children finish reading this book, they will have been introduced to all facets of people, without any one being more revered than the other.

Good Things to Do Rüdiger Bittner, 2023 The book is to show that the aim of thinking about what to do, of practical reason, is to find, not what we ought to do, but what is a good thing to do for us under the circumstances. So it argues, first, that neither under prudence nor under morality there are things we ought to do. There is no warrant for the idea of our being required, by natural law perhaps or by our rationality, to do either what helps us attain our ends or what is right for moral reasons. While common moral understanding is committed to there being things we ought to do and to our being guilty and deserving blame if we fail to do them, we can lay aside these notions without loss, indeed with benefit. Second, it explains what it is for something to be good for somebody to do under the circumstances and argues for understanding practical reason in these terms. What is good for somebody to do we find by experience: from what we go through we learn what helps and what hinders and figure out on this basis both what is prudentially useful and what is morally right to do – although in the end this difference itself gives way, and morality turns out to be a part of prudence--

What the Best College Teachers Do Ken Bain, 2011-09-01 Winner of the Virginia and Warren Stone Prize awarded annually by Harvard University Press for an outstanding book on education and society What makes a great teacher great? Who are the professors students remember long after graduation? This book, the conclusion of a fifteen-year study of nearly one hundred college teachers in a wide variety of fields and universities, offers valuable answers for all educators. The short answer is—it's not what teachers do, it's what they understand. Lesson plans and lecture notes matter less than the special way teachers comprehend the subject and value human learning. Whether historians or physicists, in El Paso or St. Paul, the best teachers know their subjects inside and out—but they also know how to engage and challenge students and to provoke impassioned responses. Most of all, they believe two things fervently: that teaching matters and that students can learn.

Changing How We Think about Difficult Patients Joan Naidorf, 2022-02-07 Physicians enter their professions with the highest of hopes and ideals for compassionate and efficient patient care. Along the way, however,

recurring problems arise in their interactions with some patients that lead physicians to label them as difficult. Some studies indicate that physicians identify 15% or more of their patients as difficult. The negative feelings that physicians have toward these patients may lead to frustration, cynicism, and burnout. *Changing How We Think about Difficult Patients* uses a multi-tiered approach to bring awareness to the difficult patient conundrum, then introduces simple, actionable tools that every physician, nurse, and caregiver can use to change their mindset about the patients who challenge them. Positive thoughts lead to more positive feelings and more effective treatments and results for patients. They also lead to more satisfaction and decreased feelings of burnout in healthcare professionals. How does this book give you an advantage? Caring for difficult patients poses a tremendous challenge for physicians, nurses, and clinical practitioners. It may contribute significantly to feelings of burnout, including feelings of exhaustion, cynicism, and lost sense of purpose. In response, Dr. Naidorf offers a pragmatic approach to accepting patients the way they are, then provides strategies for providers to find more happiness and satisfaction in their interactions with even the most challenging patients and families. Here are just some of the topics the author discusses in detail: What Makes a Good Patient? The Four Core Ethical Principles of the Clinician-Patient Relationship The Four Models of the Physician-Patient Relationship What Challenges Anybody with Illness or Injury? How Good Patients Handle the Challenges of Illness and Injury Six Common Reactions to Illness and Hospitalization On Taking Care of the Hateful Patient Standards for Education in Medical Ethics De-escalation Strategies Cultural, Structural, and Language Issues Types of Patients Who Tend to Challenge Us The Think, Feel, Act Cycle Recognizing Our Preconceived Thoughts Three Common Thought Distortions About Patients Asking Useful Questions Getting Out of the Victim Mentality Guiding our Thoughts Through a Common Scenario Show Compassion, Feel Compassion If you're a healthcare provider or caregiver, *Changing How We Think about Difficult Patients* will give you the benefit of understanding your most challenging patients, and a roadmap to positively changing your mindset and actions to better deliver care and compassion for all.

Do Pause Robert Poynton, 2019-04-30 Machines are designed to run constantly; people aren't. Our coping mechanisms are meditation apps, weekend breaks and annual holidays, but things soon revert. To prosper, we need a more sustainable approach - an ability to pause. *Do Pause* looks at the importance of this subtle yet powerful idea to communication, creativity, relationships - as well as our wellbeing and sanity. With practical tools to help you create new habits or make more significant lifestyle choices, you'll discover ways to: Reset and regenerate; Deepen your thinking and experiences; Take back control of your time; Reconnect with other people - and yourself. From taking a breath to taking a sabbatical, a pause can be many things. And the good news is, even just a small pause every now and again can make a real and lasting difference.

BIBLE: Do's & Don'ts Verses Win Verses LLC, 2013-03-23 Scripture's rules are presented in short verse segments for better understanding and insight. A verse a day, saving time and effort for your daily meditations. Google Books App's 'Read Out Loud' feature allows for audio book like listening. Sample verses include: Deuteronomy 6 [18] And thou shalt do that which is right and good in the sight of the Lord: that it may be well with thee, and that thou mayest go in and possess the good land which the Lord swore unto thy fathers, (KJV) Leviticus 7 [7] As the sin offering is, so is the trespass offering: there is one law for them: the priest that maketh atonement therewith shall have it. Genesis 3 [3] Now the serpent was more subtil than any beast of the field which the LORD God had made. And he said unto the woman, Yea, hath God said, Ye shall not eat of every tree of the garden? Deuteronomy 8 [10] When thou hast eaten and art full, then thou shalt bless the LORD thy God for the good land which He hath given thee. Isaiah 40 [31] But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not be faint. Malachi 4 [2] But unto you that fear my name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up [frolic (NIV)/leaping (ESV)] as calves of the stall. Do Walk Libby DeLana, 2021-06-03 One morning in 2011, Libby DeLana stepped outside her New England home for a walk. She did the same thing the next day, and the next. It became a daily habit that has culminated in her walking over 25,000 miles - the equivalent of the earth's circumference. In *Do Walk*, Libby shares the transformative nature of this simple yet powerful practice. She reveals how walking each day provides

the time and space to reconnect with the world around us; process thoughts; improve our physical wellbeing; and unlock creativity. It is the ultimate navigational tool that helps us to see who we are - beyond titles and labels, and where we want to go. With stunning photography, this inspiring and reflective guide is an invitation to step outside, and see where the path takes us.

Do Purpose David Hieatt,2018-09-04 This empowering handbook delivers authoritative advice on how to build a purpose-driven company, motivate employees, and connect with consumers. Written by entrepreneur and marketing expert David Hieatt, these pages offer an engaging combination of practical tips, rousing quotes from business leaders across industries, and illuminating anecdotes. Full of enlightening wisdom on how to define a company's central purpose (beyond profit), foster a strong company culture that attracts talented staff, and develop a brand story that resonates with consumers, Do Purpose is an invaluable resource for anyone with a desire to start or grow their own business.

Do Improvise Robert Poynton,2022-10-06 Every day we deal with the unplanned and the unexpected, from a broken toaster to losing (or gaining) a major client. Our natural ability to adapt and improvise gets us through. But we feel as if we're winging it, rather than acting with courage and conviction. Robert Poynton teaches his acclaimed method to some of the world's biggest brands and companies. Now, he shows us how these improvisational skills can be applied to the everyday business of work and life. Newly updated, Do Improvise will help you to navigate the obstacles life throws at you, and recognise that uncertainty can be enjoyed, rather than endured. You will: -Become more productive without trying harder -Overcome creative blocks and generate new ideas -Respond fluidly to events beyond your control -Realise that you don't have to know everything Not sure what to do next? Improvise.

Do Unto Otters Laurie Keller,2009-09-01 Do not do to others that which would anger you if others did it to you.—Socrates (the Greek philosopher), circa 470-399 B.C. Mr. Rabbit's new neighbors are Otters. OTTERS! But he doesn't know anything about otters. Will they get along? Will they be friends? Just treat otters the same way you'd like them to treat you, advises Mr. Owl. In her smart, playful style Laurie Keller highlights how to be a good friend and neighbor—simply follow the Golden Rule! This title has Common Core connections. Do Unto Otters is a 2008 Bank Street - Best Children's Book of the Year.
