Tim O'Brien

If - Rudyard Kipling, 1918

If..., Volume 1 Evelyn McFarlane, James Saywell, 1995-10-03 In an elegant, two-color format, punctuated with intriguing drawings, *If . . .* poses hundreds of questions ranging from practical to maddening, moral to hilarious. If you could spend one whole night alone with anyone in history, whom would you choose? If you could suddenly possess an extraordinary talent in one of the arts, which would you like it to be? If you could commit one crime without being caught, what crime would you commit? If your plane were about to crash and you had time to write one quick note, to whom would you write, and what would you say? If you could run any single company, institution, or organization in the world, which would you choose? These are but a few of the five hundred provocative queries from *If . . .* (Questions for the Game of Life). *If . . .* can be a wonderful after-dinner parlor game; it can serve as an icebreaker between new acquaintances; it can even help you better understand yourself, your dreams and aspirations, and the mysteries of life. After the hours of inquisitive thoughts and revelations inspired by *If . . .* (Questions for the Game of Life), you'll wonder, "If I had never picked up this book, what would have happened to me?"

Kipling: Poems Rudyard Kipling, 2013-10-23 Beloved for his fanciful and engrossing children's literature, controversial for his enthusiasm for British imperialism, Rudyard Kipling remains one of the most widely read writers of Victorian and modern English literature. In addition to writing more than two dozen works of fiction, including *Kim* and *The Jungle Book*, Kipling was a prolific poet, composing verse in every classical form from the epigram to the ode. Kipling's most distinctive gift was for ballads and narrative poems in which he drew vivid characters in universal situations,

articulating profound truths in plain language. Yet he was also a subtle, affecting anatomist of the human heart, and his deep feeling for the natural world was exquisitely expressed in his verse. He was shattered by World War I, in which he lost his only son, and his work darkened in later years but never lost its extraordinary vitality. All of these aspects of Kipling's poetry are represented in this selection, which ranges from such well-known compositions as "Mandalay" and "If" to the less-familiar, emotionally powerful, and personal epigrams he wrote in response to the war.

If I Die in a Combat Zone Tim O'Brien, 1999-09-01
A classic from the New York Times bestselling author of *The Things They Carried* One of the best, most disturbing, and most powerful books about the shame that was / is Vietnam. —Minneapolis Star and Tribune Before writing his award-winning *Going After Cacciato*, Tim O'Brien gave us this intensely personal account of his year as a foot soldier in Vietnam. The author takes us with him to experience combat from behind an infantryman's rifle, to walk the minefields of My Lai, to crawl into the ghostly tunnels, and to explore the

ambiguities of manhood and morality in a war gone terribly wrong. Beautifully written and searingly heartfelt, *If I Die in a Combat Zone* is a masterwork of its genre. Now with Extra Libris material, including a reader's guide and bonus content.

What if Calvin Was Wrong? Billy Prewitt, Timing is everything. Nothing could be truer as it relates to John Calvin and his teaching. If Calvin had lived a century earlier, his teaching would have been swallowed up in the Catholic tradition, and he would likely be a footnote in Christian history rather than a pillar. If he had come a century later, his teaching would have faced the daunting task of shaping a movement that was already in motion. When Calvin developed his doctrine, it was the perfect time. The Western World was ready for a new theological system as it had not been since the time of Constantine. This time, however, the system was able to ride the wings of revolution that bore the historically powerful impetus of freedom from religious tyranny. But, what if Calvin was wrong? In this book, readers will learn the basics of the Calvinistic teaching of Eternal Security and the disparity between this teaching and the clear teaching of the Bible. For example: Ezekiel 18:24 says, But when the righteous turneth away from his righteousness, and committeth iniquity, and doeth according to all the abominations that the wicked man doeth, shall he live? All his righteousness that he hath done shall not be mentioned: in his

trespass that he hath trespassed, and in his sin that he hath sinned, in them shall he die. Eternal Security and Ezekiel clash at this point. What should the responsible Christian do? What about all of the Christians who have fallen into sin and even died in a backslidden state? What about all the parables that conflict with the teaching of Eternal Security? The Bible lists several sins that are capable of destroying a believer's hope in Heaven. Among those are unforgiveness and hatred. Is the answer that Eternal Security provides strong enough to overrule these Scriptural teachings? In addition, What if Calvin Was Wrong? exposes several myths that are often propagated by modern Calvinists. Many of these myths are faulty interpretations of Scripture. See how these myths stack up when evaluated in the light of the truth. The most dramatic of these myths is the teaching of modern Calvinists that suicide victims can go to Heaven. Is this true? Is it what the Bible says? What if Calvin was wrong?

If Trees Could Talk Holly Worton, 2019-04-22 All trees have a story. Holly Worton has spent the last few years talking to trees - the yews, the oaks, the beeches and the sycamores. You're probably wondering: How is it that trees can talk? Is this for real? Trees are living, breathing organisms which humans are able to connect and talk to on a deeper level through silent, telepathic communication. Trees have a much broader perspective on life compared to humans. Trees can live hundreds and even thousands of years. This means Trees have thousands of years of wisdom that we're able to tap into. Talking to the trees can bring us back to our true selves and can reflect back to us the things we need to see in ourselves. It can also be a space for deep healing. Living in the technology age, however, we spend our lives connected to computers, mobile phones, and video games. Consequently, we've

become increasingly disconnected from ourselves and from Nature. This book is meant to gently encourage you to get back to Nature and turn to the magic and the wisdom of the trees. By reconnecting to Nature, you can improve your relationship with yourself, which will help you make better, more aligned choices in your life. This book is for you if: · You love Nature and the outdoors. · You feel like there's something more to life, but you don't know what that is. · You're feeling disconnected from yourself, like your life has somehow gotten off Track. · You feel like you don't really know who you are anymore...or maybe you've never truly known yourself at all. · Life is going just fine, but you have the notion things could be much better. Throughout this book, you'll follow the author, Holly Worton on a journey of connecting on a deeper level with the wisdom of the trees. You'll hear their stories, and you'll be given a series of experiments to carry out, should you choose to do so. These will help you to connect with yourself through connecting with Nature, and they'll open you up to the deep wisdom and healing that the trees can offer. The trees will help you to get out of your head and into your body, so you can feel more deeply and truly experience all the JOY that life has to offer. They'll add a new level of richness to your life that you have never thought possible. Click here to BUY NOW and join Holly on her journey.

If She Were Dead J.P. Smith, 2020-01-07 Smith spins out a sensuous, sinuous psychological thriller that compels attention to the final line.—Booklist Amelie and Janet are in love with the same man: Janet's husband. One knows it; the other doesn't. Or does she? As bestselling novelist Amelie Ferrar knows, an affair with a married person is like a work of fiction: a kind of spy story with its rules and customs, negotiations and compromises, and many private rituals. But like any spy story, there will inevitably be a betrayal: something will slip, someone else will find out, someone may even die. As Amelie falls deeper into her obsession with the man she loves—and his wife—the line between the fiction she writes and the reality she lives begins to blur...and the twisted ending to this story is one that not even she could have seen coming.

If Life Is a Grocery Store, I Need Better Coupons Keith Johnson, 2011-02-21 "I believe that every man has the potential to pull himself from the mud of which he was created up to the highest point of stardom, to overcome the greatest of indignities, whatever may be served to him, and demonstrate the greatest of inspirational abilities, making mankind far better for his appearance on this earth, if he chooses, as brief as it may be. I believe that every man is sacred, and when he realizes his individual worth, he cannot help but strive for perfection, and though he cannot find it in his own strength, will realize that the God who made him loves him and will give him the strength he needs to overcome all tribulation and failure, that we were made to be happy and excited about our existence, and that we should live and learn to love life and embrace all it has to offer passionately, eliminating the bad and enhancing the good, for ourselves and our fellow man. It is our God-given responsibility to take this gift of life and the earth upon which we were given to live to learn to love God and our fellow man, and that our journey is solely our own, and affects all of us for the worse or the better according to the choices we make guided by our character. And whether we like it or not, all of our chosen activities affect each other, and should lift up our fellow man as sacred and special as we lift ourselves up individually, and to never forget that we are not here alone, that God is watching every step we take and every

action in our lives, and we are held in judgment for how we treat ourselves, our fellow man, and our relationship with our Heavenly Father."
