Management Of Banking And Financial Services, 2/E Suresh Padmalatha,2011-09 The dynamic banking and financial services environment in the country calls for prudent decision making under pressure. Management of Banking and Financial Services provides students and practitioners with a thorough understanding of managerial issues in the banking and financial services industry, enabling them to evaluate the overall organisational impact of their decisions. The first section of the book focuses on the basic concepts of banking and financial services, and the other sections explain how these concepts are applied in the global banking environment as well as in India. In addition to presenting the big picture of the banking and financial services industry, the book also provides useful tips on the trade-off between risk and return.

One Hundred and One Businesses You Can Start with Less Than One Thousand Dollars Heather L. Shepherd,2007 Most parents today have a tough time economically: They have to be at home raising their children so they cannot work much, and the jobs that are out there are often part-time and low paying. Yet most families need two incomes today to get ahead. Detailed in this new book are over 100 business ideas that can be started for very little money and yet may provide parents with a lot more money than they would be paid by the hour. This is a collection of businesses selected especially for stay-at-home parents who are interested in augmenting their income. These businesses can be started with minimum training and investment and are all capable of producing extra income. Starting and managing a business takes motivation and talent. It also takes research and planning. This new book is intended to serve as a roadmap for starting your business. It is both easy to use and comprehensive. Thousands of great tips and useful guidelines will help you keep bringing customers back, give you low-cost internal marketing ideas, low- and no-cost ways to satisfy customers, and sales building ideas.

Turning Points of World Transformation Marina Lebedeva,Vladimir Morozov,2022-06-17 This book explores the transformation of the political organization of the world as manifest in different spheres of world politics, in particular, in world politics, regional studies, interaction of MNCs and government agencies, and state responses to biogenic challenges. To achieve this goal, M. Lebedeva proposes the concept of a political organization of the world, which in modern conditions is in the process of transformation. The transformation of the political organization of the world is accompanied by megatrends (globalization, integration, democratization) and the opposite trends (de-globalization disintegration, dedemocratization). Interdisciplinary in nature, this book brings together scholars from Russia, the United States, and Canada, and provides a compelling perspective on the geopolitics of our time.
