**The Irresistible Revolution** Shane Claiborne, 2008-09-09 Living as an Ordinary

RadicalMany of us find ourselves caught somewhere between unbelieving activists and inactive believers. We can write a check to feed starving children or hold signs in the streets and feel like we've made a difference without ever encountering the faces of the suffering masses. In this book, Shane Claiborne describes an authentic faith rooted in belief, action, and love, inviting us into a movement of the Spirit that begins inside each of us and extends into a broken world. Shane's faith led him to dress the wounds of lepers with Mother Teresa, visit families in Iraq amidst bombings, and dump \$10,000 in coins and bills on Wall Street to redistribute wealth. Shane lives out this revolution each day in his local neighborhood, an impoverished community in North Philadelphia, by living among the homeless, helping local kids with homework, and "practicing resurrection" in the forgotten places of our world. Shane's message will comfort the disturbed, and disturb the comfortable . . . but will also invite us into an irresistible revolution. His is a vision for ordinary radicals ready to change the world with little acts of love.

Born a Crime Trevor Noah, 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Times, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father

and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.
