The White Coat Investor James M. Dahle, 2014-01 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

The Book on VA Loans Chris Birk, 2020-02-18 For 75 years, the VA loan program has helped U.S. service members and their families achieve the dream of homeownership. Today, in the wake of the subprime mortgage meltdown and ensuing foreclosure crisis, this no-down payment loan is more important than ever. VA loans have emerged as a lifeline for veterans and active duty personnel who understand their unmatched safety and buying power. The Book on VA Loans takes service members and their families on an insider's journey into VA loans, from credit scores and interest rates to the unique opportunities and challenges of this long-cherished program. Readers get insider tips and expert advice from the country's largest dedicated VA lender, Veterans United Home Loans. They also receive a buyer-friendly education in a sometimes complicated world that can trip up even seasoned real estate veterans. Featuring simple, straightforward language and voices of previous VA borrowers, this resource helps ensure service members are in the best position possible to maximize the benefits earned by their service.

Lifecycle Investing Ian Ayres, Barry Nalebuff, 2010-05 Diversification provides a well-known way of getting something close to a free lunch: by spreading money across different kinds of investments, investors can earn the same return with lower risk (or a much higher return for the same amount of risk). This strategy, introduced nearly fifty years ago, led to such strategies as index funds. What if we were all missing out on another free lunch that's right under our noses? In Lifecycle Investing, Barry Nalebuff and Ian Ayres-two of the most innovative thinkers in business, law, and economics-have developed tools that will allow nearly any investor to diversify their portfolios over time. By using leveraging when young-a controversial idea that sparked hate mail when the authors first floated it in the pages of Forbes-investors of all stripes, from those just starting to plan to those getting ready to retire, can substantially reduce overall risk while improving their returns. In Lifecycle Investing, readers will learn How to figure out the level of exposure and leverage that's right for you How the Lifecycle Investing strategy would have performed in the historical market Why it will work even if everyone does it When to adopt the Lifecycle Investing strategy Clearly written and backed by rigorous research, Lifecycle Investing presents a simple but radical idea that will shake up how we think about retirement investing even as it provides a healthier nest egg in a nicely feathered nest.

The State Small Business Credit Initiative (SSBCI) Marcus Powell, 2013 The SSBCI provides funding to states, territories, and eligible municipalities to expand existing or to create new state small business investment programs, including state capital access programs, collateral support programs, loan participation programs, loan guarantee programs, and venture capital programs. This book examines the SSBCI and its implementation, including Treasury's response to initial program audits conducted by the U.S. Government Accountability Office and Treasury's Office of Inspector General. These audits suggested that SSBCI participants were generally complying with the statute's requirements, but that some compliance problems existed, in that, the Treasury's oversight of the program could be improved; and performance measures were needed to assess the program's efficacy.

Balance of Payments Manual International Monetary Fund, 2005-11-16 The fifth edition of Balance of Payments Manual, issued in 1993, presents revised and updated standards for concepts, definitions, classifications, and conventions for compilation of balance of payments and international investment position statistics that reflect the widespread changes that have taken place in international transactions since the fourth edition was published in 1977. As the international standard, the Manual serves as a guide for IMF member countries that regularly report balance of payments data to the IMF. The Manual contains significantly expanded and restructured coverage of financial flows and stocks and international transactions in services. Harmonization with the System of National Accounts and other IMF statistical systems is also greatly increased. See also companion volumes, the Balance of Payments Compilation Guide and the Balance of Payments Textbook.

Breaking Money Silence® Kathleen Burns Kingsbury, 2017-09-15 Anyone concerned about finances—and that's just about everyone—will welcome this step-by-step guide to opening up about a difficult subject. It offers a strategy that can save money, improve relationships, and help people raise fiscally responsible children. Almost half of Americans say that the most difficult topic to discuss with loved ones is their personal finances, so much so that they would rather talk about death, politics, or religion. But what price do you pay for staying quiet? In her fifth book, Kathleen Burns Kingsbury, a wealth psychology expert with over twenty-five years of experience empowering women, couples, parents, families, and wealth advisors, provides you with the answer. This book equips you with the practical tools needed to navigate difficult conversations and future-proof your finances. Discover how to identify your thoughts and beliefs about wealth, and how doing so can help you talk more openly and honestly about money with loved ones. Acquire skills for engaging in effective dialogues with aging parents about healthcare costs, estate planning, and end-of-life issues. Learn tips for fighting fair financially with your partner, and for raising a financially literate next generation. Using Money Talk Challenges and real-life stories, Kingsbury coaches you (and your trusted advisor) to take action. You'll walk away with a roadmap for putting what you learn into practice. Breaking Money Silence is a catalyst for a money revolution leading to a more gender-savvy, financially secure, and financially literate world.

The Optometrist's Guide to Financial Freedom Aaron Neufeld, Dat Bui, 2019-10-09 Fueled by the popular and rapidly growing ODsonFinance Facebook community of Optometrists and companion website, Co-founders Drs. Dat Bui and Aaron Neufeld created this comprehensive blueprint on techniques to overcome financial obstacles facing optometry students, residents, practicing doctors and other high-earning professionals. This book strives to teach both young and experienced optometrists financial topics that were never taught in school, ranging from strategies on how to use a high-income salary to attack massive student debt, budgeting and saving for retirement, avoiding predatory advice from financial advisers, using tax strategies to save money, creating passive income, stepping into private practice ownership and how to build wealth through long-term investing in an ever-changing optometric world. Clinical anecdotes and straightforward advice will keep students and new graduates entertained page after page while teaching important financial lessons to avoid potential pitfalls. This Book will cover topics such as: The harsh reality of Optometry and finding the right optometric career for you How to save money while in school and ways to attack student debt How to save for retirement and build wealth for the future through investing and real estate Practice ownership and creating a profitable practice Insurance and tax strategies, and when to hire professional help How to create your own side hustle Praise for the The Optometrist's Guide to Financial Freedom: This is it! The guide that every single optometrist should be reading! Why weren't we taught this in school? -Dr. Angela Wong O.D An amazing high-yielding personal finance guide for doctors and other high earning professionals! Very practical and straight to the point. -Dr. Andy Vu D.D.S. I've been following Dr. Dat and Dr. Aaron online for a while now, and I couldn't wait to pick up their new book! The financial advice they give is very practical and easy to follow. This is a must-read for any health care professional who wants to manage their money more efficiently. Highly recommended! -Dr. Austin Ofreneo, O.D. The ODsonFinance guys have done a great job in teaching young doctors how to tackle the unique financial issues that plague physicians! I felt so lost and helpless before I read this and now this book is a guiding light for my future wealth-building. -Dr. Rose Wei M.D.
