*Manhattan Sunday*, 2016 *Manhattan Sunday* is part homage to a slice of New York nightlife, and part celebration of New York as palimpsest--an evolving form onto which millions of people have and continue to project their ideal selves and ideal lives. In the essay that

accompanies his photographs, Richard Renaldi describes his experiences as a young man in the late 1980s who had recently embraced his gay identity, and of finding a home in the mystery and abandonment of the club, the nightscape, and then finally daybreak, each offering a transformation of Manhattan from the known world into a dreamscape of characters acting out their fantasies on a grand stage. Drawing heavily on his personal subcultural pathways, Renaldi captures that ethereal moment when Saturday night bleeds into Sunday morning across the borough of Manhattan. This collection of portraits, landscapes, and club interiors evokes the vibrant nighttime rhythms of a city that persists in both its decadence and its dreams, despite beliefs to the contrary. *Manhattan Sunday* is a personal memoir that also offers a reflection the city's evolving identity—one that still carries with it and cherishes the echoes of its past.

**Agnes Martin: The Distillation of Color** Agnes

Martin, 2021-09-30 Exploring the evolution of Agnes Martin's sublime use of color This handsomely designed, concise volume celebrates Agnes Martin's pursuit of beauty, happiness and innocence in her nonobjective art created while living in the desert of New Mexico. From her multicolored striped works to compositions of color-washed bands defined by hand-drawn lines, to the deep gray *Black Paintings* that characterized her work in the late 1980s, Martin's treatment of color in each of these phases is examined. A particular emphasis is placed on the latter half of her career and the broadening vision that developed

during her years working in the desert, which crystalized her quest to deepen her understanding of the essence of painting, unattached to emotion or subject, yet radiant and meditative in its pure abstraction. With editorial contributions by a selection of writers whose cross-genre works span art writing, essay and memoir, this book expands an approach to Martin's paintings beyond a purely art historical lens, bringing new voices into the conversations around her career, inviting a rediscovery of her enduring legacy. An essay by author Durga Chew-Bose provides a poetic exploration of color; the writer Olivia Laing (author of *The Lonely City*) discusses the nature of solitude in her text; and Bruce Hainley uses a 1974 essay by Jill Johnston as a jumping-off point to delve into Martin's life during her years in New Mexico.

Brand speaks to those suffering along the full spectrum of addiction—from drugs, alcohol, caffeine, and sugar addictions to addictions to work, stress, bad relationships, digital media, and fame. Brand understands that addiction can take many shapes and sizes and how the process of staying clean, sane, and unhooked is a daily

activity. He believes that the question is not “Why are you addicted?” but What pain is your addiction masking? Why are you running—into the wrong job, the wrong life, the wrong person’s arms? Russell has been in all the twelve-step fellowships going, he’s started his own men’s group, he’s a therapy regular and a practiced yogi—and while he’s worked on this material as part of his comedy and previous bestsellers, he’s never before shared the tools that really took him out of it, that keep him clean and clear. Here he provides not only a recovery plan, but an attempt to make sense of the ailing world.

And it’s no surprise—tuning in to them is like listening to the funniest, smartest people you know dissect a topic and then light it on fire. Now they’ve written the most essential guide to life of this century\*, in which all the important questions are asked: How do I talk to my kids about drugs if I do them, too? What are the ethics of ghosting in a relationship? How do I bet on sports? How should I behave in jail? How much is too much to spend on sneakers? Is porn really that bad for me? As they put it: “We want to share all we’ve learned, after years in the Bronx streets, with you: the people. So with a lifetime spent building up a plethora of information from trials and

Sera is one of Krypton's soldiers: strong, dedicated, fearless. Their rule-bound society has ordained that their paths should never cross. But groundquakes are shaking the planet's surface. **A Love Offering** Jonathan Norton, 2020-04-13 Jonathan Norton holds nothing back in his latest script, which is typical... Pulling from his own childhood experiences and memories of his mother's job as an aide in a nursing home, the plot collects from a multitude of dark corners of the human experience--from racism and the systemic obstacles that seem to perpetuate the disparate disenfranchisement of black people, to elder abuse and the horrifying ravages of dementia and Alzheimer's disease.... Themes of loyalty, dignity, responsibility, and self-preservation color the center of this plot, while flanking on either side are the unnervingly subtle (and then suddenly not so subtle) forces of white fragility and white guilt driving the dramatic energy forward, and therein lies the brilliance of Norton's script. Its honest portrayal of how our perceptions and assumptions of one another can make or break any situation is sobering to say the least. And, peppered with moments of effortless hilarity and sheer, painful awkwardness, the 90-minute play needs no intermission as the pace scarcely lags for even an instant. ...The twists and surprises in the plot are fascinating to watch. Moreover, the uncomfortable truths

elicited here are laid bare with sensitivity and marked poignancy, in a manner that is seldom seen. A love offering is a tale of the most crucial kind today--an address to our differences that does not simply insist upon itself, but rather relies on the artistic and social maturity of its audience to handle the weight of its message in productive and meaningful ways. Richard Oliver, TheaterJones ...how do you describe a fast moving 90-minute play that feels like a beautiful epic poem? I don't use that term lightly, but it's rare to find a playwright that can create characters that have a past, a present and a future as well... This is one of those plays that in a seemingly simple setup bring out a tremendous depth of story, art and character development. It is a poem that we feel like we have heard somewhere before, but want to hear another stanza and then another after that.... Brian Wilson, Katy Trail Weekly ...the brilliance of Norton's play... Christopher Soden, Sharp Critic

**Life Itself** Roger Ebert, 2011-09-13 The best thing Mr. Ebert has ever written. - Janet Maslin, New York Times To make ourselves unhappy is where all crime starts. We must try to contribute joy to the world. That is true no matter what our problems, our health, our circumstances. We must try. I didn't always know this, and am happy I lived long enough to find it out. Roger Ebert is the best-known film critic of our time. He has been reviewing films for the Chicago Sun-Times since 1967, and was the first film critic ever to win a Pulitzer Prize. He has appeared on television for four decades. In 2006, complications from thyroid cancer treatment resulted in the loss of his ability to eat, drink, or speak. But with the loss of his voice, Ebert has only become a more prolific and influential writer. And now, for the first time, he tells the full, dramatic story of his life and career. In this candid, personal history, Ebert chronicles it all: his loves, losses, and obsessions; his struggle and

recovery from alcoholism; his marriage; his politics; and his spiritual beliefs. He writes about his years at the Sun-Times, his colorful newspaper friends, and his life-changing collaboration with Gene Siskel. He shares his insights into movie stars and directors like John Wayne and Martin Scorsese. This is a story that only Roger Ebert could tell. Filled with the same deep insight, dry wit, and sharp observations that his readers have long cherished, this is more than a memoir -- it is a singular, warm-hearted, inspiring look at life itself.
