Secrets of the Purple Star Astrology Eugene Lee,2011-09-01 This would be the first and only book in English that reveals the secrets of the ancient Chinese Star astrology known as the Purple Star astrology. The Chinese royalty kept this knowledge secret and banned from being taught outside of the palace because of its uncanny accuracy. This powerful Purple Star astrology system which has been developed over a few thousand years and which the Chinese emperors relied in managing the state affairs was largely lost during the communist cultural revolution. But Eugene Lee meticulously has researched and brought back this guarded Chinese ancient knowledge to the English speakers. This would be be the first complete book to teach readers to decipher not only their own fate but also to predict future events for others using the Purple Star astrology. This is the only book that explains the science behind the Purple Star astrology and I Ching. By studying this book meticulously, you can become a Chinese astrologer who can use the same knowledge that guided the Chinese dynasties. This book is a great text book for not only students of astrology but also for anyone who is interested in the Asian history and the ancient Chinese metaphysics.
