*Beyond Charlottesville: Taking a Stand Against White Nationalism* Terry McAuliffe,2019-07-30 THE INSTANT NEW YORK TIMES BESTSELLER  
The former governor of Virginia tells the behind-the-scenes story of the violent “Unite the Right” rally in Charlottesville—and shows how we can prevent other Charlottesvillees from happening. When Governor Terry McAuliffe hung up the phone on the afternoon of the violent “Unite the Right” rally in Charlottesville, he was sure Donald Trump would do the right thing as president: condemn the white supremacists who’d descended on the college town and who’d caused McAuliffe to declare a state of emergency that morning. He didn’t. Instead Trump declared there was “hatred, bigotry and violence on many sides.” Trump was condemned from many sides himself, even by many Republicans, but the damage was done. He’d excused and thus egged on the terrorists at the moment when he could have stopped them in their tracks. In *Beyond Charlottesville*, McAuliffe looks at the forces and events that led to the tragedy in Charlottesville, including the vicious murder of Heather Heyer and the death of two state troopers in a helicopter accident. He doesn’t whitewash Virginia history and discusses a KKK protest over the removal of a statue of Robert E. Lee. He takes a hard real-time behind-the-scenes look at the actions of everyone on that fateful August 12, including himself, to see what could have been done. He lays out what was done afterwards to prevent future Charlottesvillees—and what still needs to be done as America in general and Virginia in particular continue to grapple with their history of racism. *Beyond Charlottesville* will be the definitive account of an infamous chapter in our history, seared indelibly into memory, sure to be cited for years as a crucial reference point in the long struggle to fight racism, extremism and hate.

**Moon-face and Other Stories** Jack London, 1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided

the material for his works, and made him a socialist. The son of the Wolf (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, The Call of the Wild (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including The Sea-Wolf (1904), White Fang (1906), South Sea Tales (1911), and Jerry of the South Seas (1917). One of London's most interesting novels is the semi-autobiographical Martin Eden (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

*How Is It Love?* Simran Mittal, 2022-03-11 How Is It Love? is Simran's first professionally published book which explores the themes of

contemporary love stories set in Indian states and Utah to the strained family ties of the modern era. The five short stories raise the issues of how family background impacts the lives of people in the long run which makes them vulnerable to violence, abuse and insecurities. Hidden in the layers of love and romance, the focus is on how love beyond gender, age and caste, self-love, and firm determination become the indispensable elements of healing others and oneself. Besides, another theme highlighted, stemming from mental health issues, is self-harm by a male character to show that men suffer too. The last story in the collection is not the representation of the usual terrorist activities that people come across in society, but it shows how some events make a teenager turn into a body thirsty for blood and vengeance.
