The Fifth Science Exurb1a, 2019-02-13 The Galactic Human Empire was built atop four sciences: logic, physics, psychology, and sociology. Standing on those pillars, humans spent 100,000 years spreading out into the galaxy: warring, exploring, partying -- the usual. Then there was the fifth science. And that killed the empire stone dead. The Fifth Science is a collection of 12 stories, beginning at the start of the Galactic Human Empire and following right through to its final days. We'll see some untypical things along the way, meet some untypical folk: galactic lighthouses from the distant future, alien tombs from the distant past, murderers, emperors, archaeologists and drunks; mad mathematicians attempting to wake the universe itself up. And when humans have fallen back into savagery, when the secrets of space folding and perfect wisdom are forgotten, we'll attend the empire's deathbed, hold its hand as it goes. Unfortunately that may well only be the beginning.

Manhattan Sunday, 2016 Manhattan Sunday is part homage to a slice of New York nightlife, and part celebration of New York as palimpsest--an evolving form onto which millions of people have and continue to project their ideal selves and ideal lives. In the essay that accompanies his photographs, Richard Renaldi describes his experiences as a young man in the late 1980s who had recently embraced his gay identity, and of finding a home in the mystery and abandonment of the club, the nightscape, and then finally daybreak, each offering a transformation of Manhattan from the known world into a dreamscape of characters acting out their fantasies on a grand stage. Drawing heavily on his personal subcultural pathways, Renaldi captures that ethereal moment when Saturday night bleeds into Sunday morning across the borough of Manhattan. This collection of portraits, landscapes, and club interiors evokes the vibrant nighttime rhythms of a city that persists in both its decadence and its dreams, despite beliefs to the contrary. Manhattan Sunday is a personal memoir that also offers a reflection the city's evolving identity--one that still carries with it and cherishes the echoes of its past.

New York City Tattoo Michael McCabe, 2013-09-25 Hardy Marks Publications proudly announces the reissue of the classic and long out of print book New York City Tattoo. First published in 1997, it consists of in-depth, profusely illustrated interviews with the primary tattooers working in New York City prior to the ban on tattooing that went into effect in 1961 and lasted for 36 years. Cultural historian Michael McCabe, America's pre-eminent chronicler of tattoo history, gained the confidence of the small, hermetic community of people working in the wild old days when tattooing was a marginalized practice. This is a passionate, personal record full of amazing rough and tumble stories from a distant era, light years away from tattooing's current popularity and acceptance. New York City Tattoo has been expanded to 144 pages, with even more stunning visuals, a revised author's foreword, and added text about where the tattooers are now.

Behind Photographs Tim Mantoani, Mark Murphy, 2012 Behind Photographs began as the personal quest of photographer Tim Mantoani to document and preserve noted photographers together with their images. We have come to a point in history where we are losing both photographic recording mediums photographic recording mediums and iconic photographers, Mantoani comments. While many people are familiar with iconic photographs, the

general public has no idea of who created them. This book became a means to do that, the photographer and their photograph in one image.-- Publisher's website, <https://www.channelphotographics.com/behdinphotographs.php>, viewed February 6, 2012.

Saved by a Song Mary Gauthier, 2021-07-06 A handbook for compassion... a Must-Read Music Book." —Rolling Stone Country Generous and big-hearted, Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of *I Know This Much Is True* Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

The Wings of the Sphinx Andrea Camilleri, 2009-12-29 "You either love Andrea Camilleri or you haven't read him yet. Each novel in this wholly addictive, entirely magical series, set in Sicily and starring a detective unlike any other in crime fiction, blasts the brain like a shot of pure oxygen. Aglow with local color, packed with flint-dry wit, as fresh and clean as Mediterranean seafood — altogether transporting. Long live Camilleri, and long live Montalbano." A.J. Finn, #1 New York Times bestselling author of *The Woman in the Window* Things are not going well for Inspector Salvo Montalbano. His relationship with Livia is once again on the rocks and—acutely aware of his age—he is beginning to grow weary of the endless violence he encounters. Then a young woman is found dead, her face half shot off and only a tattoo of a sphinx moth giving any hint of her identity. The tattoo links her to three similarly marked girls—all victims of the underworld sex trade—who have been rescued from the Mafia night-club circuit by a prominent Catholic charity. The problem is, Montalbano's inquiries elicit an outcry from the Church and the three other girls are all missing.

The Road Cormac McCarthy, 2007-03-20 WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is

the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, each the other's world entire, are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

The Circle Dave Eggers, 2013-10-08 INTERNATIONAL BESTSELLER • A bestselling dystopian novel that tackles surveillance, privacy and the frightening intrusions of technology in our lives—a “compulsively readable parable for the 21st century” (Vanity Fair). When Mae Holland is hired to work for the Circle, the world’s most powerful internet company, she feels she’s been given the opportunity of a lifetime. The Circle, run out of a sprawling California campus, links users’ personal emails, social media, banking, and purchasing with their universal operating system, resulting in one online identity and a new age of civility and transparency. As Mae tours the open-plan office spaces, the towering glass dining facilities, the cozy dorms for those who spend nights at work, she is thrilled with the company’s modernity and activity. There are parties that last through the night, there are famous musicians playing on the lawn, there are athletic activities and clubs and brunches, and even an aquarium of rare fish retrieved from the Marianas Trench by the CEO. Mae can’t believe her luck, her great fortune to work for the most influential company in the world—even as life beyond the campus grows distant, even as a strange encounter with a colleague leaves her shaken, even as her role at the Circle becomes increasingly public. What begins as the captivating story of one woman’s ambition and idealism soon becomes a heart-racing novel of suspense, raising questions about memory, history, privacy, democracy, and the limits of human knowledge.
