I Got the Christmas Spirit Connie Schofield-Morrison,2018-09-04 In the same feel-good style of I Got the Rhythm, this exuberant picture book explores the joys of the holiday season, once again illustrated by award-winning artist Frank Morrison. It's the most wonderful time of the year, and a mother and daughter are enjoying the sights and sounds of the holiday season. The little girl hears sleigh bells ringing and carolers singing. She smells chestnuts roasting--CRUNCH! CRUNCH! CRUNCH!--and sees the flashing lights of the department store windows--BLING! BLING! BLING! She spreads the spirit of giving wherever she goes. The Christmas Spirits on Tradd Street Karen White,2021-09-28 The Christmas spirit is overtaking Tradd Street with a vengeance in this festive new novel in the New York Times bestselling series by Karen White. Melanie Trenholm should be anticipating Christmas with nothing but joy—after all, it’s only the second Christmas she and her husband, Jack, will celebrate with their twin toddlers. But the ongoing excavation of the centuries-old cistern in the garden of her historic Tradd Street home has been a huge millstone, both financially and aesthetically. Local students are thrilled by the possibility of unearthing more Colonial-era artifacts at the cistern, but Melanie is concerned by the ghosts connected to it that have suddenly invaded her life and her house—and at least one of them is definitely not filled with holiday cheer.... And these relics aren’t the only precious artifacts for which people are searching. A past adversary is convinced there is a long-lost Revolutionary War treasure buried somewhere on the property Melanie inherited—untold riches rumored to have been brought over from France by the Marquis de Lafayette himself and intended to help the Colonial war effort. It’s a treasure literally fit for a king, and there have been whispers throughout history that many have already killed—and died—for it. And now someone will stop at nothing to possess it—even if it means destroying everything Melanie and Jack hold dear.

American Christmas Danelle Manthey,2020-08-15 American Christmas is a new book by photographer Danelle Manthey that examines Christmas displays, and the people behind them, through the lens of American folk art. Through portraits and interviews, the book features the stories of over 40 families and individuals across 12 states. It includes text by Marlene Friis, a foreword from Rebecca Alban Hoffberger, Founder and Director of the American Visionary Art Museum and an introduction by Mark Sloan, Curator and Chief Director of the Halsey Institute of Contemporary Art.Over the course of a decade, Manthey photographed, interviewed and spent time with the creators of these displays, quickly coming to recognize them as folk artists. Entirely self-taught, the creators often do not view themselves as artists, yet create visceral, site-specific installations that should be recognized for their transcendent, highly skilled craft. Many of the selected displays feature region-specific motifs as well as handmade decorations. This tendency, coupled with the traditional imagery and decorative nature of the displays, situates the work as a form of contemporary American folk art. Many of the featured individuals and families seem driven to create utopian spaces through their displays, which is a common theme among folk artists. The truly amazing thing about these American grassroots artists, all of whom became bitten by the pine-scented Christmas bug, lies in the diversity of their motivations, explains Rebecca Alban Hoffberger, Founder and Director of the American Visionary Art Museum. Through the act of photographing the displays, Manthey enshrines them as a distinct art form. Where many would diminish the works as decorative cheer, Manthey looks beyond to reveal the innovation and commitment that grounds all great art. Along with making these themes accessible to a non-art audience, she succeeds in sharing the community and joy these works are founded on-something that is much needed in our current world.
