Deer in Headlights Staci Hart,2013-03-14 What do the gods do when they're bored? Because they're always bored, and humans are the perfect players in their games.Aphrodite owns love; she hasn't lost a competition on her turf in over three millennia. Apollo is on a mission to win. He's counting on it to finally get the one woman he's never been able to have. The two gods will choose their human players, and if Dita can't get them together before the clock runs out, Apollo will get his way. And Dita couldn't have that.Lex and Dean are perfect for each other, they just don't know it yet. Dean is a perpetual bachelor, and a brooding, beautiful rock star. Lex is always with a man, but she'll never fully give herself up. Dita has her work cut out for her, but if she can't make it work, no one can.The gods have their own drama. Apollo killed Dita's mortal love - they've got beef that's been dragging on for thousands of years. Ares, the douchebag, is forever trying to pick a fight, and trying to get Dita into bed. And Persephone, Dita's best friend, is the one person who Dita shares everything with.Follow the gods as they fight, laugh, cry, lose love, gain power, and make a mess with humans.

Ancient Lamps in the J. Paul Getty Museum J. Paul Getty Museum,Jean Bussière,Birgitta Wohl,2017-09-30 In the collection of the J. Paul Getty Museum are more than six hundred ancient lamps that span the sixth century BCE to the seventh century CE, most from the Roman Imperial period and largely created in Asia Minor or North Africa. These lamps have much to reveal about life, religion, pottery, and trade in the ancient Graeco-Roman world. Most of the Museum's lamps have never before been published, and this extensive typological catalogue will thus be an invaluable scholarly resource for art historians, archaeologists, and those interested in the ancient world. Reflecting the Getty's commitment to open content, Ancient Lamps in the J. Paul Getty Museum is available online at <http://www.getty.edu/publications/ancientlamps> and may be downloaded free of charge in multiple formats, including PDF, MOBI/Kindle, and EPUB, and features zoomable images and multiple views of every lamp, an interactive map drawn from the Ancient World Mapping Center, and bibliographic references. For readers who wish to have a bound reference copy, a paperback edition has been made available for sale.

Virgil, Aeneid, 4.1-299 Ingo Gildenhard,2012 Love and tragedy dominate book four of Virgil's most powerful work, building on the violent emotions invoked by the storms, battles, warring gods, and monster-plagued wanderings of the epic's opening. Destined to be the founder of Roman culture, Aeneas, nudged by the gods, decides to leave his beloved Dido, causing her suicide in pursuit of his historical destiny. A dark plot, in which erotic passion culminates in sex, and sex leads to tragedy and death in the human realm, unfolds within the larger horizon of a supernatural sphere, dominated by power-conscious divinities. Dido is Aeneas' most significant other, and in their encounter Virgil explores timeless themes of love and loyalty, fate and fortune, the justice of the gods, imperial ambition and its victims, and ethnic differences. This course book offers a portion of the original Latin text, study questions, a commentary, and interpretative essays. Designed to stretch and stimulate readers, Ingo Gildenhard's incisive commentary will be of particular interest to students of Latin at both A2 and undergraduate level. It extends beyond detailed linguistic analysis to encourage critical engagement with Virgil's poetry and discussion of the most recent scholarly thought.

Born a Crime Trevor Noah,2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! A “brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected hereare by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

On Religion Considered in Its Source, Its Forms, and Its Developments Benjamin Constant,2017 Constant (1767-1830) regarded On Religion, worked on over the course of many years, as perhaps his most important philosophical work. He called it the only interest, the only consolation of my life, and the book that I was destined by nature to write. On Religion is essential reading and of interest for many reasons. As an analysis of humanity's religious experience, the work is notable for its methodology. Unlike previous writers with dogmatic commitments, whether theological or philosophical, Constant aimed to work with well-established facts and to relate religious forms to their historical contexts and civilizational developments. In this way, he was a precursor of the scientific study of religion. This work demonstrates that principled liberalism can turn a sympathetic as well as analytic eye toward religion, and in an unbegrudging way find an important place for it in free society. There are signs that this is a lesson that contemporary liberalism would do well to relearn.

On Unbelievable Tales Jacob Stern,1996-01-01 On Unbelievable Tales is an early effort to rationalize oft-told tales of the heroes and monstrous creatures of Greek

mythology. Palaephatus, a contemporary of Aristotle, sought to reinforce belief in the historicity of ancient heroes by tracing the evolution of actual events into legendary and mythological accounts. This dual-language edition features introduction with in-depth examination of the work and history of Palaephatus, the first available English translation, notes on the ancient sources for over 40 tales, and notes and Greek text from the Teubner 1902 edition.

Tempest Tost Robertson Davies, 2019-04-23 With a sure comic touch, Davies assembles his cast of characters and lets them make fools of themselves . . . in the best Shakespearean tradition.-The Emerald City Book Review Weaving a tapestry of wonderfully developed characters, smoldering rivalries, and witty satire, Robertson Davies introduces the first book in the Salterton Trilogy. An amateur production of *The Tempest* provides a colorful backdrop for a hilarious look at unrequited love. Mathematics teacher Hector Mackilwraith, stirred and troubled by Shakespeare's play, falls in love with the beautiful heiress Griselda Webster. When Griselda shows she has plans of her own, Hector despairs on the play's opening night. High comedy with a spice of satire to give it savor.-Montreal Gazette An exercise in puckish persiflage.-Toronto Star Hilarious, satirical, witty and clever.-Edmonton Journal By turns humorous and sympathetic, Davies shows us that he knows his stuff, even in this, his first book.-AllReaders.com It would not be a bad thing for more writers to read and be inspired by Davies's example of intelligent, emotionally resonant fiction, or for more readers to discover its pleasures.-The Emerald City Book Review

Opera in Seventeenth-Century Venice Ellen Rosand, 2007-10-09 In this elegantly constructed study of the early decades of public opera, the conflicts and cooperation of poets, composers, managers, designers, and singers—producing the art form that was soon to sweep the world and that has been dominant ever since—are revealed in their first freshness.—Andrew Porter This will be a standard work on the subject of the rise of Venetian opera for decades. Rosand has provided a decisive contribution to the reshaping of the entire subject. . . . She offers a profoundly new view of baroque opera based on a solid documentary and historical-critical foundation. The treatment of the artistic self-consciousness and professional activities of the librettists, impresarios, singers, and composers is exemplary, as is the examination of their reciprocal relations. This work will have a positive effect not only on studies of 17th-century, but on the history of opera in general.—Lorenzo Bianconi
