Edwin Silberstang

Casino Nicholas Pileggi, 2016-10-18 The true story behind the Martin Scorsese film: A “riveting . . . account of how organized crime looted the casinos they controlled” (Kirkus Reviews). Focusing on Chicago bookie Frank “Lefty” Rosenthal and his partner, Anthony Spilotro, and drawing on extensive, in-depth interviews, the #1 New York Times–bestselling author of the Mafia classic Wiseguy—basis for the film Goodfellas—Nicholas Pileggi reveals how the pair worked together to oversee Las Vegas casino operations for the mob. He unearths how Teamster pension funds were used to take control of the Stardust and Tropicana and how Spilotro simultaneously ran a crew of jewel thieves nicknamed the “Hole in the Wall Gang.” For years, these gangsters kept a stranglehold on Sin City’s brightly lit nightspots, skimming millions in cash for their bosses. But the elaborate scheme began to crumble when Rosenthal’s disproportionate ambitions drove him to make mistakes. Spilotro made an error of his own, falling for his partner’s wife, a troubled showgirl named Geri. It would all lead to betrayal, a wide-ranging FBI investigation, multiple convictions, and the end of the Mafia’s longstanding grip on the multibillion-dollar gaming oasis in the midst of the Nevada desert. Casino is a journey into 1970s Las Vegas and a riveting nonfiction account of the world portrayed in the Martin Scorsese film of the same name, starring Robert DeNiro, Joe Pesci, and Sharon Stone. A story of adultery, murder, infighting, and revenge, this “fascinating true-crime Mob history” is a high-stakes page-turner (Booklist).

Super Casino Pete Earley, 2009-11-04 In this lively and probing book, award-winning author Pete Earley traces the extraordinary evolution of Las Vegas -- from the gaudy Mecca of the Rat Pack era to one of the country's top

family vacation spots. He revisits the city's checkered history of moguls, mobsters, and entertainers, reveals the real stories of well-known power brokers like Steve Wynn and legends like Howard Hughes and Bugsy Siegel, and offers a fascinating portrait of the life, death, and fantastic rebirth of the Las Vegas Strip. Earley also documents the gripping tale of the entrepreneurs behind the rise and fall and rise again of one of the largest gaming corporations in the nation, Circus Circus -- to which he was given unique access. In his trademark you-are-there style, he takes us behind the scenes to meet the blackjack dealers and hookers, the heavy hitters and bit players, the security officers, cabbies, and showgirls who are caught up in the mercurial pace that pulses at the heart of this astounding city.

Casino Craps Frank Scoblete, 2010-05 The most comprehensive craps book ever written, this is the book that gives readers everything needed to get a real, verifiable edge at the game of craps. The authors, two of the greatest living dice controllers, share, in words and pictures, their secret Golden Touch technique and give the edge needed to beat the house. Readers will learn several keys to winning craps, including how the game is really played, how to develop a Golden Touch controlled throw, which are the best and worst bets and buy bets, how to reduce the hit of the house edge by using the five count, how to push the casino to give a better game than advertised, how to set the dice to reduce or increase the appearance of different numbers, and how to judge what a real edge means.

Casino Nicholas Pileggi, 2015-08-13 The Stardust... The Fremont... The Marina. They ran them all. And they lost. Big time. No one knew more about casinos than Frank 'Lefty' Rosenthal, the gambling mastermind who, along

with his best friend and partner, Anthony 'the Ant' Spilotro, virtually ran Las Vegas for the mob. For years it was the perfect arrangement – Lefty provided the smarts, while Tony kept the bosses happy with weekly suitcases filled with millions in skimmed cash. It should have lasted forever but Lefty's obsessions with running the town – and Tony's obsession with Lefty's beautiful showgirl wife, Geri – eventually led to betrayals and investigations that exploded into one of the greatest scandals in mob history. Casino is the shattering inside account of how the mob finally lost its stranglehold on Las Vegas, the neon money-making machine it had created.

The Casino Answer Book John Grochowski,1998 In casino gambling there's a house advantage built into every game. John Grochowski shows you how to beat that advantage and increase your winning odds in three of the most popular casino games (blackjack, video poker, and roulette).

Suburban Xanadu David G. Schwartz,2003 Institution. Remarkably detailed and entertaining, Suburban Xanadu tells us a great deal about popular leisure in America, and why the suburban ideal has become so dominant in our social life. Book jacket.

Gambling on the American Dream James R Karmel,2015-10-06 Provides a historical perspective for understanding the exponential growth of casinos in the United States since 1990, by telling the story of Atlantic City, New Jersey since the 1970s. This work uses oral history to focus on the human stories of the region in addition to the broader story of economic and social impacts.

Stripping Las Vegas Karin Jaschke,Silke Ötsch,2003
Casino Gamble Talk: The Language Of Gambling And The New Casino Game Victor H Royer,2014-08-26 Discover

The Gambling Secrets That Every Pro Knows The 21st-century casino is a high-tech, fast-paced world complete with its own peculiar language and rules. Do you know the difference between a boxman and boxcars? How about when to scratch and when to stand, and what a puck is? (Hint: it has nothing to do with hockey.) In this updated, indispensable guide, gambling columnist and consultant Victor H. Royer reveals everything you need to know about modern gambling—from the terminology and slang that's integral to casino play to profiles of the new table games, slots, progressives, multi-link, multi-game, and video poker machines. Casino Gamble Talk provides all the tools you need to maximize your gaming enjoyment—and increase the odds in your favor. Discover: How to parlay like a pro New games and eTable games Valuable tips on novelty table games such as Let It Ride, Pai Gow Poker, and Caribbean Stud How to get comps (free rooms, food, and tickets to shows) Which games offer the best odds—and how to play them to your best advantage Insider secrets of classic casino games, such as Blackjack, Craps, Roulette, Mini-Baccarat, and Big Board Keno And much, much more Here is an essential gambling resource that shows you how to have the most fun for the least amount of risk, and walk out a winner every time. 95,000 Words

Casino Operations Management Jim Kilby, Jim Fox, Anthony F. Lucas, 2006-06-12 Complete guidance to the ins and outs of gaming operations Management personnel need a thorough understanding of the business side of the casino industry to ensure profits???and to avoid losses. It's a sure bet that Casino Operations Management, Second Edition will help current and future gaming management professionals better serve any casino. Written by experts with over 65 years of combined experience in the field, this Second Edition offers all the critical skills

and know-how to equip gaming and casino operators with the knowledge needed for the management office, cage operations, and table game and slot operations. This updated edition features detailed coverage of: Current high-roller marketing tactics and their effect on profitability The effect of popular money management systems on casino profits The initial development process of an Indian casino Studies designed to identify the patronage motives of gamblers, including those of riverboat customers Slot club design: player rating issues, point accumulation schemes, and more Principles of casino floor design: managing table game and slot location Studies designed to measure the profit contribution of popular slot promotions Casino Operations Management, Second Edition uses simplified mathematics and statistics throughout, and provides readers with a thorough understanding of all aspects of the casino industry business. It is a must-have reference for students and casinos that develop managers internally.

The Winner's Guide to Casino Gambling Edwin Silberstang, 2005-04 The definitive guide to the best strategies at the gambling table-now in a fully revised and updated fourth edition Long recognized as the gambler's bible, *The Winner's Guide to Casino Gambling* has been completely revised and expanded to include new rules and strategies for every major game in the casino, including several popular new ones. This entirely updated fourth edition remains the most authoritative and comprehensive book in its field, bringing gambling expert Edwin Silberstang's professional secrets and expertise into the twenty-first-century casino. *The Winner's Guide to Casino Gambling* can literally replace a shelf full of guides to individual games-each chapter is a book of its own. Silberstang shows readers - the best strategies to beat

multiple-deck blackjack, including simple but powerful card-counting methods - how to exploit the free-odds wager in craps to minimize the house edge - ways to win at the most popular video poker games - the secrets to the new casino games, such as Three Card Poker and Let It Ride® - what games to play where for the best odds o a winning approach to thinking as a gambler, worth the cost of the entire book

Governing Fortune Ernest P. Goss,Edward A. Morse,2009-12-22 Written by a lawyer and an economist, *Governing Fortune* summarizes the legal framework supporting the gaming industry and reviews the costs and benefits of casinos by showing how tax base and job growth vary widely with site-specific factors. The book sets forth an innovative proposal for the licensing of gamblers as a means to balance the liberty interests of individuals against the social costs generated from problem gambling behavior. Morse and Goss offer both regional and sector comparisons of the gaming industry and accessible data about every aspect of the gaming environment, including the impact of gambling on economic and social environments. Goss and Morse provide an outstandingly sound economic understanding of the function and place of casinos in American society, including essential heretofore unavailable grounding in the legal issues that the book accomplishes remarkably effectively. Moreover, this wealth of economic and legal information is transmitted in an engaging and readable manner. Scholarly, thoughtfully collected and authoritative, the book is of interest to any learner of the gambling industry, including students, civic activists, legislators, and scholars. — Earl Grinols, Baylor University In this book, Morse and Goss make important contributions to our understanding of the negative outcomes of the expansion of gambling in America. — Jon

Bruning, Nebraska Attorney General Edward A. Morse is Professor of Law and holder of the McGrath North Mullin & Kratz Endowed Chair in Business Law at Creighton University School of Law. Ernest P. Goss is Professor of Economics and MacAllister Chair at Creighton University and was a 2004 scholar-in-residence with the Congressional Budget Office.

Dummy Up And Deal H. Lee Barnes, 2002-08-01 The glitter and excitement that tourists associate with casinos is only a facade. To the gaming industry's front-line employees, its dealers, the casino is a far less glamorous environment, a workplace full of emotional tension, physical and mental demands, humor and pathos. Author H. Lee Barnes, who spent many years as a dealer in some of Las Vegas's best-known casinos, shows us this world from the point of view of the table-games dealer. Told in the voices of dozens of dealers, male and female, young and old, *Dummy Up and Deal* takes us to the dealer's side of the table. We observe the breaking in that constitutes a dealer's training, where the hands learn the motions of the game while the mind undergoes the requisite hardening to endure long hours of concentration and the demands of often unreasonable and sometimes abusive players. We discover how dealers are hired and assigned to shifts and tables, how they interact with each other and with their supervisors, and how they deal with players—the winners and the losers, the Sweethearts and the Dragon Lady, the tourists looking for a few thrills and the mobsters showing off their juice. We observe cheaters on both sides of the table and witness the exploits of such high-rollers as Frank Sinatra and Colonel Parker, Elvis's manager. And we learn about the dealers' lives after-hours, how some juggle casino work with family responsibilities while others embrace the bohemian lifestyle of the Strip and sometimes

lose themselves to drugs, drink, or sex. It's a life that invites cynicism and bitterness, that can erode the soul and deaden the spirit. But the dealer's life can also offer moments of humor, encounters with generous and kindly players, moments of pride or humanity or professional solidarity. Barnes writes with the candor of a keen observer of his profession, someone who has seen it all—many times—but has never lost his capacity to wonder, to sympathize, or to laugh. *Dummy Up and Deal* is a colorful insider's view of the casino industry, a fascinating glimpse behind the glitter into the real world of the casino worker.

Beat the Casino Frank Barstow, 1990-02

The Casino, Card and Betting Game Reader Mark R. Johnson, 2021-12-30 Casino games and traditional card games have rich and idiosyncratic histories, complex subcultures and player practices, and facilitate the flow of billions of dollars each year through casinos and card rooms, and between professional players and amateurs. They have nevertheless been overlooked by game scholars due to the negative ethical weight of “gambling” – with such games pathologized and labelled as deviance or mental illness, few look beyond to unpick the games, their players, and their communities. *The Casino, Card and Betting Game Reader* offers 25 chapters studying the communities playing these games, the distinctive cultures and practices that have emerged around them, their activities and beliefs and interpersonal relationships, and how these games influence – both positively and negatively – the lives and careers of millions of game players around the world. It is the first of a new series of edited collections, *Play Beyond the Computer*, dedicated to exploring the play of games beyond computers and games consoles.

Casino Shrine ,

The Global Casino Nick Middleton, 2013-07-18

The *Global Casino* is an introduction to environmental issues which deals both with the workings of the physical environment and the political, economic and social frameworks in which the issues occur. Using examples from all over the world, the book highlights the underlying causes behind environmental problems, the human actions which have made them issues, and the hopes for solutions. It is a book about the human impact on the environment and the ways in which the natural environment impacts human society. The fifth edition has been fully revised and updated throughout, with new case studies, figures, and online resources such as downloadable figures and tables from the text and multiple choice questions for students, accessible at: www.routledge.com/cw/middleton. New topics covered in extended boxed case studies include payment for environmental services, ocean acidification, biofuels in Brazil, waste reduction through industrial symbiosis, and the long-term impact of natural disasters on vulnerable groups. Other approaches and concepts covered for the first time in this new edition include traditional ecological knowledge, environmental justice, the 'resource curse', and urban biodiversity. Eighteen chapters on key issues follow three initial chapters which outline the background contexts of the physical and human environments and the concept of sustainable development. Each chapter provides historical context for key issues, outlines why they have arisen, and highlights areas of controversy and uncertainty to appraise how issues can be resolved both technically and in political and economic frameworks. Each chapter also contains an updated critical guide to further reading and websites, as well as discussion points and essay questions. The text can be read

in its entirety or individual chapters adopted as standalone reading. The Global Casino is an essential resource for students of the environment, geography, earth sciences and development studies. It provides comprehensive and inspirational coverage of all the major global environmental issues of the day in a style that is clear and critical.

Casino Craps for the Winner Avery Cardoza, The best-selling classic has sold over 500,000 copies! Players no longer need to be intimidated by this game. Cardoza offers a comprehensive and easy-to-understand book for both beginning players new to the game and experienced players looking for the maximum edge possible.
