More Than a Hobby David Green,2010-07-26 The retail industry has undergone enormous changes during the last thirty years. But there is one retailer that not only has remained consistent in the fluctuating?even tenuous?market, but also has grown in the process. More Than a Hobby takes you inside the story of David Green, the man who built the phenomenal success of Hobby Lobby. Green went beyond surviving in a competitive retail market to thriving, ultimately expanding his \$600 start-up company into a \$1.3 billion per-year enterprise. Green's incredible accomplishments were based not on business-school theory but on his grassroots experiences as a store manager and his creative application of cutting edge ideas, including: Allow managers to spend no more than thirty minutes per day on paperwork Instead of paying a middleman, assemble as much of the product as possible in-house Give buyers the freedom to purchase without restraint—but within the realm of common sense Keep God and family first More Than a Hobby is a practical field manual, filled with revolutionary ideas for all those who dream of success in the world of retail business.

Many times we are bored because we have become too inactive. If this is your problem, you might like a sports hobby. Have you ever tried tennis? How about golf? Many people love bowling until it becomes an integral part of their lives. Sports hobbies get you out of the house and often are a way to make friends with others. Then again, some active pursuits can be enjoyed in our own homes, such as weight lifting and doing aerobic dance to a video. This ebook reveals everything you need to know.

especially when he wasn't groomed for this work either by heritage or by education? Green was willing to go against the tide, allowing faith to play a huge part in the business. World's Best Hobby Dave Bell, W6AQ,2014-05 World's Best Hobby is an unusual title for a memoir, which is exactly what this book is. It's my life in the fascinating hobby of Amateur Radio. Much of my professional life is spent producing documentary and reality programs for television (including more than a few about Ham Radio) where I learned that the purpose of a title is to attract an audience and if it was also true, all the better. The challenge with documentary films is to make them entertaining first and foremost, and informational if possible. I've tried very hard to make this book entertaining, and from feedback I've gotten (from Hams and wannabee Hams who found it posted online as I was writing it) I've succeeded, at least to some extent. I tried to make the book fun because Ham Radio is fun. And Ham Radio has more facets than a cheap diamond, as you'll discover as you dig into World's Best Hobby. Enjoy! PS. Let me know what you think of World's Best Hobby - especially if you like it. 73, Dave Bell, W6AQ
