A Kids Book About Belonging Kevin Carroll,2023-09-05 A clear explanation of what belonging is, and how to accept and understand who you are. This is a kids book about belonging. It tackles what it's like when you feel like you belong to a group or family or team, and what it's like when you don't. It addresses what it feels like when you don't fit in, or when it may feel like others don't want you around. This book teaches kids aged 5-9 how to incorporate the feeling of belonging into their lives. The feeling of belonging is something that everyone strives for, which is why it's important to know how to belong to yourself and love who you are, and how that helps you to belong anywhere. A Kids Book About Belonging features: - A large and bold, yet minimalist font design that allows kids freedom to imagine themselves in the words on the pages. - A friendly, approachable, yet empowering, kid-appropriate tone throughout. - An incredible and diverse group of authors in the series who are experts or have first-hand experience of the topic. Tackling important discourse together! The A Kids Book About series are best used when read together. Helping to kickstart challenging, empowering, and important conversations for kids and their grownups through beautiful and thought-provoking pages. The series supports an incredible and diverse group of authors, who are either experts in their field, or have first-hand experience on the topic. A Kids Co. is a new kind of media company enabling kids to explore big topics in a new and engaging way. With a growing series of books, podcasts and blogs, made to empower. Learn more about us online by searching for A Kids Co.

A Kids Book About Racism Jelani Memory,2023-07-04 A clear explanation of what racism is and how to recognize it when you see it. As tough as it is to imagine, this book really does explore racism. But it does so in a way that's accessible to kids. Inside, you'll find a clear description of what racism is, how it makes people feel when they experience it, and how to spot it when it happens. Covering themes of racism, sadness, bravery, and hate. This book is designed to help get the conversation going. Racism is one conversation that's never too early to start, and this book was written to be an introduction on the topic for kids aged 5-9. A Kids Book About Racism features: - A friendly, approachable, and kid-appropriate tone throughout. - Expressive font design; allowing kids to have the space to reflect and the freedom to imagine themselves in the words on the pages. - An author who has lived experience on the topic of racism. Tackling important discourse together! The A Kids Book About series are best used when read together. Helping to kickstart challenging, empowering, and important conversations for kids and their grownups through beautiful and thought-provoking pages. The series supports an incredible and diverse group of authors, who are either experts in their field, or have first-hand experience on the topic. A Kids Co. is a new kind of media company enabling kids to explore big topics in a new and engaging way. With a growing series of books, podcasts and blogs, made to empower. A Kids Book about Boredom Kyle Steed,2021-10-05 We all know what it's like to feel bored-it's the worst! But did you know that being bored is actually one of the most wonderful and powerful things in life? Some of the best things ever created or discovered happened when someone was bored. It's true! With this book, kids can learn to embrace and discover the benefits of boredom and realize their full potential.

The World Book Encyclopedia ,2002 An encyclopedia designed especially to meet the needs of elementary, junior high, and senior high school students.

A Kids Book about Identity Jimmy Gomez,Taboo,2021-10-05 Your identity can be a lot of things: your heritage, gender, hometown, school, faith, or even what you've been through. The awesome thing is nobody is just one thing! Your identity can grow and change as you do! This book explores all the different parts of identity: who you are, what you love, and what's true about you.

Be Kind Pat Zietlow Miller,2018-02-06 When Tanisha spills grape juice all over her new dress, her classmate contemplates how to make her feel better and what it means to be kind. From asking the new girl to play to standing up for someone being bullied, this moving and thoughtful story explores what a child can do to be kind, and how each act, big or small, can make a difference--or at least help a friend. With award-winning author Pat Zietlow Miller's gentle text and Jen Hill's irresistible art, Be Kind is an unforgettable story about how two simple words can change the world.

A Kids Book About Imagination LeVar Burton,2023-11-03 A clear explanation of what the imagination is and the opportunities that come from the use of it. What is imagination? Most of us think of it as playing pretend or what happens when we're dreaming, but imagination takes us to worlds and galaxies beyond that. Imagination helps us travel between time, space, and reality. It gives us the power to dream up the world in our own vision and encourages us to think of not just what is, but what could be. Imagination is a superpower that unlocks endless possibilities, and all by asking one simple question: what if? This is one conversation that's never too early to start, and this book was written to be an introduction on the topic for kids. A Kids Book About Imagination features: - A large and bold, yet minimalist font design that allows kids freedom to imagine themselves in the words on the pages. - A friendly, approachable, yet empowering, kid-appropriate tone throughout. - An incredible and diverse group of authors in the series who are experts or have first-hand experience of the topic. Tackling important discourse together! The A Kids Book About series are best used when read together. Helping to kickstart challenging, empowering, and important conversations for kids and their grownups through beautiful and thought-provoking pages. The series supports an incredible and diverse group of authors, who are either experts in their field, or have first-hand experience on the topic. A

A Kids Book About Anxiety Ross Szabo,2023-07-04 An honest exploration of the symptoms of anxiety and what learning to manage it can look like. This is a book about anxiety. Having anxiety doesn't just mean you feel nervous sometimes or need to calm down. It means having an uncontrollable feeling that gets in the way of what you normally do, or something new that you'd like to do. Covering themes of anxiety, fear, loneliness, and crying. This book for kids aged 5-9 explores the impact anxiety can have and the steps they can take to begin to manage any anxious feelings they might have. A Kids Book About Anxiety features: - A large and bold, yet minimalist type-driven design that allows kids freedom to imagine themselves in the words on the pages. - A friendly, approachable, yet empowering, kid-appropriate tone throughout. - An author who has first-hand experience on the topic of anxiety. Tackling important discourse together! The A Kids Book About series are best used when read together. Helping to kickstart challenging, empowering, and important conversations for kids and their grownups through beautiful and thought-provoking pages. The series supports an incredible and diverse group of authors, who are either experts in their field, or have first-hand experience on the topic. Outside In Deborah Underwood,2020 From the New York Times best-selling author behind *The Quiet Book* comes a mindful contemplation on the many ways nature affects our everyday lives, perfect for fans of Joyce Sidman and Julie Fogliano. Outside is waiting, the most patient playmate of all. The most generous friend. The most miraculous inventor. This thought-provoking picture book poetically underscores our powerful and enduring connection with nature, not so easily obscured by lives spent indoors. Rhythmic, powerful language shows us how our world is made, the many ways Outside comes in to help and heal us, and reminds us that we are all part of a much greater universe. Emotive illustrations evoke the beauty, simplicity, and wonder that awaits us all . . .outside.

How I Met My Monster Amanda Noll,2019-11-03 One night, when Ethan reaches under his bed for a toy truck, he finds this note instead: Monsters! Meet here for final test. Ethan is sure his parents are trying to trick him into staying under the covers, until he sees five colorful sets of eyes blinking at him from beneath the bed. Soon, a colorful parade of quirky, squeaky little monsters compete to become Ethan's monster. But only the little green monster, Gabe, has the perfect blend of stomach-rumbling and snorting needed to get Ethan into bed and keep him there so he falls asleep—which as everyone knows, is the real reason for monsters under beds. With its perfect balance of giggles and shivers, this silly-spooky prequel to the award-winning *I Need My Monster* and *Hey, That's MY Monster!* will keep young readers entertained.

The Kids' Book of Questions Gregory Stock,2015-03-10 Kids love to be asked questions almost as much as they love to ask them. And asking is important—parents know the value of having meaningful conversations with their kids, especially as family time is under continuous assault from gadgets and devices. Now the book that solves those needs is back—announcing a fresh new edition of *The Kids' Book of Questions*. Including subjects like the Internet, school violence, and climate change, the book remains a timeless treasure. Here is a collection of questions designed to challenge, entertain, provoke, and expand young minds. These are the questions that let kids discover how they feel; let people know what they think; raise issues that everyone loves to discuss. Gregory Stock, author of the original #1 bestselling *Book of Questions*, took his question-asking ways into schools and came back with over 200 questions, including Thorny dilemmas: Would you rather have a job you didn't like that paid a lot or a job you loved that paid just enough to get by? Embarrassing challenges: Would you kiss someone in front of your whole class for \$250? Provocative ideas: What things do you think your parents do just to set an example for you? Intriguing fantasies: If you could text any famous person and be sure they'd read and answer your text, who would you write to and what would you say? There is only one requirement: Give an honest answer. Then be amazed to see where one little question leads.

What If Everybody Did That? Ellen Javernick,2010 Text first published in 1990 by Children's Press, Inc.

White Kids Margaret A. Hagerman,2020-02-01 Winner, 2019 William J. Goode Book Award, given by the Family Section of the American Sociological Association Finalist, 2019 C. Wright Mills Award, given by the Society for the Study of Social Problems Riveting stories of how affluent, white children learn about race American kids are living in a world of ongoing public debates about race, daily displays of racial injustice, and for some, an increased awareness surrounding diversity and inclusion. In this heated context, sociologist Margaret A. Hagerman zeroes in on affluent, white kids to observe how they make sense of privilege, unequal educational opportunities, and police violence. In fascinating detail, Hagerman considers the role that they and their families play in the reproduction of racism and racial inequality in America. *White Kids*, based on two years of research involving in-depth interviews with white kids and their families, is a clear-eyed and sometimes shocking account of how white kids learn about race. In doing so, this book explores questions such as, “How do white kids learn about race when they grow up in families that do not talk openly about race or acknowledge its impact?” and “What about children growing up in families with parents who consider themselves to be ‘anti-racist’?” Featuring the actual voices of

young, affluent white kids and what they think about race, racism, inequality, and privilege, *White Kids* illuminates how white racial socialization is much more dynamic, complex, and varied than previously recognized. It is a process that stretches beyond white parents' explicit conversations with their white children and includes not only the choices parents make about neighborhoods, schools, peer groups, extracurricular activities, and media, but also the choices made by the kids themselves. By interviewing kids who are growing up in different racial contexts—from racially segregated to meaningfully integrated and from politically progressive to conservative—this important book documents key differences in the outcomes of white racial socialization across families. And by observing families in their everyday lives, this book explores the extent to which white families, even those with anti-racist intentions, reproduce and reinforce the forms of inequality they say they reject.

The Very Hungry Caterpillar Eric Carle,2016-11-22 The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's *The Very Hungry Caterpillar* is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

I Am the Shark Joan Holub,2021-05-04 What makes the great white shark (one of) the greatest fish in the sea? FIN-d out in this hilarious fish-out-of-water story that's perfect for Shark Week and all year-round! Don't miss this one. -School Library Journal, Starred Review Hi! I am Great White Shark, and if you get this book, you'll read all about ME--the greatest shark in the sea! Not so fast! Greenland Shark here, and as the oldest shark in this book, that makes me the greatest. Did someone say fast? I'm Mako Shark, and I'm the fastest shark in this book! Eat my bubbles! Wow, I'm Hammerhead Shark. You don't need my special eyes to see that there are lots of great sharks in this book. Sink your teeth into it now! New York Times bestselling author Joan Holub makes a splash with bestselling illustrator Laurie Keller to deliver an entertaining undersea story filled with the greatest shark facts in the ocean!

The Couch Potato Jory John,2020-11-03 An Instant New York Times Bestseller * An Instant Indie Bestseller * An Indie Next List Selection Feeling fried? Peel yourself on the couch and meet your new pal-tato! The winning fourth picture book from the #1 New York Times bestselling creators of *The Bad Seed*, *The Good Egg*, and *The Cool Bean*, Jory John and Pete Oswald, will get you and your kids moving! *The Couch Potato* has everything within reach and doesn't have to move from the sunken couch cushion. But when the electricity goes out, Couch Potato is forced to peel away from the comforts of the living room and venture outside. Could fresh air and sunshine possibly be better than the views on screen? Readers of all ages will laugh along as their new best spuddy learns that balancing screen time and playtime is the root to true happiness. Check out Jory John and Pete Oswald's funny, bestselling books for kids 4-8 and anyone who wants a laugh: *The Bad Seed* *The Good Egg* *The Cool Bean* *The Couch Potato* *The Good Egg Presents: The Great Eggscape!* *The Bad Seed Presents: The Good, the Bad, the Spooky!* *The Cool Bean Presents: As Cool as It Gets* *That's What Dinosaurs Do*

Spring Stinks Ryan T. Higgins,2021-01-05 Ruth the bunny is excited to share the smelly springtime smells of spring with Bruce! But what will Bruce think of all that stink? *Little Bruce Book*

New Kid Jerry Craft,2019-02-05 Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers' Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, *New Kid* is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. *New Kid* is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's *Class Act*!

A Kids Book about Self-Love Brandon Farbstein,2021-10-05 What do you see when you look in the mirror? Often we notice the things that make us feel different or we don't like. But self-love can help us see what makes us uniquely awesome! This book teaches kids how to choose their thoughts, manage their perspectives, and feel comfortable and happy with themselves, even when hard things happen.

Kid President's Guide to Being Awesome Robby Novak,Brad Montague,2015-02-03 This is LIFE, people! You've got air coming through your nose! You've got a heartbeat! That means it's time to do something! announces Kid President in his book, *Kid President's Guide to Being Awesome*. FAQs About Kids Books

What is a Kids PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Kids PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. **Print to PDF:** Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. **Online converters:** There are various online tools that can convert different file types to PDF. **How do I edit a Kids PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Kids PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Kids PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or

editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
