A Kids Book About Belonging Kevin Carroll, 2023-09-05 A clear explanation of what belonging is, and how to accept and understand who you are. This is a kids book about belonging. It tackles what it's like when you feel like you belong to a group or family or team, and what it's like when you don't. It addresses what it feels like when you don't fit in, or when it may feel like others don't want you around. This book teaches kids aged 5-9 how to incorporate the feeling of belonging into their lives. The feeling of belonging is something that everyone strives for, which is why it's important to know how to belong to yourself and love who you are, and how that helps you to belong anywhere. A Kids Book About Belonging features: - A large and bold, yet minimalist font design that allows kids freedom to imagine themselves in the words on the pages. - A friendly, approachable, yet empowering, kid-appropriate tone throughout. - An incredible and diverse group of authors in the series who are experts or have first-hand experience of the topic. Tackling important discourse together! The A Kids Book About series are best used when read together. Helping to kickstart challenging, empowering, and important conversations for kids and their grownups through beautiful and thought-provoking pages. The series supports an incredible and diverse group of authors, who are either experts in their field, or have first-hand experience on the topic. A Kids Co. is a new kind of media company enabling kids to explore big topics in a new and engaging way. With a growing series of books, podcasts and blogs, made to empower. A Kids Book about Identity Jimmy Gomez,Taboo,2021-10-05 Your identity can

be a lot of things: your heritage, gender, hometown, school, faith, or even what you've been through. The awesome thing is nobody is just one thing! Your identity can grow and change as you do! This book explores all the different parts of identity: who you are, what you love, and what's true about you.

A Kids Book About Imagination LeVar Burton, 2023-11-03 A clear explanation of what the imagination is and the opportunities that come from the use of it. What is imagination? Most of us think of it as playing pretend or what happens when we're dreaming, but imagination takes us to worlds and galaxies beyond that. Imagination helps us travel between time, space, and reality. It gives us the power to dream up the world in our own vision and encourages us to think of not just what is, but what could be. Imagination is a superpower that unlocks endless possibilities, and all by asking one simple question: what if? This is one conversation that's never too early to start, and this book was written to be an introduction on the topic for kids. **A Kids Book About Imagination** features: - A large and bold, yet minimalist font design that allows kids freedom to imagine themselves in the words on the pages. - A friendly, approachable, yet empowering, kid-appropriate tone throughout. - An incredible and diverse group of authors in the series who are experts or have first-hand experience of the topic. The Kids' Book of Questions Gregory Stock, 2015-03-10 Kids love to be asked questions almost as much as they love to ask them. And asking is important—parents know the value of having meaningful conversations with their kids, especially as family time is under continuous assault from gadgets and devices. Now the book that solves those needs is back—announcing a fresh new edition of *The Kids' Book of Questions*. Including subjects like the Internet, school violence, and climate change, the book remains a timeless treasure. Here is a collection of questions designed to challenge, entertain, provoke, and expand young minds. These are the questions that let kids discover how they feel; let people know what they think; raise issues that everyone loves to discuss. Gregory Stock, author of the original #1 bestselling *Book of Questions*, took his question-asking ways into schools and came back with over 200 questions, including Thorny dilemmas: Would you rather have a job you didn't like that paid a lot or a job you loved that paid just enough to get by? Embarrassing challenges: Would you kiss someone in front of your whole class for \$250? Provocative ideas: What things do you think your parents do just to set an example for you? Intriguing fantasies: If you could text any famous person and be sure they'd read and answer your text, who would you write to and what would you say? There is only one requirement: Give an honest answer. Then be amazed to see where one little question leads.

White Kids Margaret A. Hagerman, 2020-02-01 Winner, 2019 William J. Goode Book Award, given by the Family Section of the American Sociological Association Finalist, 2019 C. Wright Mills Award, given by the Society for the Study of Social Problems Riveting stories of how affluent, white children learn about race American kids are living in a world of ongoing public debates about race, daily displays of racial injustice, and for some, an increased awareness surrounding diversity and inclusion. In this heated context, sociologist Margaret A. Hagerman zeroes in on affluent, white kids to observe how they make sense of privilege, unequal educational opportunities, and police violence. In fascinating detail, Hagerman considers the role that they and their families play in the reproduction of racism and racial inequality in America. *White Kids*, based on two years of research involving in-depth interviews with white kids and their families, is a clear-eyed and sometimes shocking account of how white kids learn about race. In doing so, this book explores questions such as, "How do white kids learn about race when they grow up in families that do not talk openly about race or acknowledge its impact?" and "What about children growing up in families with parents who consider themselves to be 'anti-racist'?" Featuring the actual voices of young, affluent white kids and what they think about race, racism, inequality, and privilege, *White Kids* illuminates how white racial socialization is much more dynamic, complex, and varied than previously recognized. It is a process that stretches beyond white parents' explicit

conversations with their white children and includes not only the choices parents make about neighborhoods, schools, peer groups, extracurricular activities, and media, but also the choices made by the kids themselves. By interviewing kids who are growing up in different racial contexts—from racially segregated to meaningfully integrated and from politically progressive to conservative—this important book documents key differences in the outcomes of white racial socialization across families. And by observing families in their everyday lives, this book explores the extent to which white families, even those with anti-racist intentions, reproduce and reinforce the forms of inequality they say they reject.

What If Everybody Did That? Ellen Javernick, 2010 Text first published in 1990 by Children's Press, Inc.

The Very Hungry Caterpillar Eric Carle, 2016-11-22 The all-time classic picture book, from generation to generation, sold somewhere in the world every 30 seconds! Have you shared it with a child or grandchild in your life? For the first time, Eric Carle's *The Very Hungry Caterpillar* is now available in e-book format, perfect for storytime anywhere. As an added bonus, it includes read-aloud audio of Eric Carle reading his classic story. This fine audio production pairs perfectly with the classic story, and it makes for a fantastic new way to encounter this famous, famished caterpillar.

New Kid Jerry Craft, 2019-02-05 Winner of the Newbery Medal, Coretta Scott King Author Award, and Kirkus Prize for Young Readers' Literature! Perfect for fans of Raina Telgemeier and Gene Luen Yang, *New Kid* is a timely, honest graphic novel about starting over at a new school where diversity is low and the struggle to fit in is real, from award-winning author-illustrator Jerry Craft. Seventh grader Jordan Banks loves nothing more than drawing cartoons about his life. But instead of sending him to the art school of his dreams, his parents enroll him in a prestigious private school known for its academics, where Jordan is one of the few kids of color in his entire grade. As he makes the daily trip from his Washington Heights apartment to the upscale Riverdale Academy Day School, Jordan soon finds himself torn between two worlds—and not really fitting into either one. Can Jordan learn to navigate his new school culture while keeping his neighborhood friends and staying true to himself? This middle grade graphic novel is an excellent choice for tween readers, including for summer reading. *New Kid* is a selection of the Schomburg Center's Black Liberation Reading List. Plus don't miss Jerry Craft's *Class Act*!

A Kids Book about Self-Love Brandon Farbstein, 2021-10-05 What do you see when you look in the mirror? Often we notice the things that make us feel different or we don't like. But self-love can help us see what makes us uniquely awesome! This book teaches kids how to choose their thoughts, manage their perspectives, and feel comfortable and happy with themselves, even when hard things happen.

The Absolutely True Diary of a Part-Time Indian Sherman Alexie, 2016-09-15 An all-new edition of the tragicomic smash hit which stormed the New York Times bestseller charts, now featuring an introduction from Markus Zusak. In his first book for young adults, Sherman Alexie tells the story of Junior, a budding cartoonist who leaves his school on the Spokane Indian Reservation to attend an all-white high school. This heartbreaking, funny, and beautifully written tale, featuring poignant drawings that reflect the character's art, is based on the author's own experiences. It chronicles contemporary

adolescence as seen through the eyes of one Native American boy. 'Excellent in every way' Neil Gaiman Illustrated in a contemporary cartoon style by Ellen Forney.

Susie Sheep Learns To Share Jupiter Kids, 2014-07-24 Susie Sheep has never liked to share in the past. She wouldn't let others play with her toys or share her treats during lunch. When others shared, she would be the first person to step up and accept the goodies of others. However, in the park after school, she met a couple of kids who had nothing and learns about the power of sharing with others and how giving a little can make a significant difference in the lives of those without.
