Racing to the Finish Dale Earnhardt Jr.,2018-10-16 Dale Earnhardt Jr.'s only authorized book revealing the inside track on his final year of racing and retirement from the driver's seat. "Time was running out on my charade... My secrets were about to be exposed to the world." It was a seemingly minor crash at Michigan International Speedway in June 2016 that ended the day early

for Dale Earnhardt Jr. What he didn't know was that it would also end his driving for the year. He'd dealt with concussions before, but concussions are like snowflakes, no two are the same. And recovery can be brutal, and lengthy. When NASCAR star Dale Earnhardt Jr. retired from professional stock car racing in 2017, he walked away from his career as a healthy man. But for years, he had worried that the worsening effects of multiple racing-related concussions would end not only his time on the track but his ability to live a full and happy life. Torn between a race-at-all-costs culture and the fear that something was terribly wrong, Earnhardt tried to pretend that everything was fine, but the private notes about his escalating symptoms that he kept on his phone reveal a vicious cycle: suffering injuries on Sunday, struggling through the week, then recovering in time to race again the following weekend. For the first time, he shares these notes and fully reveals the physical and emotional struggles he faced as he fought to close out his career on his own terms. In this candid reflection, Earnhardt opens up about his frustration with the slow recovery, his admiration for the woman who stood by him through it all, and his determination to share his own experience so that others don't have to suffer in silence. Steering his way to the final checkered flag of his storied career proved to be the most challenging race and most rewarding finish of his life.

Racing in Daytona Beach: Sunshine, Sand & Speed Robert Redd, 2021-01-11 Long before the Speedway was even a glimmer in Bill France Sr.'s eye, racers in Daytona Beach were careening along at the fastest possible clip. Cars were still a novelty in 1903 when Daytona Beach drivers were pushing for land speed records on a track near today's Granada Avenue beach entrance. A reputation was born here early, drawing racing pioneers like Sara Christian, who famously raced her husband on the combination dirt and paved track in 1949. From the brave forerunners who tore up the hard-packed sand to the modern vehicles blasting away at nearly two hundred miles per hour on Daytona Beach International Speedway, Robert Redd explores the driving tradition that has made Daytona Beach a racing mecca.

Racing While Black Leonard T. Miller, 2010-02-02 Starting a NASCAR team is hard work. Starting a NASCAR team as an African American is even harder. These are just a few of the lessons learned by Leonard T. Miller during his decade and a half of running an auto racing program. Fueled by more than the desire to win, Miller made it his goal to create opportunities for black drivers in the vastly white, Southern world of NASCAR. *Racing While Black* chronicles the travails of selling marketing plans to skeptics and scraping by on the thinnest of budgets, as well as the triumphs of speeding to victory and changing the way racing fans view skin color. With his father—former drag racer and longtime team owner Leonard W. Miller—along for the ride, Miller journeys from the short tracks of the Carolinas to the boardrooms of the Big Three automakers to find out that his toughest race may be winning over the human race.
