Travels Michael Crichton,2012-05-14 From the bestselling author of Jurassic Park, Timeline, and Sphere comes a deeply personal memoir full of fascinating adventures as he travels everywhere from the Mayan pyramids to Kilimanjaro. Fueled by a powerful curiosity—and by a need to see, feel, and hear, firsthand and close-up—Michael Crichton's journeys have carried him into worlds diverse and compelling—swimming with mud sharks in Tahiti, tracking wild animals through the jungle of Rwanda. This is a record of those travels—an exhilarating quest across the familiar and exotic frontiers of the outer world, a determined odyssey into the unfathomable, spiritual depths of the inner world. It is an adventure of risk and rejuvenation, terror and wonder, as exciting as Michael Crichton's many masterful and widely heralded works of fiction.

Two Arabic Travel Books Abū Zayd al-Sirāfi, Ahmad ibn Fadlān,2014-12-08 In its ports, we find a priceless cargo of information; here are the first foreign descriptions of tea and porcelain, a panorama of unusual social practices, cannibal islands, and Indian holy men—a marvelous, mundane world, contained in the compass of a novella. In *Mission to the Volga*, we move north on a diplomatic mission from Baghdad to the upper reaches of the Volga River in what is now central Russia. This colorful documentary by Ibn Fadlan relates the trials and tribulations of an embassy of diplomats and missionaries sent by caliph al-Muqtadir to deliver political and religious instruction to the recently-converted King of the Bulgars. During eleven months of grueling travel, Ibn Fadlan records the marvels he witnesses on his journey, including an aurora borealis and the white nights of the North. Crucially, he offers a description of the Viking Rus, including their customs, clothing, tattoos, and a striking account of a ship funeral.

The Meaning of Travel Emily Thomas,2020-02-13 How can we think more deeply about our travels? This was the question that inspired Emily Thomas' journey into the philosophy of travel. Part philosophical ramble, part travelogue, *The Meaning of Travel* begins in the Age of Discovery, when philosophers first started taking travel seriously. It meanders forward to consider Montaigne on otherness, John Locke on cannibals, and Henry Thoreau on wilderness. On our travels with Thomas, we discover the dark side of maps, how the philosophy of space fuelled mountain tourism, and why you should wash underwear in woodland cabins... We also confront profound issues, such as the ethics of 'doom tourism' (travel to 'doomed' glaciers and coral reefs), and the effect of space travel on human significance in a leviathan universe. The first ever exploration of the places where history and philosophy meet, this book will reshape your understanding of travel.

Travel as a Political Act Rick Steves,2018-02-06 Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of *Travel as a Political Act* is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of *Travel as a Political Act* are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.
