Bond on Set Greg Williams,2002 A pictorial look at the making of the James Bond film Die Another Day.

Nobody Does it Better Edward Gross,Mark A. Altman,2020-02-11 The ultimate oral history of the only gentleman secret agent with a license to kill... and thrill...telling the incredible, uncensored true stories of the James Bond franchise and spy mania. For over five decades, the cinematic adventures of James Bond have thrilled moviegoers. Now, bestselling authors Mark A. Altman and Edward Gross take you behind-the-scenes of the most famous and beloved movie franchise of all-time filled with reflections from over 150 cast, crew, critics and filmmakers who reflect on the impact of this legendary movie franchise as well as share their thoughts about their favorite (and least) favorite 007 adventures and spy mania which gripped fans the world over in the wake of the success of the James Bond films. From Russia--with love, course--to Vegas, from below the bright blue waters of the Bahamas in search of a missing nuclear weapon to the top of the Golden Gate Bridge, from below the seas in Stromberg's new Noah's Ark of Atlantis into orbit with Hugo Drax, Nobody Does It Better: The Complete Uncensored, Unauthorized Oral History of James Bond tells the amazing, true story of the birth of James Bond through the latest remarkable James Bond adventures as well as the Spy mania classics that enthralled the world. It's Bond and Beyond from the critically acclaimed authors of the bestselling The Fifty-Year Mission and So Say We All. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

LIFE 50 Years of James Bond The Editors of LIFE Books,2012-10-02 Fifty years (and five billion dollars in ticket sales) ago, the dashing Scottish actor Sean Connery declared suavely that he was Bond, James Bond. Thus began a cinematic series unlike any other. In November 2012, Skyfall, the 23rd movie in what is seen as the authorized line of Bond films, will be released, with Daniel Craig (the sixth Bond) again in the lead role. The world will once more stream to the theaters for another dose of Bond. LIFE was on the scene in the swinging '60s when James Bond became a cultural icon (in fact, when we put the gold-painted actress Shirley Eaton on the cover in 1964, we helped him along), and now LIFE tells the whole story in this commemorative book. Ian Fleming, a high-ranking officer in British Naval Intelligence of World War II, dreamt up his MI6 spy, code number 007, in 1953, and a decade later, with Dr. No, From Russia With Love and then the smash Goldfinger, saw his creation take on a life entirely his own. All the fun of Bond is here: The movies; the reminiscences by the stars; the LIFE photo shoots; the knockoffs and spoofs (The Man from U.N.C.L.E.; Get Smart; I Spy; the first Casino Royale); the artifacts (a model of Bond's Aston Martin DB5 was one of the best-selling toy of 1965); the trivia and inside information on M, Q and Moneypenny-anything a Bond fan would want, packed into one book and then shaken, not stirred. James Bond was, back in the day, one of those cultural phenomena tailor-made for LIFE: It was bright and colorful and vibrant. Today, it still is. Happy birthday, and welcome back, Commander Bond.

Some Kind of Hero Matthew Field,Ajay Chowdhury,2015-10-12 For over 50 years, Albert R. Broccoli's Eon Productions has navigated the ups and downs of the volatile British film industry, enduring both critical wrath and acclaim in equal measure for its now legendary James Bond series. Latterly, this family run business has been crowned with box office gold and recognised by motion picture academies around the world. However, it has not always been plain sailing. Changing financial regimes forced 007 to relocate to France and Mexico; changing fashions and politics led to box office disappointments; and changing studio regimes and business

disputes all but killed the franchise. And the rise of competing action heroes has constantly questioned Bond's place in popular culture. But against all odds the filmmakers continue to wring new life from the series, and 2012's Skyfall saw both huge critical and commercial success, crowning 007 as the undisputed king of the action genre. Some Kind of Hero recounts this remarkable story, from its origins in the early '60s right through to the present day, and draws on hundreds of unpublished interviews with the cast and crew of this iconic series.
