Craps Will Thomas, Jr.,2017-01-25 This book is a real story about an ordinary family from Albia, Iowa, who in 1862 crossed the Oregon Trail and settled in the lower Powder River Valley in what today is Baker City, Oregon.

Within two years, family members were part of a thriving dry-goods and mercantile business in the gold-mining town of Mormon Basin, selling rubber boots, shovels, and liquor to both American and Chinese miners. By the late 1860s, the easy gold had been panned and sluiced out so the miners moved on to chase bigger dreams in newer places. So too did some of the family members; they sold their business interests and with a saddlebag full of gold rode north to Umatilla County, Oregon, where in 1871 they started a ranch and cattle business. Portions of James Shumway's Couse Creek Ranch near Milton-Freewater are still owned by descendants; it is an Oregon State Centennial Ranch. This book uses old photographs, letters, documents, business journals, personal diaries, and contemporary research to recount 150 years of Barton-Shumway family history in eastern Oregon. It is a story told through the lives of some of the real people who survived it.

Get Dicey Tracy Michigan, 2005 Based on the experience of an author who worked in Las Vegas casinos, “Get Dicey: Play Craps and Have Fun” emphasizes the entertainment value of craps while guiding the reader through the process of learning a game that fascinates and intimidates. Every type of bet is explained and the rules and payoffs are illustrated in numerous tables. Playing procedures such as when and how to make different bets are given in detail, and the author weaves in stories from her casino career to illustrate points in a friendly fun style. From the basic rules for shooting the dice to advanced betting strategies, the book offers a comprehensive guide to the game. Because craps is a game of verbal interactions, the book explains how to talk to casino staff and what to ask. Along with player etiquette and superstitions, the book decodes jargon and includes a glossary of terms.

Hartman, 2017-12-18 You’ve heard the sudden bursts of cheers as you’ve strolled past the crowded Craps table. You have even seen the countless TV shows and movies with the dice flying in slow motion over the green felt before knocking against the wall. The dealer barks out, “Winner!” and then the table roars with applause. Now you want in. But as you step up to an empty, unused craps

table in a Vegas casino just to survey the complex boxes with terms like “Field” and “Pass Line”, you’re hesitant. You have second thoughts about going to an active table and putting \$20 down because it just seems so impossible to play. And then there isn’t just one dealer like at the blackjack table or roulette wheel, but four! A bead of sweat tickles your brow and you walk away from the intimidating Craps table and decide to invest your money at the Wheel of Fortune slot machine or tackle a few hands at the three-card poker table. Go Back! This book is designed for the beginner who has always wanted to experience the thrill of throwing the dice but was too afraid to learn how to play. Worry not, shooter, this guide will have everything you need to step up to the table with confidence and have fun playing the wild game of Craps! How to Play Craps and Win! M. Mitch

Freeland,2018-09-13 DISCOVER: THE 3 IRREFUTABLE PLAYS THAT WILL MAKE YOU A WINNER! Isn't it time you won at CRAPS?.In How to Play Craps and Win. you will learn the three plays that give you the edge or an even gamble with the casino. These methods are seldom discussed in gambling literature, yet they produce profits time and again because they are mathematically proven--the odds are in your favor. In this book, bestselling author, Advantage player, Mitch Freeland shows how he beat the dice for over 30 years. You will learn:.

- * An easy betting method that can give you as much as a 2 to 1 edge on certain bets
- * How to bird dog a table
- * How to benefit from superstitious players
- * How to have an odds bet without a Pass line or Come bet
- * How to manage your play for maximum profits
- * When to press it up and when to take a

walk* Which type of players to play with that will practically guarantee you a profit* The simple yet profitable favors you get my asking fellow players the right questions There are three irrefutable plays at the crap table that if played over any period of time, and as instructed in this book, will make you a big winner for the rest of your life. Yes, I know this is a big claim, and it would be stupid or irresponsible of me to make such a statement without backing it up with solid facts and numbers. Well, the numbers are correct and the math doesn't lie. The 3 irrefutable plays in this book work. In fact, by just practicing one of the plays in any casino will guarantee you a significant mathematical edge. Mitch has been playing winning craps for more than thirty years. He has seen a lot of players lose a lot of money over the years--and only a few win. The fact is, well over 99 percent of people who play craps are losing players. They lose for a number of reasons, but most lose because they are not serious about the game and even though they may feel they know what to do, they don't know how to do it correctly, consistently and with self-discipline. The casino has an edge. We know this. However, the casino does not have an edge when you exploit flaws from other players, thus giving you a noted advantage that can make you a consistent winner. The 3 irrefutable bets presented in this book are solid, tested, and irrefutable. They have worked for decades, perhaps even as far back as one hundred years ago when modern day craps evolved into the game it is today. The 3 irrefutable bets are the best bets you will ever get from any casino. In blackjack, counting cards use to be the way to go; but these days it is difficult with casino heat too hot and the hourly rate not worth the while for most small players. This leaves one option in the casino--craps. How to Play Craps and Win is undoubtedly, ordained to be a classic

among hard-hitting gambling books. And for the price of a cup of coffee it is priced to please. When you download *How to Play Craps and Win*, today, you'll get an easy to follow plan for winning craps. Freeland's knowledge of the game and how to take profits is inspiring and well worth every penny. IT WORKS! Would You Like to Know More?
