The 10 Golden Rules of Customer Service Todd Duncan, Deb Duncan, 2019-04-01 The customer service book that will help you blitz the competition and win life-long customers! The options customers have today to get what they want are so plentiful that not a single company, or representative of that company, can afford to be powerless in the competitive world of service. Through the story of a \$6,000 Egg, Deb and Todd Duncan reveal that even the smallest interactions have the power to create lifelong patrons, or on the flipside, alienate once-devoted customers. The 10 Golden Rules of Customer Service represents the costly mistake of removing customer satisfaction from the bottom line. The teachable moments divulged throughout the book transcend industry, position, and career level and encourage everyone to contribute, coaching readers to go above and beyond in order to get ahead and create a one-of-a-kind customer experience. Perfect for readers of *Be Our Guest*, *The Service Culture*, and *Raving Fans*! The \$6,000 Egg blows up the traditional customer service model and presents a new, exciting, and revolutionary way to win customers for life. Todd and Deb's 10 NEW Golden Rules will transform the bottom line of both the provider and the customer forever!—Dave Ramsey, New York Times bestselling author and nationally syndicated radio show host

The Ten Golden Rules of Leadership M. Soupio, Panos Mourdoukoutas, 2014-11-06 How can the contemplations and teachings of a man who lived in ancient Greece help you in your role leading a tech giant or a restaurant chain? Though skills and experience may have landed you your position, they don't make you a great leader. Instead, true leaders evolve out of those who learn to look within and question themselves before they try to lead anyone else. In this book, aspiring leaders will explore ideas from the greatest thinkers of all time—including Aristotle, Heraclitus, Sophocles, Hesiod, and others—and learn how each of these classic teachings applies to the challenges of the modern workplace. In *The Ten Golden Rules of Leadership*, teachings discussed and related to the twenty-first-century work environment include: Know thyself Do not waste energy on things you cannot change Nurture community Always embrace the truth Let competition reveal talent, and more Whether you have already been entrusted with a leadership position or you aspire to have that responsibility one day, your success in that role begins and ends with you—knowing who you are, what you believe in, and what you are capable of. Within *The Ten Golden Rules of Leadership*, you will learn the questions you need to reflect on in order to discover what kind of leader you can be.

The Ten Golden Rules M. A. Soupios, Panos Mourdoukoutas, 2009-03-31 A Stoic Guide to the Art of Living a Richer, More Meaningful Life Plato, Aristotle, Socrates, Epictetus, Epicurus, Pythagorus, Aesop—such wisdom, now at your fingertips. Timeless wisdom from these ancient Greek philosophers plus others has been condensed by the authors into ten memorable and easy-to-understand rules that, if lived by, can enable modern readers to have rich, meaningful lives. The ten rules . . . represent enduring features of the Greek wisdom. In a very real sense, they defy time and place and represent insights that remain profoundly relevant for contemporary culture. They can serve as anti-dotes for an age in which much that is true and valuable has been obscured by falsity and misconception. Accordingly, these ancient aphorisms are offered to all those interested in rubbing the dust from their eyes. With each chapter examining a rule, all chapters begin with a quote from one of the great Greek philosophers who inspired the rule, followed by a story or explanation of the rule and its importance in life, and end with teaching points on which to meditate and reflect. From this simple starting point, each rule allows the reader to unfurl and explore the richness and depth that can be found in life by embracing the lesson offered. Any reader searching for meaning will return to this simple, slim volume again and again to find tried-and-true wisdom that spans the ages to speak to us today.

Readers will discover principles that will assure their success if studied and put into action.
