Amaya wants one thing: revenge against the man who ruined her family and stole the life she once had. But the more entangled she becomes in this game of deception—and as her path intertwines with the son of the man she's plotting to bring down—the more she uncovers about the truth of her past. And the more she realizes she must trust no one? Packed with high-stakes adventure, romance, and dueling identities, this gender-swapped retelling of The Count of Monte Cristo is the first novel in an epic YA fantasy duology, perfect for fans of Sarah J.
