Mary Lynne Knighten, DNP, RN, NEA-BC,KT Waxman, DNP, MBA, RN, CNL, CENP, CHSE, FSSH, FAAN, FAONL

Economics and Financial Management for Nurses and Nurse Leaders Susan J. Penner, RN, MN, MPA, DrPH, CNL, 2013-03-21 Ms. Penner does an excellent job of presenting the information and using case examples to increase the readers' understanding of the various concepts. While I expected this book to be informative I was surprised by how interesting it is. I would highly recommend this book to any nurse entrepreneur.--Nurse Entrepreneur Network This is an excellent book for an undergraduate nursing program.--Doody's Medical Reviews This is a key health care financial management textbook designed to build the economics and financial management skills nurses and nurse leaders need to use daily. This second edition provides several new features that will add to its value as a timely and highly relevant text for RN-to-BSN, BSN, and MSN students in a variety of academic nursing programs. It is aligned with the standards established by AONE, AACN, and other health care professional organizations for economics and financial management education. The text has been significantly revised to simplify its content and to be useful within both traditional in-class formats and hybrid and on-line distance courses and programs. The book provides multiple opportunities for experiential learning such as writing business plans and health program grant proposals. It delivers enhanced discussions of cost-benefit analysis and cost-effectiveness analysis, discusses budget preparation, offers strategies for controlling budget costs, and updates health reform policy, health care spending, and other relevant policies and statistics. The text discusses patient advocacy and interdisciplinary teamwork as they relate to economic and financial issues. Its engaging format promotes the synthesis of economics and finance across the nursing curriculum through the use of case examples, end-of-chapter exercises, discussion questions, and games based on concepts within the text. Additionally, tips throughout the book alert students about the need to apply concepts from other aspects of their education to economic and financial situations. The text also includes on-line supplemental material for teachers and students including Excel spreadsheets, games, a test bank, and PowerPoint slides. Key Features: Aligned with AACN and AONE guidelines Serves as a primary financial management text for a great variety of nursing academic programs Facilitates experiential learning through end-of-chapter exercises, games, tips for synthesizing knowledge, and case examples Designed for use in traditional classrooms and for hybrid and on-line distance programs Presents new chapter on measuring nursing care with indicators for capacity, staffing, patient acuity, performance, and patient flow

Penner's Economics and Financial Management for Nurses and Nurse Leaders Mary Lynne Knighten, DNP, RN, NEA-BC,KT Waxman, DNP, MBA, RN, CNL, CENP, CHSE, FSSH, FAAN, FAONL, 2023-05-02 Holds a proven track record of success in teaching healthcare business basics to nurses This acclaimed text helps to build the fundamental economic and financial management skills nurses and nurse leaders need to be successful in daily practice and career advancement. The updated fourth edition includes new and revised case studies reflecting current trends and increased coverage of budget strategies, forecasting, and the financial impact of COVID-19. It is rewritten to provide greater clarity for readers unfamiliar with budgets and features a new two-color design to enhance readability. Additionally, the text reflects current AACN Essentials: Core Competencies for Professional Nursing Education and updated sample business plans, grant proposals, and other essential reports along with providing augmented Instructor Resources. The book--written by nurses for nurses--is designed to help readers understand the impact of healthcare economics and finance in their day-to-day clinical and leadership work. While it covers advanced practice topics and responsibilities, the text's readability and foundational content make it useful for nurses at all levels. It also delivers content essential for nurse entrepreneurs and other nurse leaders with its explanations of how national and global economics affect the health care industry, and how health insurance strategies affect consumer access and outcomes. The text provides multiple opportunities for experiential learning, such as writing business plans and grant proposals and engaging in discussions. It delivers cost-benefit and cost-effectiveness analyses, discusses budget preparation, offers strategies for controlling budget costs, and updates relevant health policies and statistics. Abundant Instructor Resources feature chapter-based Excel workbooks and PowerPoints, a test bank, and crossword puzzles with answers. Purchase includes digital access for use on most mobile devices or computers. New to the Fourth Edition: New and revised cases reflect current trends Increased coverage of budget strategies, forecasting, and the financial impact of COVID-19 and legislative changes Streamlined approach simplifies content for readers new to budgets New and updated definitions New and revised/updated chapters Two-color design enhances readability Reflect current AACN Essentials Enhances popular Instructor Resources Updates sample business plans, grant proposals, and other essential reports Key Features: Equally useful for RN-BSN, MSN, and DNP, programs Aligned with AACN and AONL guidelines and certification and competency standards Facilitates experiential learning with end-of-chapter exercises, tips for synthesizing knowledge, worksheets, and case examples Effective in traditional, hybrid, and online learning environments

Nursing Leadership and Management Rebecca A Patronis Jones, 2007-02-27 This comprehensive text explores the philosophy that all nurses are leaders who use creative decision making, entrepreneurship, and life-long learning to create a work environment that is efficient, cost-effective, and committed to quality care. Broad and comprehensive coverage encompasses leadership and management theories and processes by synthesizing information from nursing, health care, general administration and management, and leadership literature. Activities teach them how to research decision-making data (participatory action research process) and analyze and make reliable choices in managing their work environment. Theory-based, scholarly yet practical, this is the most comprehensive and engaging baccalaureate text on the market.

Nursing Administration Handbook Howard S. Rowland, Beatrice L. Rowland, 1997 With the recent new and radical developments in the health care field that have been introduced at a breathless pace, nurse administrators must work to stay informed of the developments that affect their nursing departments both directly and indirectly. The Nursing Administration Handbook has a long track record, both as a textbook and as a hands-on tool for nurse executives seeking insight and step-by-step guidance in all aspects of administration. The fourth edition of this text surveys the entire field of nursing administration and incorporates the most significant new developments and current practices.
