Yet, in the remotest parts of human space, tensions remain that threaten to overflow into another full-scale conflict. Beneath the surface of the planet Gao lies a vast cavern system renowned for its therapeutic effects and rumored miraculous cures. But now Gao natives are turning up brutally murdered down there—violent acts that happen to coincide with the recent arrival of a UNSC research battalion protected by Spartan Blue Team, led by the renowned Spartan-II Fred-104. Maverick detective Veta Lopis of the Gao Ministry of Protection is only trying to do her job as the Special Inspector assigned to catch a serial killer—one who is possibly hiding within the Spartan ranks—but she never anticipates the situation spiraling out of control into an all-out crisis. When Gao is revealed to harbor ancient Forerunner technology that could solidify the UNSC's military supremacy for centuries to come, Insurrection loyalists within the planetary government will do anything—even align with a vicious faction of what remains of the Covenant—to ensure that never happens...

Eight Days to Live Iris Johansen,2010-04-20 Number-one New York Times bestselling author Iris Johansen delivers a thriller that will chill you to the core: Eve Duncan's adopted daughter Jane has been targeted by a mysterious cult who has decided that she has only eight days to live Eve Duncan and her adopted daughter, Jane Macguire, are pitted against the members of a secretive cult who have targeted Jane and have decided that she will be their ultimate sacrifice. In eight days they will come for her. In eight days, what Jane fears the most will become a reality. In eight days, she will die. It all begins with a painting that Jane, an artist, displays in her Parisian gallery. The painting is called Guilt and Jane has no idea how or why she painted the portrait of the chilling face. But the members of a cult that dates back to the time of Christ believe that Jane's blasphemy means she must die. But first, she will lead them to an ancient treasure whose value is beyond price. This elusive treasure, and Jane's death, are all that they need for their power to come to ultimate fruition. With Eve's help, can Jane escape before the clock stops ticking?

**Brand Admiration** C. Whan Park,Deborah J. MacInnis,Andreas B. Eisingerich,2016-09-16 Brand Admiration uses deep research on consumer psychology, marketing, consumer engagement and communication to develop a powerful, integrated perspective and innovative approach to brand management. Using numerous real-world examples and backed by research from top notch academics, this book describes how companies can turn a product, service, corporate, person or place brand into one that customers love, trust and respect; in short, how to make a brand admired. The result? Greater brand loyalty, stronger brand advocacy, and higher brand

equity. Admired brands grow more revenue in a more efficient way over a longer period of time and with more opportunities for growth. The real power of Brand Admiration is that it provides concrete, actionable guidance on how brand managers can make customers (and employees) admire a brand. Admired brands don't just do the job; they offer exactly what customers need (enabling benefits), in way that's pleasing, fun, interesting, and emotionally involving (enticing benefits), while making people feel good about themselves (enriching benefits). Providing these benefits, called 3 Es, is foundational to building , strengthening and leveraging brand admiration. In addition, the authors articulate a common-sense and action based measure of brand equity, and they develop dashboard metrics to diagnose if there are any 'canaries in the coal mine', and if so, what to do next. In short, Brand Admiration provides a coherent, cohesive approach to helping the brand stand the test of time. A well-designed, well-managed brand becomes a part of the public consciousness, and ultimately, a part of the culture. This trajectory is the fruit of decisions made from an integrated strategic standpoint. This book shows you how to shift the process for your brand, with practical guidance and an analytical approach.

*Messy Grace* Caleb Kaltenbach,2015-10-20 Sometimes, grace gets messy. Caleb Kaltenbach was raised by LGBT parents, marched in gay pride parades as a youngster, and experienced firsthand the hatred and bitterness of some Christians toward his family. But then Caleb surprised everyone, including himself, by becoming a Christian...and a pastor. Very few issues in Christianity are as divisive as the acceptance of the LGBT community in the church. As a pastor and as a person with beloved family members living a gay lifestyle, Caleb had to face this issue with courage and grace. Messy Grace shows us that Jesus's command to "love your neighbor as yourself" doesn't have an exception clause for a gay "neighbor"—or for that matter, any other "neighbor" we might find it hard to relate to. Jesus was able to love these people and yet still hold on to his beliefs. So can you. Even when it's messy. "Messy Grace is an important contribution to the conversation about sexual identity for churches and leaders. Caleb's story is surprising and unique, and he weaves it together compellingly. He states his views clearly, leaves room for disagreement, and champions love no matter where you are in this conversation." —Jud Wilhite, Sr. Pastor, Central Christian Church

*The Big Rich* Bryan Burrough,2010-03-30 "Full of schadenfreude and speculation—and solid, timely history too." —Kirkus Reviews "This is a portrait of capitalism as white-knuckle risk taking, yielding fruitful discoveries for the fathers, but only sterile speculation for the sons—a story that resonates with today's economic upheaval." —Publishers Weekly "What's not to enjoy about a book full of monstrous egos, unimaginable sums of money, and the punishment of greed and shortsightedness?" —The Economist Phenomenal reviews and sales greeted the hardcover publication of *The Big Rich*, New York Times bestselling author Bryan Burrough's spellbinding chronicle of Texas oil. Weaving together the multigenerational sagas of the industry's four wealthiest families, Burrough brings to life the men known in their day as the Big Four: Roy Cullen, H. L. Hunt, Clint Murchison, and Sid Richardson, all swaggering Texas oil tycoons who owned sprawling ranches and mingled with presidents and Hollywood stars. Seamlessly charting their collective rise and fall, *The Big Rich* is a hugely entertaining account that only a writer with Burrough's abilities-and Texas upbringing-could have written.

*Waco* David Thibodeau,Leon Whiteson,2018-01-02 The basis of the celebrated Paramount Network miniseries starring Michael Shannon and Taylor Kitsch--*Waco* is the critically-acclaimed, first person account of the

siege by Branch Davidian survivor, David Thibodeau. Twenty-five years ago, the FBI staged a deadly raid on the Branch Davidian compound in Waco, Texas. David Thibodeau survived to tell the story. When he first met the man who called himself David Koresh, David Thibodeau was a drummer in a local rock band. Though he had never been religious in the slightest, Thibodeau gradually became a follower and moved to the Branch Davidian compound in Waco. He remained there until April 19, 1993, when the compound was stormed and burned to the ground after a 51-day standoff with government authorities. In this compelling account--now with an updated epilogue that revisits remaining survivors--Thibodeau explores why so many people came to believe that Koresh was divinely inspired. We meet the men, women, and children of Mt. Carmel. We get inside the day-to-day life of the community. We also understand Thibodeau's brutally honest assessment of the United States government's actions. The result is a memoir that reads like a thriller, with each page taking us closer to the eventual inferno. Originally published as *A Place Called Waco*.

The Hidden Nazi Dean Reuter, Keith Chester, Colm Lowery, 2019-10-08 He's the worst Nazi war criminal you've never heard of Sidekick to SS Chief Heinrich Himmler and supervisor of Nazi rocket scientist Wernher von Braun, General Hans Kammler was responsible for the construction of Hitler's slave labor sites and concentration camps. He personally altered the design of Auschwitz to increase crowding, ensuring that epidemic diseases would complement the work of the gas chambers. Why has the world forgotten this monster? Kammler was declared dead after the war. But the aide who testified to Kammler's supposed "suicide" never produced the general's dog tags or any other proof of death. Dean Reuter, Colm Lowery, and Keith Chester have spent decades on the trail of the elusive Kammler, uncovering documents unseen since the 1940s and visiting the purported site of Kammler's death, now in the Czech Republic. Their astonishing discovery: US government documents prove that Hans Kammler was in American custody for months after the war--well after his officially declared suicide. And what happened to him after that? Kammler was kept out of public view, never indicted or tried, but to what end? Did he cooperate with Nuremberg prosecutors investigating Nazi war crimes? Was he protected so the United States could benefit from his intimate knowledge of the Nazi rocket program and Germany's secret weapons? *The Hidden Nazi* is true history more harrowing--and shocking--than the most thrilling fiction.
