**The Book of Yes** Kevin Ward, 2016-01-20 In The Book of YES, you will find the most powerful scripts in the real estate industry today. If you're tired of the same old sales scripts or if you've done away with them all together, I know how you feel because I've been there. I was tired of seeing the same B.S.(bad sales) approaches and I wanted something that felt more natural for me. So I started creating my own scripts, for the simple reason that I hated being told, No. For me nothing was worse than that feeling of rejection. I was determined to figure out the perfect thing to say in every situation, and how to say it in a way that would cause sellers and buyers to want to say Yes! to me every time. This book is the result of that quest. And I've broken it in two unique parts so you can spend less time reading it, and more time using the life changing scripts inside. Part 1 will give you the foundation for making the scripts work for you. Not just some of the time, but every time! You'll master how to inspire sellers to say YES to you giving you the magic key to unlock the success you want as a real estate agent. Part 2 Is the actual scripts that allow you to have smooth, choreographed conversations that lead you down the path to more success and more income. included in this section are... Prospecting scripts for sellers that lead up to the listing appointment. My unique Listing Presentation Scripts with examples of exactly how to deliver them for maximum impact. The Buyer Scripts that I've personally used for years to build my own real estate business from scratch. The Objection scripts that will show you how to overcome any objection with ease and never be scrambling for words when a client throws you a curveball. In all there are 27 scripts in this book that will show you how to handle any situation, conversation, and objection that might come your way. And each script has been tested, tweaked and perfected. How do I know this? Because I've used each and every one of them to close millions of dollars worth of real estate in my nearly 2 decade career. I've also taken the time to include things I've picked up over my career that will help take you beyond the scripts... How to identify resistance and influence triggers so you can naturally use the right words and phrases that gets more clients saying YES to you. My practice techniques for memorizing and using these

scripts to their full impact. You won't just be pulling words from your memory, you'll be speaking from the heart so you come across as genuine. The tiny tweaks that turn a regular script into something powerful. These seemingly little differences can have a huge impact in the way a prospect or client responds to what you say. The 9 Keys to more powerful conversations that go way beyond just the words you say to a client. I've mastered all 9 of these techniques and each one has made a huge difference in how I present myself to clients. The Book of YES is an action guide, not a book of theory. Think of it as YOUR PLAY BOOK for the key conversations you have with sellers and buyers. Along with the scripts you will find tactical notes on how to use the script, why it works, and when to modify the script for various situations. This book is not about intimidating your clients to agree with you, it's about inspiring them to say YES. And the more they do, the more abundance and success you will have in your life. The ultimate YES is saying YES to your goals, your dreams and your family so you can create the lifestyle that you want.

**Be Kind, Be Calm, Be Safe** Dr. Bonnie Henry, Lynn Henry, 2021-03-09 From the BC doctor who has become a household name for leading the response to the pandemic, a personal account of the first weeks of COVID, for readers of Sam Nutt's Damned Nations and James Maskayk's Life on the Ground Floor. Dr. Bonnie Henry has been called one of the most effective public health figures in the world by The New York Times. She has been called a calming voice in a sea of coronavirus madness, and our hero in national newspapers. But in the waning days of 2019, when the first rumours of a strange respiratory ailment in Wuhan, China began to trickle into her office in British Columbia, these accolades lay in a barely imaginable future. Only weeks later, the whole world would look back on the previous year with the kind of nostalgia usually reserved for the distant past. With a staggering suddenness, our livelihoods, our closest relationships, our habits and our homes had all been transformed. In a moment when half-truths threatened to drown out the truth, when recklessness all too often exposed those around us to very real danger, and when it was difficult to tell paranoia from healthy respect for an invisible threat, Dr. Henry's transparency, humility, and humanity became a beacon for millions of Canadians. And her trademark enjoinder to be kind, be calm, and be safe became words for us all to live by. Coincidentally, Dr. Henry's sister, Lynn, arrived in BC for a long-planned visit on March 12, just as the virus revealed itself as a pandemic. For the four ensuing weeks, Lynn had rare insight into the whirlwind of Bonnie's daily life, with its moments of agony and gravity as well as its occasional episodes of levity and grace. Both a global story and a family story, Be Kind, Be Calm, Be Safe combines Lynn's observations and knowledge of Bonnie's personal and professional background with Bonnie's recollections of how and why decisions were made, to tell in a vivid way the dramatic tale of the four weeks that changed all our lives. Be Kind, Be Calm, Be Safe is about communication, leadership, and public trust; about the balance between politics and policy; and, at heart, about what and who we value, as individuals and a society. The authors' advance from the publisher has been donated to charities with a focus on alleviating communities hit particularly hard by the pandemic: True North Aid with its Covid-19 response in Northern Indigenous communities, and First Book Canada, with its focus on reading and literacy for underserved, marginalized youth.
