Buddhahood in This Life, 2016-12-06 Discover a profound text that has influenced Tibetan teachers for generations. *Buddhahood in This Life* is a complete translation of the earliest Tibetan commentary on the Dzogchen secret instructions. Available for the first time in English, *Buddhahood in This Life* presents the Great Commentary of Vimalamitra—one of the earliest and most influential texts in the Dzogchen tradition of Tibetan Buddhism. It explores the theory and practice of the Great Perfection tradition in detail, shows how Dzogchen meditation relates to the entirety of the Buddhist path, and outlines how we can understand buddhahood—and even achieve it in our lifetime. This essential text includes topics such as: · How delusion arises · The pathway of pristine consciousness · How buddhahood is present in the body · and more. Translator Malcolm Smith includes an overview, analysis and clarification for all topics. *Buddhahood in This Life* covers fine details of Dzogchen meditation, including profound “secret instructions” rarely discussed in most meditation manuals. This text is essential for any serious student of the Great Perfection.

Contemplative Science B. Alan Wallace, 2007 Science has long treated religion as a set of personal beliefs that have little to do with a rational understanding of the mind and the universe. This work attempts to bridge this gap by launching an unbiased investigation into the history and practices of science and Buddhist contemplative disciplines.

The Bodhisattva Path, 2007 The Inquiry of Ugra (Ugrapariproccha) is one of the most influential Mahayana sutras, preserved and transmitted in both India and China over many centuries and actively quoted in treatises on the bodhisattva path. It is, nevertheless, one of the most neglected texts in Western treatments of Buddhism. The Ugra appears to be one of the earliest bodhisattva scriptures to come down to us, and as such it offers a particularly valuable window on the process by which the bodhisattva path came to be seen as a distinct vocational alternative within certain Indian Buddhist communities. *The Bodhisattva Path* is a study and translation of the Ugra that will fundamentally alter previous perceptions of the way in which Mahayana was viewed and practiced by its earliest adherents. To achieve a better understanding of the universe of ideas, activities, and institutional structures within which early self-proclaimed bodhisattvas lived, the author first considers the Ugra as a literary document, employing new methodological tools to examine the genre to which it belongs, the age of its extant versions, and their relationships to one another. She goes on to challenge the dominant notions that the Mahayana emerged as a reform of earlier Buddhism and offered lay people an easier option. On the contrary, the picture that emerges is of the early Mahayana as a more difficult and demanding vocation, initially limited to a small contingent of monastic males. Combining a detailed critical study and translation of an important Buddhist scripture with a sweeping re-examination of the relationship between

the Buddha and the practitioners alike and other interested in the history of Indian Buddhism and the formation of Mahayana.

Luminous Mind Kalu, 2012-08-19 Luminous Mind is a remarkable compilation of the oral and written teachings of the late Kalu Rinpoche - who was called a beacon of inspiration by the Dalai Lama. A master of meditation and leader of the Shangpu Kagyu school of Tibetan Buddhism, Kalu Rinpoche taught with an inviting, playful and lucid style that was just one natural manifestation of his own profound realization. The teachings presented in Luminous Mind are immediate and timeless. As the Dalai Lama notes in his foreword, Luminous Mind covers the full range of Buddhist practice from the basic analysis of the nature of the mind up to its ultimate refinement in the teachings of Mahamudra. This anthology of Kalu Rinpoche's writings and oral teachings resonates with his wisdom and compassion. Comparing Kyabje Kalu Rinpoche with Milarepa, the greatest meditation master Tibet has ever known, His Holiness the Dalai Lama extols the author of Luminous Mind as a beacon of inspiration for spiritual practitioners of all traditions. Noting that there have been few like him before or since, His Holiness urges us to delve into this remarkable anthology of the late Kalu Rinpoche's essential instructions so that we may encounter the full range of Buddhist practice from the basic analysis of the nature of the mind up to its ultimate refinement in the teachings of Mahamudra. Drawn from both his lucid writings and his eloquent oral presentations, this unprecedented book lays bare the full grandeur of Kalu Rinpoche's legacy. At the same time, the gentle words and playful stories of this master of meditation are filled with a depth of clarity and warmth that could only arise from a profound realization of both wisdom and compassion.

A Few Good Men Jan Nattier, 2003-01-01 A Few Good Men is a study and translation of The Inquiry of Ugra (Ugrapariṣṭha), one of the most influential Mahayana sutras on the bodhisattva path, but also one of the most neglected texts in Western treatments of Buddhism. To achieve a better understanding of the universe of ideas, activities, and institutional structures within which early self-proclaimed bodhisattvas lived, the author first considers the Ugra as a literary document, employing new methodological tools to examine the genre to which it belongs, the age of its extant versions, and their relationships to one another. She goes on to challenge the dominant notions that the Mahayana emerged as a reform of earlier Buddhism and offered lay people an easier option. A Few Good Men will be compelling reading for scholars and practitioners alike and others interested in the history of Indian Buddhism and the formation of Mahayana.

Writing Women Sonia Randhawa, 2022-07-21 This book examines how women journalists in Malaysia negotiated male power structures, in particular structures determined by the keystone party of the ruling coalition, the United Malays National Organisation. Through both oral histories and content analysis, it looks at how women journalists in the women's pages of the newspapers found spaces to advocate for their readers. It is thus the first work to look at the importance of the women's pages in the Malay-language newspapers, and how apparently monolithic institutions of the authoritarian state hid diverse contests for resources and prestige. In this contest, the

concept of news values, the perception of the reader and the ways in which women constructed themselves as journalists all come into play, and are examined here. The book contributes to the field of feminist media studies by examining how gendered newsroom practices paradoxically allowed women journalists in the women's pages more editorial freedom than those in the mainstream press.
