A Dad Joke a Day DaddiLife Books, 2021-05-19 Looking for the perfect gift for dad? Then keep reading... Unleash dad's ultimate superpower with a terribly good dad joke for EVERYDAY of the year! Can A Dad Joke A Day keep the doctor away? Perhaps not. But a dad joke in the right hands can keep the kids and family on their toes, and at their eye rolling best! In this book from DaddiLife Books - the dads and writers behind the leading platform for modern day fathers - there's a different clean and family friendly dad joke everyday, with groan worthy tummy ticklers on specific calendar days of the year too (see if you can spot them all). What makes this book of dad jokes a special gift: Create a little family fun, everyday - A different cheesy and punny dad joke for every day of the year, including Leap Years, so dad can be top of his dad joke game 24/7 with knee slappers such as: Why was the broom running late? It over-swept. And, What do you call a hen who counts her eggs? A mathemachicken. Understand the science behind the dad joke - How our brains understand dad jokes differently to normal jokes, and the psychology behind a great dad joke versus an average dad joke. Sharpen your joke telling - Whether for new dads or (ahem) more experienced dads, for those who need a cheesy dad joke for a wedding speech or an everyday family laugh, this book has the best advice from across the DaddiLife community on how to tell a dad joke to its very finest, even if you have never told a dad joke before (seriously, where have you been)! Tell dad jokes on specific days of the year - Whether it's New Year, Christmas, or Star Wars day, you won't just be funny, but hilariously punny with these bad dad jokes! What Amazon readers are saying: ★★★★★ An easy read, silly, and a great way to get the family involved and laughing together. ★★★★★ Bought for my husband. He really likes it. He looks at more than one per day though because he can't resist learning

new dad jokes. ★★★★★ I could not help laughing my a** off reading these. ★★★★★ The kids love the jokes and keep poring through the pages to find a new joke to tell us and their Dad has really enjoyed learning the science behind the dad joke and how to tell the perfect dad joke. ★★★★★ The jokes themselves are exactly what you want from a dad joke - cringey, tut-inducing, eye-rolling. As soon as I got the book, we started by reading a joke from our family's birthdays. If you're looking for a fantastic gift for dad for Father's Day, Birthdays or Christmas, arm Dad with everything he needs for his ultimate mission - joining the Dad Joke Hall of Fame - by clicking the Add to Cart button.

Developments in Linguistic Humour Theory Marta Dynel, 2013-10-15 This volume presents recent developments in the linguistics of humour. It depicts new theoretical proposals for capturing different humorous forms and phenomena central to humour research, thereby extending its scope. The 15 contributions critically survey and develop the existing interpretative models, or they postulate novel theoretical approaches to humour in order to better elucidate its workings. The collection of articles offers cutting-edge interdisciplinary explorations, encompassing various realms of linguistics (semantics, pragmatics, stylistics, cognitive linguistics, and language philosophy), as well as drawing on findings from other fields, primarily: sociology, psychology and anthropology. Thanks to careful overviews of the relevant background literature, the papers will be of use to not only researchers and academics but also students. Albeit focused on theoretical developments, rather than case studies, the volume is illustrated with interesting research data, such as the discourse of television programmes and series, films and stand-up comedy, as well as jokes.

Determined to succeed at life—which means getting into the right high school to get into the right college to get the right job—Craig studies night and day to ace the entrance exam, and does. That's when things start to get crazy. At his new school, Craig realizes that he isn't brilliant compared to the other kids; he's just average, and maybe not even that. He soon sees his once-perfect future crumbling away.

Beyond the Fringe Alan Bennett, 1963 A collection of comic sketches.

Plautus: Pseudolus David Christenson, 2020-06-30 Pseudolus of all Plautus' comedies most fully reveals its author's metapoetics. As its eponymous clever slave telegraphs his every move to spectators, Pseudolus highlights the aesthetic, social, and performative priorities of Plautine comedy: brilliant linguistic play, creative appropriation of comic tradition, interrogation of convention and social norms, the projection of an air of improvisation and a fresh comic universe, and exploration of dramatic mimesis itself. The extensive Introduction analyses Plautus' delightful comedy as a stage-performance, the comic playwright's translation and adaptation practices, his innovative deployment of language and metrical and musical virtuosity, as well as the play's transmission and reception. In addition to detailed elucidation of the Latin text, the Commentary examines Pseudolus as a lens into Roman slave society at the time of its debut at the Megalensian festival of 191 BCE. The edition engages throughout with current criticism and issues

of interest to both students and scholars.

Pretty Good Joke Book Garrison Keillor, 2021-08-10 Over 2,200 Jokes from America's favorite live radio show A treasury of hilarity from Garrison Keillor and the cast of public radio's A Prairie Home Companion. A guy walks into a bar. Eight Canada Geese walk into a bar. A termite jumps up on the bar and asks, "Where is the bar tender?" Drum roll. The Sixth Edition of the perennially popular Pretty Good Joke Book is everything the first five were and more. More puns, one-liners, light bulb jokes, knock-knock jokes, and third-grader jokes (have you heard the one about Elvis Parsley?). More religion jokes, political jokes, lawyer jokes, blonde jokes, and jokes in questionable taste (Why did the urologist lose his license? He got in trouble with his peers). More jokes about chickens, relationships, and senior moments (the nice thing about Alzheimer's is you can enjoy the same jokes again and again). It all started back in 1996, when A Prairie Home Companion fans laughed themselves silly during the first Joke Show. The broadcast was such a hit that it became an almost-annual gagfest. Then fans wanted to read the jokes, share them, and pass them around, and the first Pretty Good Joke Book was born. With over 200 new and updated jokes, the latest edition promises countless giggles, chortles, and guffaws anyone—fans of the radio show or not—will enjoy.

Born Standing Up Steve Martin, 2008-09-04 Steve Martin has been an international star for over thirty years. Here, for the first time, he looks back to the beginning of his career and charmingly evokes the young man he once was. Born in Texas but raised in California, Steve was seduced early by the comedy shows that played on the radio when the family travelled back and forth to visit relatives. When Disneyland opened just a couple of miles away from home, an enchanted Steve was given his first chance to learn magic and entertain an audience. He describes how he noted the reaction to each joke in a ledger - 'big laugh' or 'quiet' - and assiduously studied the acts of colleagues, stealing jokes when needed. With superb detail, Steve recreates the world of small, dark clubs and the fear and exhilaration of standing in the spotlight. While a philosophy student at UCLA, he worked hard at local clubs honing his comedy and slowly attracting a following until he was picked up to write for TV. From here on, Steve Martin became an acclaimed comedian, packing out venues nationwide. One night, however, he noticed empty seats and realised he had 'reached the top of the rollercoaster'. BORN STANDING UP is a funny and riveting chronicle of how Steve Martin became the comedy genius we now know and is also a fascinating portrait of an era.

Pontoon Garrison Keillor, 2007-09-11 Garrison Keillor makes his long-awaited return to Lake Wobegon with this New York Times bestseller The first new Lake Wobegon novel in seven years is a cause for celebration. And Pontoon is nothing less than a spectacular return to form—replete with a bowling ball-urn, a hot-air balloon, giant duck decoys, a flying Elvis, and, most importantly, Wally's pontoon boat. As the wedding of the decade approaches (accompanied by wheels of imported cheese and giant shrimp shish kebabs), the good-loving people of Lake Wobegon do what they do best: drive each other slightly crazy.

Hands Free Mama Rachel Macy Stafford, 2014-01-07 "Rachel Macy Stafford's post The Day I Stopped Saying Hurry Up was a true phenomenon on The Huffington Post, igniting countless conversations online and off about freeing ourselves from the vicious cycle of keeping up with our overstuffed agendas. Hands Free Mama has the power to keep that conversation going and remind us that we must not let our lives pass us by." --Arianna Huffington, Chair, President, and Editor-in-Chief of the Huffington Post Media Group, nationally syndicated columnist, and author of thirteen books <http://www.huffingtonpost.com/> DISCOVER THE POWER, JOY, AND LOVE of Living "Hands Free" If technology is the new addiction, then multi-tasking is the new marching order. We check our email while cooking dinner, send a text while bathing the kids, and spend more time looking into electronic screens

than into the eyes of our loved ones. With our never-ending to-do lists and jam-packed schedules, it's no wonder we're distracted. But this isn't the way it has to be. In July 2010, special education teacher and mother Rachel Macy Stafford decided enough was enough. Tired of losing track of what matters most in life, Rachel began practicing simple strategies that enabled her to momentarily let go of largely meaningless distractions and engage in meaningful soul-to-soul connections. She started a blog to chronicle her endeavors and soon saw how both external and internal distractions had been sabotaging her happiness and preventing her from bonding with the people she loves most. Hands Free Mama is the digital society's answer to finding balance in a media-saturated, perfection-obsessed world. It doesn't mean giving up all technology forever. It doesn't mean forgoing our jobs and responsibilities. What it does mean is seizing the little moments that life offers us to engage in real and meaningful interaction. It means looking our loved ones in the eye and giving them the gift of our undivided attention, leaving the laundry till later to dance with our kids in the rain, and living a present, authentic, and intentional life despite a world full of distractions. So join Rachel and go hands-free. Discover what happens when you choose to open your heart—and your hands—to the possibilities of each God-given moment.
