When the Watcher Shakes Timothy G. Huguenin,2019-06-13 The walls were meant to keep evil out--but they only hid the evil within. John has given up his ordinary life to find wisdom traveling the country and enjoy the freedom of living as a nomad. But when he stumbles across a mysterious town tucked away in the Appalachian Mountains, walled off from modern society, he discovers a group of people who could use some freedom of their own. Are they a harmless religious sect, or is there something malignant beneath the surface?

3D Game-based Filmmaking Paul Marino,2004 The Machinima approach to creating movies promises to revolutionize the computer animation industry and this book will serve as the industry bible for emerging filmmakers. It expertly covers the very latest technology in filmmaking, from the history of Machinima, who the major players are, and where the Machinima movement is going. Conventional filmmakers are quickly adopting this medium as a much easier and economical way to produce animation films. This book contains a wealth of tips, tricks, and solid techniques to creating

your own Machinima films from some of the best creative minds in the industry. Numerous hands-on projects are provided to show readers how to expertly create, edit, and view their own films. Some of the hot topics covered include developing actors, preparing sets, incorporating audio, adding special audio and visual effects, using the best post production techniques, using the best game engines, and much more.
