**Mozart in Vienna** Simon P. Keefe, 2017-09-21 Mozart's greatest works were written in Vienna in the decade before his death (1781-1791). This biography focuses on Mozart's dual roles as a performer and composer and reveals how his compositional processes are affected by performance-related concerns. It traces consistencies and changes in Mozart's professional persona and his modus operandi and sheds light on other prominent musicians, audience expectations, publishing, and concert and dramatic practices and traditions. Giving particular prominence to primary sources, Simon P. Keefe offers new biographical and critical perspectives on the man and his music, highlighting his extraordinary ability to engage with the competing demands of singers and instrumentalists, publishing and public performance, and concerts and dramatic productions in the course of a hectic, diverse and financially uncertain freelance career. This comprehensive and accessible volume is essential for Mozart lovers and scholars alike, exploring his Viennese masterpieces and the people and environments that shaped them.

**A Season Beyond a Kiss** Kathleen E. Woodiwiss, 2000-02-29 Her marriage to dashing American shipping magnate Jeff Birmingham signals the beginning of a wonderful new life for Raelynn Barrett. In the loving shelter of her husband's embrace, the pain of loss is diminished, as is her anger over her family's tragic and undeserved disgrace. But try as she might, Raelynn cannot close her ears to the cruel accusations and whispered rumors about her new spouse that buzz around her head like bees. And she cannot deny what her own eyes see, though the images before her seem to brand her darling Jeff as the worst sort of criminal, forcing her to flee his desire and his love. Yet Jeff knows he is innocent--though he is unaware of the conspiracy that has shrouded his marriage in secrets and now imperils it with lies. And he will oppose the treachery with every fiber of his being in order to preserve his threatened happiness--to win back the trust of the woman he cherishes...and secure his place forever in his beloved Raelynn's heart. *Expository Apologetics* Voddie Baucham Jr., 2015-10-31 Apologetics is for everyone. The Bible is clear that all believers are called to defend their faith. However, if apologetics is the formal process that we have come to expect, this sounds like an impossible task. But what if apologetics could be part of natural, normal conversation—both from the pulpit and in everyday life? Aimed at preparing you to clearly and confidently defend your faith, Expository Apologetics sets forth an approach to apologetics that is rooted in Scripture and eminently accessible. Filled with real-world examples and practical advice, this book will equip you with the tools you need to think biblically and converse persuasively—offering unbelievers “a reason for the hope that is in you.”
