*Discourse in the Professions* Ulla Connor,Thomas A. Upton,2004-11-30 This book explores the structure and use of academic and professional discourse through the lens of corpus linguistics. The goal of this book is to show how insights from corpus linguistic analyses can help us better understand how we use academic and professional language and help us find ways to better train newcomers to the genres used in various professional contexts. The contributions to this book show that specialized corpora of specific genres from a variety of fields allow us to make more relevant observations about the function and use of language for particular purposes. The specialized corpora examined include written and spoken academic genres, written and spoken business and legal genres, and written philanthropic genres. The book showcases a variety of approaches to analyzing the discourse of specialized corpora, and each chapter concludes with a reflection on the practical and pedagogical implications of the analysis.

The Power of Submission Kim V.E. Sands,2011-07-29 Create or modify your HTML page in the text box. Click Show Page to see your page in the frame to the right. At the root of most of the problems we face in our lives today is disobedience. God is calling his people to fulfil his will and walk in the power of his word, and if we are willing to respond then we must embrace submission. The very word and concept of submission has been tainted to the point that many despise and scorn it. In this book you will discover that submission is not to be rejected, it is power. Power to change your life, marriage, family, job, community, and ministry. But more than anything, it will change your relationship with God. Each chapter will offer revelation, inspiration, motivation, and testimonies of real life struggles and victories. If you only read a few books this year, make sure one of them is The Power of Submission. In this book, submission is given physical expression by the woman. Nonetheless, its message is for men, leaders, or anyone who desire a more committed and powerful walk with God. If you need a fresh Word, a wake up call in your spirit, or passion to push to the finish line, then pick up this book and prepare to be inspired by the power of submission!
