Tales from the Pit David G. Schwartz, 2016 Dealing in a casino presents challenges and rewards not seen in many workplaces. With hundreds of thousands of dollars at stake every minute, table games pits are high-stress workplaces. Managing a workforce of dealers and attending to the needs of players brings stresses of its own. In 2015, the

University of Nevada, Las Vegas's Center for Gaming Research received a grant from the UNLV University Libraries Advisory Board that enabled it to undertake an oral history project intended to capture the stories of table games managers, including both those currently working in the field and those who have retired. Drawn from these interviews, *Tales from the Pit* provides an overview of how the interviewees felt about a variety of topics, ranging from their experiences breaking in as new dealers to their transitions to management and the changes the industry has seen over their careers. The current and former managers speak candidly about the owners, bosses, dealers, and players who made each day challenging. This book illuminates the past several decades of casino history through the words of those who lived and made it.

Get the Edge at Craps Sharpshooter, 2003-10 This is the book craps players have been waiting for! For the first time ever, the casino's worst nightmare, the amazing player known as 'Sharpshooter', reveals his secrets for getting the edge at craps -- how to control the dice when you shoot in order to reduce the appearance of certain numbers (the 7!) and increase the appearance of other numbers. If you learn Sharpshooter's methods of dice control or 'rhythmic rolling', craps becomes not only a beatable game but a money maker for the player.

Ask a Manager Alison Green, 2018-05-01 From the creator of the popular website Ask

a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for *Ask a Manager* "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's *Ask a Manager* column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate

playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Odds Stewart O'Nan, 2012-01-19 In the new novel from the author of *Emily, Alone and Henry, Himself*, a middle-age couple goes all in for love at a Niagara Falls casino. Stewart O'Nan's thirteenth novel is another wildly original, bittersweet gem like his celebrated *Last Night at the Lobster*. Valentine's weekend, Art and Marion Fowler flee their Cleveland suburb for Niagara Falls, desperate to recoup their losses. Jobless, with their home approaching foreclosure and their marriage on the brink of collapse, Art and Marion liquidate their savings account and book a bridal suite at the Falls' ritziest casino for a second honeymoon. While they sightsee like tourists during the day, at night they risk it all at the roulette wheel to fix their finances-and save their marriage. A tender yet honest exploration of faith, forgiveness and last chances, *The Odds* is a reminder that love, like life, is always a gamble.
