The 30 Day MBA in Marketing Colin Barrow,2016-01-03 The 30 Day MBA in Marketing provides a complete marketing 'course' spanning twelve disciplinary areas, and including hot topics such as: buyer behaviour, marketing strategy, promotion and advertising, pricing, managing the marketing organization and marketing and the law. Each chapter includes at least one practical real life example to illustrate how marketing concepts apply to business decision making. Learn what they teach you on professional marketing courses and at the world's top Business Schools and why it matters to you; eliminate gaps in your marketing knowledge and take part in business decision making on an equal footing with MBA graduates or your company marketing director. The 30 Day MBA in Marketing includes detailed information on how to find and analyse market data on any business or market anywhere and online resources that enable you to test your own knowledge. It also provides an invaluable guide to finding further information and free resources on each topic covered. Online supporting resources for this book include a bonus chapter on business communication, self-test question and answers and appendices.

Management of Marketing Geoffrey Lancaster,Paul Reynolds,2005 Providing information on the core elements of marketing, this text explains basic aspects of the subject for those requiring a broad overview of the entire field.

The Portable MBA in Marketing Alexander Hiam,Charles D. Schewe,1992-04-16 Includes market research, sales forecasting, product development, and pricing.

The 30 Day MBA in Marketing Colin Barrow,2011 The 30 Day MBA in Marketing gives the reader guidance on many important topics: buyer behavior, marketing strategy, products and services, advertising and promotion, distribution, pricing, managing the marketing organization, and preparing a marketing plan. There are also appendices of marketing information resources and a personal development plan. Each chapter has real-life case examples and an illustration of how marketing concepts apply to business decision-making. The author provides detailed information on how to find and analyze market data on any business or market. There are self-assessment tests at the end of each section plus a final exam paper, allowing the reader to receive a grade and graduate.

The 20 Ps of Marketing David Pearson,2013-12-03 Marketing has changed dramatically since the four classic Ps of the marketing mix (price, product, promotion and place) were proposed. The new marketing landscape is characterized by the demand for constant innovation, rising pressure on budgets, the growth of social media and the impact of issues of sustainability and ethics. As the business landscape has transformed so have the fundamental areas marketers need to master to succeed. The 20 Ps of Marketing provides a thorough guide to marketers at all levels of the new elements of the marketing mix they need to contend with for business success including: planning; persuasion; publicity; positioning; productivity; partnerships; passion and more. Combining practical advice with case studies it covers brands that have changed the game through mastery of the 20 Ps such as Häagen-Dazs and Sony, and others, such as Kodak, who got left behind. This essential guide to the current face of marketing strategy provides marketers with a thorough and valuable grounding to the new fundamentals of marketing.

Strategic Marketing Management Mark E. Parry,2005 Darden School professor Mark Parry describes the key principles that should guide practising managers as they define the meaning of new brands and manage those brands over time. Using cases and examples, he helps managers decide which options to follow when deciding how to approach branding and positioning.

High Intensity Marketing Idris Mootee,Jules (FWD) Goddard,2004-09-01 Markets are changing at a rapid speed. Industry boundaries are blurring. Customers are getting increasingly sophisticated and demanding. How do these phenomena impact upon strategic marketing thinking?This book focuses on these challenges and provides CEOs and senior executives with managerially relevant frameworks and strategic perspectives on marketing. It complements marketing courses leading MBA schools teach, delivering the latest in strategic marketing thinking. What you're going to get is not a collection of sleight-of-hand tricks or mumbo-jumbo incantations. This book will help you gain the core knowledge you need to understand and apply advanced techniques of strategic marketing, including developing strategic positioning, managing brands, selecting pricing

strategies, planning the marketing mix and promoting customer adoptions. This book also specifically addresses the challenges associated with launching innovative new products and technologies. It allows executives to understand the uncertainties and try to minimize them. And how understanding consumer behavior and adoption patterns can be critical to commercial success. In fact, this book is the shortcut to marketing mastery for those steering towards the fast track. This book not only benefits executives across the organization (in engineering, finance, product development, operations, sales and other areas), it also provides a common marketing language and understanding, that greatly facilitates the marketing strategy development process and is an excellent guide to a comprehensive overhaul of an organization's marketing strategy.
