Reimerdes and Roman Kazan, Defendants, 2000 Case brought by entertainment industry companies seeks injunctive relief and money damages and related relief against defendants, individuals responsible for proliferating a software device that unlawfully defeats the DVD copy protection and access control system, or the Contents Scramble System (CSS). This enables individuals to make, distribute, and/or otherwise electronically transmit or perform unauthorized copies of copyrighted motion pictures and other audiovisual work. These acts violate the provisions of the United States Copyright Act governing circumvention of copyright protection systems.

The Study of Trace Fossils R.W. Frey, 2012-12-06 In 1971 I published a review of ichnology other concentrating only on traces made (Houston AAPG: SEPM Trace Fossil Field by a certain group of organisms, regardless Trip Guidebook) that I thought could be of their setting. Nevertheless, needless redundancy has hopefully been eliminated. expanded rather easily into a worthwhile Some of the chapters are more special book on the subject. I probed that possi ized than others (because of the nature of bility for a while, thinking that I would particular topics); hence, these may be write the book myself. As I began to out somewhat less familiar or comprehensible line the chapters in more detail, however, than others-depending upon the reader's it soon became apparent that my personal own interests and background. Other dif knowledge of too many facets of ichnology ferences in the scope and content of vari scraped bottom all too soon. I quickly de ous chapters stem from the simple fact cided that a better book could be produced that a considerably greater backlog of pre by soliciting specific contributions from vious work is available in certain facets of other workers who, collectively, had first ichnology than in others. But we hope hand experience with virtually every aspect that all of the chapters will prove to be use of the field. That became the actual plan, ful to anyone wishing to delve 'into them. the result of which is this book.
