Byrne's Standard Book of Pool and Billiards

Robert Byrne, 1987 In the world of cue sticks and side pockets, this is the gospel. A champion player, indefatigable writer, and inexhaustible promoter of his sport, Byrne racks his book into two halves, the first a primer on pool, the second on three-cushion billiards. Beginning with the fundamentals, he goes on to run the table with lots of readable advice and detailed diagrams for how to play individual shots, including trick shots, strategies for eight- and nine-ball, and rules for the major pool games. Then it's on to

billiards, where he banks from the fundamentals to the art of shot making and tactics for play at every level, touching on every conceivable cushion along the way.
