Digitalvideo for Beginners Colin Barrett,2005 Digital video cameras have become more affordable and reliable than ever, and with the help of former television producer, editor, and cameraman Colin Barret, new owners of this hot technology can produce a memorable video right at home. Barret offers the fruits of his expertise in a thorough, practical introduction that covers it all. In addition to advice on choosing a camcorder and tips on getting the most out of its features, illustrated tutorials explain how to shoot creatively and master techniques such as point-of-view, close-ups, cutaway shots, and effective lighting. Spice up the sound by incorporating audio tracks, and find out how to create special effects. There's even a detailed description of how to set up a fully functional home editing suite.
