**Elf in the Ornament** E. L. Barclay, 2007-11 What would you do if you were given the opportunity to actually meet one of Santa's elves? What would one of Santa's elves do if he were given the chance to see something he'd never seen before...a real boy and girl! Elf in the Ornament is a wonderful Christmastime adventure, beginning at the North Pole. Santa's experiment involves elves living in special ornaments, hanging in the Christmas trees of unsuspecting little boys and girls during the weeks before Christmas Eve. The elves are only to observe the children and send nightly reports back to the North Pole, to help Santa keep track of who's being naughty or nice...but they are never, for any reason, to allow themselves to be seen. A simple experiment...until Alfred the Elf's curiosity causes him to accidentally come nose-to-nose with 9-year old Megan!

*Only You Can Save Christmas!* Adam Wallace, 2017 Wink the Elf asks the reader's help to get Santa's present ready for Mrs. Claus on Christmas Eve.

*The Great Elf Adventure* Vanessa Perez, 2018-06-26 It's Santa's 9060th Marriage Anniversary, and he is preparing a surprise for Ms. Claus! Santa calls in all his elves to wrap the gift he bought for Ms. Claus - A Time Machine - when things go terribly wrong. Ginger an elf, who was wrapping the gift gets sucked into the time machine and accidentally travels back in time. Santa's elves and the magical reindeer travel back in time to find Ginger. But when they are about to go back to the time machine, with their comrade, to travel back to the present, they go deeper back in the past without the time machine! Will they find a way back to the present? Will they come back just in time for Christmas? Or will they be lost in the past forever? Read between the covers of *The Great Elf Adventure* and help them get back to Santa!

**An Elf's Story** Chanda A. Bell, 2011-02-15

*The Dagger of Bahyel* Sandra McPherson, 2013-02-08 When a priceless dagger is stolen soon after being presented to its new owner, a young Elf named Gidley, the Queen of the Realm of Sharrock charges him with the task of recovering the dagger, no matter what obstacles he might face. Joined by his five closest friends, Gidley sets out on a dangerous mission to find the thieves and recover *The Dagger of Bahyel*. Traveling through strange lands and encountering creatures he had yet to imagine, Gidley and his fellow travelers learn that you grow stronger and wiser with each new experience and trial, but more importantly, you can never have too many friends to help you along the way.

*The Adventures of Eddie the Elf* Julie Toth, 2016-10-07 The publishing company has asked me why I wanted to write this book. It is really quite simple. One, I love little children! I love to watch them absorb new lessons and then think about them and apply them as they grow. Secondly, I absolutely love Christmas! I love what it stands for and all the happiness it generates. There's an old saying that goes Life has a way of getting in the way. That is so true. I have wanted to write this book since I was about twenty. I am now sixty-six! First, you go to work, then you get married, and then children come along. Of course, we had our share of furry and feathered children. At last count, I have had sixteen dogs, three cats, and eight birds. Oh, yes, and then there was Wiggles, our rabbit. Did I mention that I also have two sons and two beautiful granddaughters? They are all of the human variety of course. But Eddie was always in the back of my mind. It's strange that he would usually pop up in the summer of all times! I think it was because we used to have a big garden and Mother Nature was always good to us. We would give our neighbors some of our bounty of tomatoes, peppers, and garlic. That, in a way, was like Christmas because it was like giving them presents. Instead of Eddie, we were the elves for Mother Nature, and she was Santa. There are so many marvelous things in the world, Christmas being one of my favorites. I hope that, when you read my book, you will learn a lot more about where the elves and Santa live. It really is a beautifully happy and busy place. Happy reading and imagining!

*The Book of Lergat* Sandra McPherson, 2015-08-31 A beautiful golden, leather, covered book encrusted with jewels is found by the Moards, working in the mines of the Magenta Mountains and brought to King Gidleron of Dordom. The cover simply says 'Scyra Zorkia'. The language in the book is unknown to Gidley (as he is known to his friends) and he tries to find a clue to the book's origin by

searching his palace library. He cannot find any other book with the same language or any mention of Scyra Zorkia. The harder he searches, the more frustrated he becomes. When friends come for a visit, Gidley hopes one of them may know something about the book, but unfortunately, they are as baffled as he is and can't answer any of his questions. Trying to find the answers to this intriguing book sends Gidley and his friends on a wild and funny adventure, that is not without danger. The perils they face and the fear of the unknown won't keep these determined heroes from their quest to solve the puzzle of the books origin. Little by little, they discover clues to the books secret. What they find at the end of their journey stuns them and solves a long time mystery that will impact all of the Kings and Queens in the Realms of Yonder.

The Christmas Adventure of Space Elf Sam Audrey Wood, Bruce Robert Wood, 1998 On his way to deliver Christmas presents to space colony Alpha One, Space Elf Sam crash lands on the planet Gom, where he shows the Gommers what Christmas is all about.

**Finding Santa**, 2018-09 What happens when one of Santa's elves doesn't want to share? Using magic, Greedy Elf shrinks Santa and takes over his workshop. Solve the clues a pixie left behind and break the spell. Told by Ellie Elf, Santa's photographer, her story illustrates the transforming power of love.

*Neverstone* Ned Caratacus, 2021-09 Era Gualtieri lives his life on permanent hard mode... His right leg is gone, his hometown was bombed into toxic waste, and he's elvish in an age when pointy ears are the mother of all kick me signs. He's spent the past four years hopping trains and shoplifting just to survive, with only his flying sword to keep him safe. Now, he's suddenly the only guy on the planet who's legally allowed to stop the new Dark Lord. But Era's in no mood to bail out. Besides, his new government-appointed comrades (the edgiest sorceress in the food court, and a healer who's all heart and 0% brains) won't stand for such nonsense. Worse, an ancient conspiracy lurks at the heart of the whole Dark Lord fiasco, keeping the world in a cycle of constant violence for profit. Era's determined to get to the bottom of it, even if it means being branded an outlaw for the rest of his life. Give a Gualtieri two paths to choose, and he'll take the third. *Neverstone: Mad Elf* is a zany love letter to JRPGs far and wide. Thrilling, morbidly hilarious, and character-driven- what else can you ask for from a LitRPG Adventure?
