The Sublimity of Document Scott MacDonald,2019-07-01 The Sublimity of Document: Cinema as Diorama is a collection of in-depth, substantive interviews with moving-image artists working avant-doc, that is, making films that explore the territory between documentary and experimental cinema. The book uses the early history of the museum habitat diorama of animal life, specifically the Hall of African Mammals at the American Museum of Natural History, as a way of rethinking both early and modern cinema document--and especially those recent filmmakers and films that are devoted to providing viewers with panoramic documentations of places and events that otherwise they might never have opportunities to experience in person. This international collection of 27 interviews follows on MacDonald's earlier Avant-Doc: Intersections of Documentary and Avant-Garde Cinema (Oxford, 2015). The interviews, organized panoramically within the collection, are dense with information and insight, and readable by specialists and non-specialists alike. In most instances, these are the most in-depth and expansive-sometimes the first-interviews with these filmmakers. Together, these interviews offer an engaging panorama of the recent history and geography of cinema devoted to documenting the world around us, as well as an in-depth look at the challenges and accomplishments of filmmakers willing to go anywhere on the planet (or on the internet!) to document what they believe we need to see. MacDonald's general introduction provides an overall context for the collection, which includes interviews with Ron Fricke, Gustav Deutsch, Laura Poitras, Fred Wiseman, Nikolaus Geyrhalter, Bill Morrison, Brett Story, Abbas Kiarostami, Lois Patiño, Dominic Gagnon, Erin Espelie, Yance Ford, Janet Biggs, Carlos Adriano, Craig Johnson, Ben Russell, Betzy Bromberg, James Benning, Maxim Pozdorovkin, along with several veterans of Harvard's Sensory Ethnography Lab (and with the executive directors of the distributor, Documentary Educational Resources, which has served the field of independent documentary for nearly fifty years)--each interview is introduced with MacDonald's overview of the interviewee's life and work. The book includes filmographies and selected bibliographies for all the filmmakers.

**Dynamic Six-Pack ABS** Max Editorial,2023-01-25 LIGHTNING PROMOTION

~~~~~You're reading this right now because you're fed up with the size and look of your gut, am I right? Well, welcome to Dynamic Six Pack Abs. First off, let's not sugar coat it. You have too much fat, you don't have a six-pack and you're sick and tired of it. You want the body of a twenty year old, and who doesn't? You want to change. The good news is that you've come to the right place. What you're going to learn in this book isn't going to shock you, and it's not even going to cause you to shout ah-ha! You know why? Because you already intuitively 'know' everything in this book. I can convincingly say that because your body already knows how to get a six pack ... you're just not listening to it. Don't worry, I'm going to remind you how to get that body you've always wanted. I'm going to decipher your body's codes for you so that you never mistake them again. Think that sounds crazy? Your body talks to you all the time. When you're hungry, your body is telling you to eat. When you're thirsty, your body's telling you to drink. The problem is that our world is just too noisy to listen to our bodies, and besides, the pizza delivery man is going to be here in twenty minutes. Do you get what I'm saying? You know how to get a six pack, but your lack of motivation coupled with our lack of healthy eating habits has prevented you from getting that body you covet so badly. You will have that body. But have you ever wondered why you want that body so badly in the first place?

**Honey, It's Not about Six-Pack Abs!** Mayur Mathur,2022-01-31 Do you stand in that trial room of a fashion clothing store, looking at a pic of a model in a poster telling yourself, "Gosh! I wish I had that body!"? Or are you that person who wakes up every morning, gung-ho about going for your workouts and then just can't go for it? Or are you that person who tells yourself, "I can't do this" Or are you confused on how to begin? Or are you someone, who makes a New Year's resolution to get fit and drops out after a while? Don't get bogged down. This book is meant just for you because the pre-

requisite of getting fit and leading a healthy lifestyle has got nothing to do with what you do, but it's got everything to do with what's in your mind. In this book, you will go through the FOUR STAGES to a complete health transformation and help you formulate your own fitness blueprint to easily make fitness a part of the minutiae of your everyday life. The 4 stages are - Stage 1: Setting your Identity Blueprint-that will help you get the right mindset in place. Stage 2: Lock-n-load your mental arsenal-that will give you tools to keep you mentally fit. Stage 3: Unlock Yourself-here you will get to know how to take charge of your life by gaining control of your excuses, habits, and dreams. Stage 4: Get down to brass tacks - this is the real deal to get you physically fit. As there is a frantic rush to get fit by 'sporting six-pack abs' this book nudges that notion aside and focuses on the long-term benefits of having the right mindset and consciously working towards a healthy lifestyle.

**Alpha Theo** C. J. Primer, 2021-09-15 SIX-PACK SERIES BOOK TWO \* While this book can be read as a standalone, I highly recommend reading book one (Alpha Gray) for context before starting in on this one. \* This book is very different from book one- it's a slow burn, and it's a very bumpy ride. You've been warned! THEO: I'm next in line to be the alpha of my pack, but my father doesn't think I'm ready. In his eyes, I'll never be- he wants me to grow up, straighten up, to be someone I'm just... not. At least I've got the security squad in the meantime, and I'm taking on more responsibility by working with the squad's IT unit. I assumed working with a bunch of computer geeks would be boring as hell, but the new girl on the unit has me intrigued. I'm used to getting any girl I want, yet she's rebuffed all of my advances. She's a goody-goody, thinks she's too good for me- and hell, she probably is, but that won't stop me from trying to get in her pants. Underneath every good girl persona is a bad girl just dying to get out. Challenge accepted. BROOKE: All I wanted to do when I came to work for the IT unit at the security squad was keep my head down and do my job. I was doing it pretty well, too, until Theo got assigned as the liaison between the IT unit and squad leadership. I had a crush on him as a kid, but now that he's grown he's a foul-mouthed, womanizing hothead; a total alpha-hole. Other girls may fall for this good looks and his devil-may-care attitude, but I'm smarter than that. He's hanging around the IT unit to observe and report, but he's zeroed in on me for some reason; keeps trying to get under my skin. And just when I think I can escape him, fate delivers the cruelest twist yet. ~ The Six-Pack Series is a collection of werewolf shifter romance novels. These books contain mature content (steamy scenes!) and themes that may not be suitable for younger readers. If frequent use of profanity and f-words offend, then these books may not be for you. While this book ends with a HEA for the main characters and no major cliffhangers, there are some overarching storylines that may not be resolved at the conclusion of this book because they run throughout the series.
