Us Standard General Ledger (Ussgl): Department of the Treasury, 2019-02-28 This book is current to December 2018, Bulletin 2019-02. Downloaded on 28 February 2019. This is Book 1 The December 2018 release is of the US Standard General Ledger (USSGL) is HUGE. Over 2,000 pages so we had to split it into 4 books: BOOK 1 - USSGL Summary of Changes & Fiscal Year 2018 Reporting, Part 1, Section I to Section III, page III AT - 291 BOOK 2 - Fiscal Year 2018 Reporting, Part 1, Section III, page III AP - 1 to Section VII, page VII CER - 47 BOOK 3 - Fiscal Year 2019 Reporting, Part 2, Section I to Section III, page III AT - 295 BOOK 4 - Fiscal Year 2019 Reporting, Part 2, Section III, page III AP - 1 to Section VII, page VII CER - 47 Why buy a book you can download for free? We print this book so you don't have to. First you gotta find a good clean (legible) copy and make sure it's the latest version (not always easy). Some documents found on the web are missing some pages or the image quality is so poor, they are difficult to read. We look over each document carefully and

replace poor quality images by going back to the original source document. We proof each document to make sure it's all there - including all changes. If you find a good copy, you could print it using a network printer you share with 100 other people (typically its either out of paper or toner). If it's just a 10-page document, no problem, but if it's 250-pages, you will need to punch 3 holes in all those pages and put it in a 3-ring binder. Takes at least an hour. It's much more cost-effective to just order the latest version from Amazon.com This book includes original commentary which is copyright material. Note that government documents are in the public domain. We print these large documents as a service so you don't have to. The books are compact, tightly-bound, full-size (8 1/2 by 11 inches), with large text and glossy covers. 4th Watch Publishing Co. is a HUBZONE SDVOSB. <https://usgovpub.com> Buy the paperback and get the Kindle ePub FREE under the Amazon Matchbook Program.
