

Brave Plane

Robert H. Sherwood

Jack Knight's Brave Flight Jill Esbaum,2022-03-29 High-flying history is brought to life in this suspenseful story of an unknown and daring pilot named Jack Knight, who in 1921 flew his biplane straight into a blizzard over America's heartland and saved the US Air Mail Service in the process. When Jack Knight takes off in his biplane from North Platte, Nebraska, in 1921, hundreds of people crowd the airstrip. Is Jack transporting a famous passenger? Is he ferrying medicine for a sick child? Nope--Jack has six sacks of mail. For the past few years, biplanes like Jack's have been flying the mail only during daylight hours. Flying after dark is risky and crashes are too common, so lawmakers decide to cut funding for the US Air Mail Service. Outraged officials and pilots want to prove that flying the mail is best, so they concoct a plan--a coast-to-coast race. But when a crash, exhaustion, and a snowstorm ground three of the planes, Jack Knight becomes the race's only hope. All he has to do is fly all night long, leaning out of the plane to see, and navigate a blizzard over land he's never covered with an empty fuel tank. Will Jack pull it off and save the Air Mail Service?

Certified Brave Robert H. Sherwood,2004 Certified Brave presents the story of 10 disparate personalities. The bonding of these seemingly ill assorted men into a dedicated, effective combat crew, is our subject. In reportorial, conversational style we get to know each crew member and his duties. We see how the B-24 'Liberator' operates. We follow the crew from over confident early missions to the suspicion that none of them can live through the required 25 to 35 missions. You'll see the triumph of the human spirit. The crew keeps on flying - they could quit at any time. Yet each man has a personal break point. If necessary each man hopes to die well protecting the plane and the crew. He hopes to hang onto his mind in the process. The biological animal says run away, protect life. The intelligent animal says get out here now, forget duty. I'll help you. There is time seized for love in the infrequent 40 hour passes to wicked London and ancient England. For a short time you would allow yourself to believe you might live. One's airplane became to each of the crew a magic and near living thing. As they boarded she was just a pile of metal devoid of life. With cough of one starting engine the fuselage would plane shudder awake and the plane would become a powerful machine making the crew feel vital and brave. Hurt the plane with flak and cannon shell and the crew felt a sense of outrage. Their child was abused. The book is all action: You'll be there for D-Day. You'll see the 5000 ship invasion fleet and the 8000 plus assorted allied aircraft. You'll hear H.M.S. Rodney's nine 16 inch guns from 4 miles up and the plane's engines firing on shore targets. Later, you'll be attacked by Me 163's. The rocket powered fighter with only enough fuel for 7 minutes of powered flight. Another time you'd be attacked by aerial rockets fired from first line fighters. Surface to air missiles such as 'Wasserfall' will try to end your life. You will suffer from the dangerous cold, as low as minus 70 deg. F. You'll feel the effects of the oxygen thin air. 4 miles up the sun is twice as bright as it is on the earth. Your corneas will fry if unprotected. You have to continually search for the little black specks that are enemy fighters. You'll have a grandstand seat for the bombing of massed German troops at the time of the breaking of the 6 weeks stalemate in the St. Lo area. For the first time perhaps you'll know now a distinguished General was killed by our bombs. The book has lots of little known technical facts. For instance see how the dreaded Me 262 was robbed of its power by the use of short barrel 'Rhinemetal' canon. There is humor and joy and love between the battles. It should be there. That's the way it was. As to technical material not covered in other books: -Explosive more powerful than T.N.T. -The crew use of sulfanilamide on a daily basis -The contents of escape kits including the 'L' pill. -All airmen were armed with a .45 pistol. They were only given 5 rounds. This was intended to deliver the crew member from a pitchfork wielding angry mob if captured. -V1 and V2 and V3 weapons. Their design and employment. -Operation of the Me 163 rocket airplane. The fuel, the landing and take off routine, and the high mortality of the pilots. -Our use of booby trap bomb fuses. -The use of nitroglycerine and metro balloons. -The joke of Swiss neutrality. -Operation of the Nordon bombsight

Brave Bessie Lillian M. Fisher,1995 A biography of Bessie Coleman the first black female licensed pilot in the world who became famous for her daring air show routines.

Brave Firefighters Apple Jordan,Disney Enterprises (1996-),2014 Dusty is a famous racing champ. Can he learn to be a firefighter, too?--P. [4] of cover.

Brave Firefighters (Disney Planes: Fire & Rescue) RH Disney,2014-06-03 Planes: Fire & Rescue features a quirky crew of elite firefighting aircraft devoted to protecting historic Piston Peak National Park from raging wildfire. When world famous air racer Dusty learns that his engine is damaged and he may never race again, he must shift gears and is launched into the world of wildfire air attack. Dusty joins forces with veteran fire and rescue helicopter Blade Ranger and his courageous air attack team, including spirited super scooper Lil' Dipper, heavy-lift helicopter Windlifter, ex-military transport Cabbie, and a lively bunch of brave all-terrain vehicles known as the Smokejumpers. Together, the fearless team battles a massive wildfire, and Dusty learns what it takes to become a true hero. Boys and girls ages 4 to 6 will fly into reading with this Step 2 Step into Reading leveled reader based on the film!

The Brave Little Airplane Natalia Vovk,2016-05 This is a moving story of a little airplane that was often teased by big airplanes because of his size. Then one day, he was the only one able to save a small boy far away in the mountains. This book teaches us that we should always believe in ourselves.

Brave Man Fallen: The Story of the Man, His Crew, Their Planes and His Final Mission, Regensburg, Germany, 25 February 1944 Richard J. Voynik,2020-02-20 Merriam Press World War 2 Biography. This is the story of Voynik's boyhood idol, Pete Rosko, who became a bombardier aboard a B-17 Flying Fortress during 1944, flying from Deopham Green Airbase, England, with the 452nd Bomb Group, U.S. Eighth Army Air Force. Included is the bombardier's personal war diary as well as biographies and memories of the three surviving crew members. A moving tribute to those who served in the Eighth Air Force and died, and to the few who survive today. This includes the mission diary of F.W. Stoldt, the ball turret gunner, who passed away on 24 May 2004, additional details from Tom Dickenson, co-pilot, who passed away on 11 July 2004, and from the family of the late Placido Andrade, including many photos of the crew and aircraft. In addition, the publisher's files have been utilized to add numerous other images that depict what life was like for a B-17 bomber crew, from mission start to end. 88 photos, 1 cutaway drawing, 3 documents, 5 full-color insignia illustrations.

Brave Harriet Marissa Moss,C. F. Payne,2001 The first American woman to have received a pilot's license, Harriet Quimby, describes her April 1912 solo flight across the English Channel, the first such flight by any woman.

Planes: Fire & Rescue: Brave Firefighters Disney Books,2014-06-03 Read along with Disney! In this level 2 reader, Dusty Crophopper joins forces with veteran fire and rescue helicopter Blade Ranger and his courageous air attack team, including super scooper Lil' Dipper, heavy-lift helicopter Windlifter, ex-military transport Cabbie,

and a lively bunch of brave all-terrain vehicles known as the Smokejumpers. Follow along with the word-for-word narration as the team battles wildfires in Piston Peak National Park!

Brave Firefighters Apple Jordan,2014-06-03 For use in schools and libraries only. Planes: Fire & Rescue features a quirky crew of elite firefighting aircraft devoted to protecting historic Piston Peak National Park from raging wildfire. Boys and girls ages 4 to 6 will fly into reading with this Step 2 Step into Reading leveled reader based on the film!

Daring American Heroes of Flight Jennifer Reed,2009-01-01 Describes nine of the most notable airplane pilots in history, from the Wright brothers to Amelia Earhart, and includes famous astronauts including Neil Armstrong and Sally Ride.

Petro the Brave Little Cargo Plane P. C. Kell,2021-10-25 Petro was the smallest airplane to ever enter the county air race. But that didn't matter to Maxie, the farm boy who built him. Constructed of metal salvaged from a silo struck by a fallen star, Petro has a special power-and an exciting story that takes us on a journey of perilous ups and downs. The little plane has encounters with a band of conniving crows, a frightful Kerplunkity-plunk crushing machine and a terrifying thunderstorm-all of which leads to the real purpose of his special power (and it's something far more important than any air race!) With 62 color illustrations, a little Christmas and a surprise ending, Petro is a tale that will inspire and delight young readers for years to come.

Brave the Plane Who Was Afraid to Fly Fiona Naomi Reid,2018-12-22 Fear is something all children face. But some are controlled by fear, and if it's left un-dealt with, that fear can affect them into their adult life. The purpose of this book is to help expose where fear may have come in and the lie that is holding your child in fear.

Dorothy the Brave Meghan P. Browne,2022-03-29 The empowering story of a real-life Rosie the Riveter who served as a Women Airforce Service Pilot. Dorothy Lucas yearned to discover all that she was capable of. After the devastating news of Pearl Harbor, her brothers joined the World War II war effort, but Dorothy wanted to do her part, too. So, she enlisted to serve as a Women Airforce Service Pilot (WASP). After hours of flight school and roaring engines, Dorothy and her fellow WASPs risked their lives towing targets in the air for the male fighter pilots in training. Through many mechanical scares and smoke-filled cockpits, Dorothy remained brave and committed to her job--defying gravity and defying the odds. With lyrical text from Meghan P. Browne and striking illustrations by Brooke Smart, Dorothy the Brave tells an untold story of a real-life Rosie the Riveter, and how women worked to keep America safe during a harrowing time.

Petro, the Brave Little Cargo Plane Paul Kell,2018-11-26 Petro is a magical adventure tale of an airplane that faces many dangers and learns to overcome his fears when he becomes part of a life saving mission. Petro's story will delight young readers and teach them that even though all of us have ups and downs, our struggles can lead us to something far more special than we could have ever imagined.

Brave Firefighters Apple Jordan,2014 Dusty is a famous racing champ. Can he learn to be a firefighter, too?-- Page 4 of cover.

Courage in the Skies Jim Eames,2017-11-22 This is the extraordinary and little known story of Qantas' significant role during World War II, particularly in its campaigns against the Japanese. Between 1942 and 1943, Qantas lost eight aircraft during its involvement in Australia's war against the Japanese. Over sixty passengers and crew died as a result. Yet Qantas' exemplary contribution to Australia's war effort and the courage of its people in those difficult times has been forgotten. *Courage in the Skies* is the remarkable story of Qantas at war and the truly heroic deeds of its crew and ground staff as the Japanese advanced towards Australia. Flying unarmed planes through war zones and at times under enemy fire, the airline supplied the front lines, evacuated the wounded and undertook surprising escapes, including carrying more than forty anxious civilians on the last aircraft to leave besieged Singapore. Absorbing, spirited and fast-paced, above all this is a story of an extraordinary group of Australians who confronted the dark days of World War II with bravery, commitment and initiative. They just happened to be Qantas people. 'In this most readable book, Jim Eames captures the experiences of a small band of brave, professional and pioneering aircrew who confronted the dangers of war, the challenges of unforgiving oceanic and tropical weather and the uncertainty of navigation in unarmed flying boats and conventional aircraft.' - Air Chief Marshal Sir Angus Houston AK, AFC (Ret'd)

The Fifth Plane Bull Marquette,2008-10-01 On 9/11 -- what if there were 5 planes, not 4 that were hijacked by terrorists? And what if the passengers on this FIFTH PLANE, like those brave souls on Flight 93, revolted and tried to re-take the plane -- and WHAT IF, this time, THEY WON? THE FIFTH PLANE is the story of Daniel Clooney, the FBI agent assigned to protect the hero of the fifth plane. THE FIFTH PLANE is a story of love, intrigue and betrayal -- on both sides of the war against terror -- and how the greatest of heroes can be brought down by their own people. THE FIFTH PLANE also provides a tantalizing glimpse of war -- the real one going on behind the one we see nightly on TV.

The Soviet Night Witches Pamela Dell,2017-08 The Soviet Night Witches flew over 30,000 missions in planes made of almost nothing more than plywood and canvas. Learn more about the origin of the Night Witches and the amazing women who flew these missions and were indispensable to the war effort in WWII.

Let Us Be Brave Linda Thompson,2014-03-22 A dramatic bush plane crash in coastal Alaska leaves the pilot injured. The passengers, a team of Special Olympic Athletes, must fend for themselves to survive. An Alaska storm first threatens to overwhelm them during the night as they care for their unconscious pilot. Each must confront the challenges of survival in the wilderness, while transcending their limitations. Forced to overcome their habits of dependency and help each other, the group finds courage in the Olympic oath: "Let me win, but if I cannot win, let me be brave in the attempt."

Discover tales of courage and bravery in Explore Bravery with is empowering ebook, **Brave Plane** . In a downloadable PDF format (*), this collection inspires and motivates. Download now to witness the indomitable spirit of those who dared to be brave.
