Keeper of Dreams contains 22 stories written since 1990. From the opening science fiction tale, The Elephants of Poznan, we see the hand of a master at work making a familiar idea new, strange, and wonderful. Keeper of Dreams contains science fiction, fantasy, and several of Card's mainstream fiction works. Included are two tales from the Alvin Maker universe, Grinning Man and The Yazoo Queen. **Fair Play** Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

**Holistic Tarot** Benebell Wen, 2015-01-20 The best-selling guide to reading tarot from celebrated occultist and scholar Benebell Wen—history, practice, and 500+ illustrations and spreads Designed for beginning as well as experienced tarot readers, *Holistic Tarot* offers a fresh and easy-to-follow approach to the use of the tarot deck for tapping into subconscious knowledge and creativity. The tarot deck has been used as a divination tool for more than two centuries; while the tarot is still most commonly thought of as fortune telling, the true power of the tarot lies in its ability to channel a clear path for our deep intuition to shine through. Consulting the tarot can help clear creativity blockages, clarify ambitions, work through complex decisions, and make sense of emotions and relationships. Whether used for simple decision-making or an understanding of your life's purpose, learning tarot can be an indispensable tool for being more mindful of the factors that can assist or weaken your efforts toward success. In *Holistic Tarot*, author Benebell Wen provides a complete guide to using the tarot to foster personal development. Wen gives a comprehensive overview of the history of the tarot and a wide array of theories on its use (including its relationship to Jungian archetypal psychology and traditional Chinese divination practices) before digging deeply into one of the best-known tarot systems, the Rider-Waite-Smith. Beginners will find a complete guide to working with the tarot, including choosing and caring for a deck, how best to learn and remember the attributes of the major and minor arcana, the interpretation of cards and spreads, the role of meditation in a tarot practice, and how to use the tarot for improving relationships, professional development, and personal resilience. More advanced practitioners will appreciate nuanced theoretical discussions of the tarot as well as practical advice about reading others' tarot cards and setting up a practice. Containing over 500 illustrations and detailed information on each card as well as numerous spreads, *Holistic Tarot* is a complete compendium of tarot study that every practitioner should have in their library. "A modern alchemical achievement."—Barbara Moore, author of *Tarot Spreads* "Will become one of the jewels in the crown of tarot literature." —Anthony Louis, MD, author of *Tarot Beyond the Basics* "A tarot classic."—Sasha Graham, author of *Tarot Diva* "A magnificent, intelligent, comprehensive overview and innerview of the Rider Waite Smith system of tarot! **Midnight in the Garden of Good and Evil** John Berendt, 1994-01-13 NATIONAL BESTSELLER

• A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author "Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime."—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.
