**How to Win at Hearts on Your Computer** Dennis Littrell,2012-07-01 How to Win at Hearts on Your Computer: Beat the Bots in Apps and on the Web is simply the best book on the card game of hearts ever published. Period.It is also the only hearts book that focuses on the Microsoft hearts game that comes with the Windows operating systems and on hearts game apps that you can play on handheld devices such as the Kindle, the Nook, the iPhone, etc.You'll learn how your robotic opponents think, what cards they are likely to pass to you, and what their tendencies are at various stages of the game. You'll acquire quick and easy strategies for passing cards, the first two tricks, middle to late play, and end play. Strategic problems such as when to hold the Queen of spades and when to pass her Dark Majesty are resolved in a clear and readable fashion.You'll acquire The Fine Art of Shooting the Moon and learn some tricks that will give you the edge not only against the bots but against human opponents.You have fun going over some of the illustrative games that Dennis Littrell played and second guess his sometimes not so sharp play. (Sometimes only!)But most of all, this long-awaited book, aimed at beginning players as well as seasoned veterans, is a fun learning experience.

*Fair Play* Eve Rodsky,2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK  
Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh\*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is *Fair Play*: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, *Fair Play* helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible

workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

**Heart of a Student Athlete** Karl Mecklenburg,2009-10 The game of football teaches lessons that are as applicable on the playing field as they are in the classroom, workplace, and in our relationships with those around us. In *Heart of a Student Athlete*, Karl Mecklenburg—former all-pro captain of the Denver Broncos—offers young athletes and their families inspirational advice about how to dream, achieve, and overcome obstacles on their way to success. Mecklenburg's candid, anecdotal counsel will motivate student athletes to aim high, work hard, and avoid the numerous challenges that they may face—including pressure to perform in the game, emphasis on sport over study, and the temptation of illegal drugs. In addition to sharing the incredible story of his unlikely rise from amateur athlete to Super Bowl Championship competitor, Mecklenburg outlines his template for success and reveals its six key components: teamwork, courage, honesty and forgiveness, desire, dedication, and goal setting. Accessible and brimming with enthusiasm, *Heart of a Student Athlete* explains these keys and empowers athletes, parents, and coaches with the tools they need to achieve success and foster it in the young athletes in

their lives.
