

Crazy Basketball

Carson Cunningham

The Crazy Basketball Game PRICE STERN SLOAN,Rita Warner,Price, Stern, Sloan Publishing Staff,1993-10-01

Crazy Basketball Charley Rosen,2011-04-01 The basketball commentator, analyst, and author looks at the sport by sharing his journey from his undergraduate days at Hunter College to the Continental Basketball Association to a desk at Fox Sports.

Underbelly Hoops Carson Cunningham,2012-01-16 UNDERBELLY HOOPS covers Carson Cunningham's final season in the storied and now defunct Continental Basketball Association (CBA). In the process, it takes a sober look at minor league professional basketball, as Cunningham tries to navigate a poor relationship with his coach and yet finish his career on his own terms by playing a final season and winning a championship. As UNDERBELLY HOOPS shows, the CBA was a realm where hopeful players desperately hung on and crusty motels might very well have no clocks. It was a place where a trainer could be ordered to fill the visiting team's cooler with warm shower water and a coach might tell a player (namely, Cunningham) that he was focusing too much on his marriage and child rather than basketball. It was also a place where entire hotel wings could become saturated with the pungent smell of marijuana. And yet, even as it chipped away at your dignity and made little economic sense to remain, the CBA drew you in with the allure of action and the prospect of an NBA call-up. And it could inspire, like when you and your teammates caught a rhythm that made you remember why basketball is such a beautiful game, or when you saw guys continue to strive, to persevere, even if their dreams weren't fully realized. The hoops answer to Ball Four. By turns funny and poignant—and always self aware—this book allows fans into the locker room and huddle, yes, but also into the cortex of a professional basketball player. If Carson Cunningham could have jumped, run and created his shot off the dribble as masterfully as he writes and observes, he'd be starring in the NBA. —L. Jon Wertheim, Senior Writer for SPORTS ILLUSTRATED

Hoop Crazy Clair Bee,1998-10-01 A smooth-talking man who claims to have played basketball with Chip's father creates dissension on the Valley Falls high school team and plans to use Big Chip's pottery formula in his latest scam.

Hoop Crazy Eric Walters,2001-09-01 When Nick and his pals suddenly find themselves short a man for the NBA-sponsored three-on-three tournament they plan to enter during the summer holidays, the solution seems simple enough. Nick, Kia and Mark are the key players on the team, so the fourth, though mandatory according to the rules, doesn't really have to be good at the game. A surprise visit from Nick's mother's cousin brings Ned, who is exactly Nick's age but not exactly an athlete, into the picture and onto the team. The other three teammates figure that as long as they don't actually have to use Ned in a game they will be fine. Then Mark sprains his ankle and can't play in the tournament. Suddenly Nick and Kia must find a way to make Ned an integral part of the team. This turns out to be no small task!

The Chosen Game Charles Rosen,2017 A few years after its invention by James Naismith, basketball became the primary sport in the crowded streets of the Jewish neighborhood on New York's Lower East Side. Participating in the new game was a quick and enjoyable way to become Americanized. Jews not only dominated the sport for the next fifty-plus years but were also instrumental in modernizing the game. Barney Sedran was considered the best player in the country at the City College of New York from 1909 to 1911. In 1927 Abe Saperstein took over management of the Harlem Globetrotters, playing a key role in popularizing and integrating the game. Later he helped found the American Basketball Association and introduced the three-point shot. More recently, Nancy Lieberman played in a men's pro summer league and became the first woman to coach a men's pro team, and Larry Brown became the only coach to win both NCAA and the NBA championships. While the influence of Jewish players, referees, coaches, and administrators has gradually diminished since the mid-1950s, the current basketball scene features numerous Jews in important positions. Through interviews and lively anecdotes from franchise owners, coaches, players, and referees, *The Chosen Game* explores the contribution of Jews to the evolution of present-day pro basketball.

Hoop Crazy Dennis Gildea,2013-10-01 Clair Bee (1896-1983) was a hugely successful basketball coach at Rider College and Long Island University with a 412 and 87 record before his career was derailed in 1951 by a point-shaving scandal. In the trial that sent his star player, Sherman White, to prison, the judge excoriated Bee for creating a morally lax culture that contributed to his players' involvement with gambling. To a certain extent, Bee agreed with the judge's scolding, concluding that coaches, himself included, had become so driven to succeed on the court that they had lost sight of the educational role sports should play. His coaching career effectively over, Bee launched an effort to reform the ills he saw in college sports, and he did so in the pages of the Chip Hilton novels for young readers. He began the series in 1948, but it was the post-scandal books that he used as teaching tools. The books mirrored some of the events of the gambling scandal and were Bee's attempt to reform the problems plaguing college sports. He used his fiction to posit a better sports world that he hoped his young readers would construct and inhabit. The Chip Hilton books were extremely popular and have become a classic series, with over two million copies sold to date. *Hoop Crazy* is the fascinating story of Clair Bee and his star character Chip Hilton and the ways in which their lives, real and fictional, were intertwined.

Sugar Charles Rosen,2018-04 The 1980s were arguably the NBA's best decade, giving rise to Magic Johnson, Larry Bird, and Michael Jordan. They were among the game's greatest players who brought pro basketball out of its 1970s funk and made it faster, more fluid, and more exciting. Off the court the game was changing rapidly too, with the draft lottery, shoe commercials, and a style driven largely by excess. One player who personified the eighties excess is Micheal Ray Richardson. During his eight-year career in the NBA (1978-86), he was a four-time All-Star, twice named to the All-Defense team, and the first player to lead the league in both assists and steals. He was also a heavy cocaine user who went on days-long binges but continued to be signed by teams that hoped he'd get straight. Eventually he was the first and only player to be permanently disqualified from the NBA for repeat drug use. Tracking the rise, fall, and eventual redemption of Richardson throughout his playing days and subsequent coaching career, Charley Rosen describes the life-defining pitfalls Richardson and other players faced and considers key themes such as off-court and on-court racism, anti-Semitism, womanizing, allegations of point-shaving within the league, and drug and alcohol abuse by star players. By constructing his various lines of narration around the polarizing figure of Richardson--equal parts basketball savant, drug addict, and pariah--Rosen illuminates some of the more unseemly aspects of the NBA during this period, going behind the scenes to provide an account of what the league's darker side was like during its celebrated golden age.

I Should Be Dead By Now Dennis Rodman,Jack Isenhour,2013-02-19 Whether it was helping Michael Jordan and the Chicago Bulls win three consecutive NBA titles in the 1990s, or showing up to a book signing in a dress and full makeup, Dennis Rodman has always distinguished himself as one of the great and most polarizing personalities in the sports world. The controversial and flamboyant former basketball star is back in the national spotlight once again with *I Should Be Dead By Now*. This riveting book from the two-time best-selling author details Rodman's struggles in life since he stopped playing in the NBA, including the breakup of his marriage to movie and TV star Carmen Electra, and his problems with alcohol. *I Should Be Dead By Now* is a look at the life of one of America's most recognizable sports stars as he journeys beyond the court and into the Naismith Basketball Hall of Fame.

One Small Town, One Crazy Coach Mike Roos,2013-09-17 In the summer of 1962, the peripatetic and irrepressible Pete Gill was hired on a whim to coach basketball at tiny Ireland High School. There he would accomplish, against enormous odds, one of the

great small-town feats in Indiana basketball history. With no starters taller than 5'10, few wins were predicted for the Spuds. Yet, after inflicting brutal preseason conditioning, employing a variety of unconventional motivational tactics, and overcoming fierce opposition, Gill molded the Spuds into a winning team that brought home the town's first and only sectional and regional titles. Relying on narrative strategies of creative nonfiction rather than strict historical rendering, Mike Roos brings to life a colorful and varied cast of characters and provides a compelling account of their struggles, wide-ranging emotions, and triumphs throughout the season.

Three-Ring Circus Jeff Pearlman,2020 From 1996 through 2004, Kobe Bryant and Shaquille O'Neal combined-- and collided-- to help bring the Lakers three straight championships and restore the franchise as a powerhouse. From public sniping and sparring, to physical altercations and the repeated threats of trade, it was warfare. The eight years of infighting and hostility were by turns mediated and encouraged by coach Phil Jackson. Pearlman shows how the Shaq-Kobe duo resulted in one of the most enduring, and ever-evolving, teams in NBA history. -- adapted from jacket

Basketball Junkie Chris Herren,Bill Reynolds,2011-05-10 I was dead for thirty seconds. That's what the cop in Fall River told me. When the EMTs found me, there was a needle in my arm and a packet of heroin in the front seat. At basketball-crazy Durfee High School in Fall River, Massachusetts, junior guard Chris Herren carried his family's and the city's dreams on his skinny frame. His grandfather, father, and older brother had created their own sports legends in a declining city; he was the last, best hope for a career beyond the shuttered mills and factories. Herren was heavily recruited by major universities, chosen as a McDonald's All-American, featured in a Sports Illustrated cover story, and at just seventeen years old became the central figure in Fall River Dreams, an acclaimed book about the 1994 Durfee team's quest for the state championship. Leaving Fall River for college, Herren starred on Jerry Tarkanian's Fresno State Bulldogs team of talented misfits, which included future NBA players as well as future convicted felons. His gritty, tattooed, hip-hop persona drew the ire of rival fans and more national attention: Rolling Stone profiled him, 60 Minutes interviewed him, and the Denver Nuggets drafted him. When the Boston Celtics acquired his contract, he lived the dream of every Massachusetts kid—but off the court Herren was secretly crumbling, as his alcohol and drug use escalated and his life spiraled out of control. Twenty years later, Chris Herren was married to his high-school sweetheart, the father of three young children, and a heroin junkie. His basketball career was over, consumed by addictions; he had no job, no skills, and was a sadly familiar figure to those in Fall River who remembered him as a boy, now prowling the streets he once ruled, looking for a fix. One day, for a time he cannot remember, he would die. In his own words, Chris Herren tells how he nearly lost everything and everyone he loved, and how he found a way back to life. Powerful, honest, and dramatic, Basketball Junkie is a remarkable memoir, harrowing in its descent, and heartening in its return.

Why Indiana is the Center of the Basketball World Michael G. Ludlow,2014-01-23 Basketball is now the second most popular sport world-wide trailing only futbol (soccer) in the number of participants, fans, and leagues. Its popularity is due to the fact that the game of basketball requires the most number of physical skills making basketball players the most complete athletes. The speed, grace and teamwork required to play the game combined with the athleticism required makes it beautiful to watch and fun to play. The United States has always been and always will be the greatest basketball nation. Although the rest of the world has been catching up with us (note the increasing number of international players in the NBA from all parts of the world) we invented it (thank you Dr. Naismith); we perfected it (thank you Coach Wooden, Bill Russell, Larry, Magic, Michael, Lebron, etc.); and we still have the highest concentration of excellence at all levels - high school, college and professional. Indiana has long been known to be basketball crazy. The image of a basketball goal on every garage, barn or any other place you can put one (including the governor's residence) is based, as most legends are, on a ring of truth. Indiana has always been basketball crazy. Decades before "March Madness" became a national trademark, Hoosier Hysteria rippled through the entire state at tourney time. Other states can claim they are the "best" basketball state. Certainly North Carolina does and cases can be made for Kentucky, New York and California. This study provides overwhelming statistical evidence and so much anecdotal support that it is undeniable that Indiana IS the center of the basketball world.

Yeah, reviewing a ebook **Crazy Basketball** could go to your close associates listings. This is just one of the solutions for you to be successful. As understood, execution does not suggest that you have wonderful points.

Comprehending as capably as bargain even more than further will manage to pay for each success. next-door to, the broadcast as skillfully as sharpness of this Crazy Basketball can be taken as skillfully as picked to act.
