Crazy for Rivers Bill Barich, 2015-02-10 "That autumn, I went a little crazy for rivers." So writes Bill Barich, and this charming volume captures the essence of obsession. The hours he spent on various streams became a meditation on family, friends, and the natural world. To anyone who remembers the infinite patience of a grandfather on a lake, or the romance of a mountain getaway with a new girlfriend; to anyone who can recall each fish caught on days that were far too hot, or way too cold, or on rivers too crowded, or in canyons too steep; to anyone who has appreciated the trust of an age-old fishing partner, or marveled at the beauty of a leaping trout—to anyone, in fact, who has ever gone a little crazy for rivers, Bill Barich's wonderful memories of a season on the water and a lifetime of fishing will seem both touching and wise. This little book is a gem. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Crazy Fish Norma Fox Mazer, 2007 Eccentric Mrs. Fish, the school custodian, teaches Joyce, an 11-year-old misfit, to cherish what makes her unique. Fish, Ape, and Me, the Dump Queen.

Fishing for Laughs - A Great Catch of Funny Fishing Tales Various, 2012-11-01 It's a widely accepted fact that fishermen love to spin a yarn. Indeed, fishing and its lifestyle have spawned some of the greatest works of fiction in all of the Western literary canon. Here are collected thirteen humorous short stories, from the pen of authors such as Ernest Hemingway, Lord Edward Dunsany and Jerome K. Jerome.

The Mad Fisherman Charlie Moore, Charles Salzberg, 2009-05-26 Charlie Moore was married with two kids when his bait-and-tackle shop went under. A fisherman and an entrepreneur, Charlie set out to star in his own fishing show. Crazy, right? But the only thing the ones on TV had in common was that they were dull. People have called Charlie a lot of things, but never dull. Today, they call him the Mad Fisherman. The Mad Fisherman is the incredible story of how Charlie cold-called his way onto TV and made Charlie Moore Outdoors a hit all while working odd jobs to squeak by. This success gave birth to ESPN's Beat Charlie Moore, a groundbreaking show on which Charlie goes mano a mano with pro fishermen and celebrities. Guests have included quarterback Drew Bledsoe, former Massachusetts governor Mitt Romney, Ted Nugent, and many more. Famous on land, they're all regular guys with a fishing pole in their hands. With unflagging energy, a wild sense of humor, and a love of the outdoors, Charlie Moore reaches millions of people every week.

100 Weird Ways to Catch Fish John Waldman, 2004-10 Perfect gift book for anglers Entertaining to veterans and newcomers who fish saltwater and fresh Many who catch fish and fish in a variety of foreign and problematic habitats have developed a panoply of interesting, innovative, and oftentimes weird ways of outwitting them. These 90 essays mix fact, lore, and anecdotes in a

humorous compilation describing the great lengths to which fishermen are willing to go to extract these relatively dimwitted yet challenging creatures from lakes, rivers, and the sea. On the cover, a retired school bus driver in Washington rigged a giant slingshot to the side of an ancient Volkswagen Beetle. By rearing back about twenty feet on the rubber sling, he could fire his railroad spike sinker and bait well out into the Columbia River to catch sturgeon.

The Secret Lives of Fishermen Jim Dean, 2000 The Secret Lives of Fishermen is Jim Dean's second book of essays celebrating wild places, rural traditions, and the pleasures and often humorous frustrations of fishing, hunting, hiking, and camping?or, as Dean might put it, messing around outdo

Martha's Vineyard Fish Tales Nelson Sigelman, 2019-02-01 The focus is on Martha's Vineyard but the information, fishing tips, and stories about Island characters—Bob “Hawkeye” Jacobs jumping off Memorial Wharf to unsnag an albie he hooked—will sound familiar to anyone who has spent time in a community of fishermen. This informative and fun read answers the questions asked in local tackle shops, including the best spots to catch a striped bass on a fly rod—Lobsterville Beach—and rigging tackle for blues, fluke, black sea bass, false albacore, and bonito. Spin fishing, bottom fishing, and fly fishing are all covered. This book follows the island fishing seasons: rods appear on island trucks in April, a sign that schoolies have arrived, and they do not begin to disappear until the venerable Bass and Bluefish Derby, five weeks of single-minded pursuit of fish, ends in October. And there are tips on looking and talking the part . . . “handy phrases include any reference to a falling or rising tide and a rock, any rock, as long as you refer to it with a sense of authority so that the other person is unwilling to ask which rock for fear of seeming like a novice.” Martha's Vineyard Fish Tales is a “how to” book that flows with the character and personality of a fishing-obsessed island off the coast of Massachusetts.

Fishing's Best Excuses Joshua Shifrin, Matt Mitchell, 2024-04-02 Explain away your bad casts or your tiny catch—and have your friends laugh at the same time! With dozens of witty excuses, as well as crazy fishing facts and hilarious cartoons, you'll be able to laugh away your ineptitude. Whether it's due to the poor weather, bad bait, unacceptable equipment, or simply because the fishing gods were out to get you, there's always a viable, or not so viable, excuse to explain your failure. So the next time you come home with nothing but an empty cooler, there are countless reasons why your woeful performance couldn't possibly be your fault. So without further ado, we offer you, our friend, our colleague, our compatriot, a foolproof way to divert the blame, the embarrassment, the multitude of jokes at your expense. We give you, Fishing's Best Excuses.

North of Crazy Neltje, 2016-10-04 Imagine a world of Gatsby-esque glamor, opulence, and cultural prestige, of exclusive parties and elegant dinners, of literary luminaries including Somerset Maugham, Daphne du Maurier, Irving Stone, and Theodore Roethke, of Manhattan townhouses and country estates. This is a world where children are raised by nannies, tutors, chauffeurs, gardeners, butlers, maids, and assorted staff, sent off to private schools—and largely ignored by their parents. Publishing magnate Nelson Doubleday's daughter, Neltje, was raised to assume her place as a society

matron. But beneath a seemingly idyllic childhood, darker currents ran: a colorful but alcoholic father whose absences left holes, a mother incapable of love, a family divided by money and power struggles, and a secret that drove the young woman into emotional isolation. North of Crazy is her story—written with the same fierce passion, wit, and emotion that drove her off the conventional path to reconstruct her life from base zero. She became an artist, cattle rancher, and entrepreneur.

Keeping a written record of the trips will make the experience that much better. Fly Fishing Maine Bob Mallard, 2022-12-15 Maine has the most diverse fly fishing opportunities in New England and is a popular destination for anglers seeking trout, landlocked salmon, striped bass, and a host of other game fish. This guide to the state's best fly fishing covers rivers and streams, ponds and lakes, and salt water, also includes extensive information on backcountry ponds and other out-of-the-way places. In addition to the top fishing destinations, author Bob Mallard covers a lot of fascinating Maine angling history and includes chapters on the fish species and conservation. With contributions by a who's who list of Maine writers including Emily Bastian, William Clunie, Will Lund, Bill Sheldon, George Smith, Ted Williams, V. Paul Reynolds, and King Montgomery, this book is sure to be a valuable resource for resident and visitor alike.

Fishing Adventures in Florida Max Hunn, 2015-10-17 Is there a cure for snook fever? "I've landed plenty of snook with a light bait-casting outfit. Don't fish for snook any other way. You can cane pole 'em with heavy lines off piers and bridges, or troll for 'em. But I like to scrub the bushes and make 'em hit top-water plugs. This was how Cal Stone introduced the author to light tackle fishing many decades ago in the waters of south Florida. Steer through twisted mangrove channels, dodge "noggin-knockers and oyster bars on

outgoing tides, and join author Max Hunn as he brawls with tarpon and tangles with snook and redfish, mostly in the Ten Thousand Islands country.

The Fishing Hall of Shame Bruce Nash, Allan Zullo, 2009-10-21 An irreverent testament to the millions of anglers who ever hooked something they oughta notta, lost a really big one, or told a whopper Fishing is the No. 1 sport for fun—and spectacular snafus. Whether it's a pro like Ray Scott or a presidential angler like George Bush, the deck is stacked to make buffoons of the best. So cast off on an ocean of hooks, lines, and stinkers as fishing guides, charter boat captains, game wardens, and weekend fishermen spill the wacky truth about shamefully funny moments such as when: • Ray Cockrell landed a huge bluefish and ate it—only to find out later his catch would have been a world record. • Author Ernest Hemingway tried to shoot the shark he had just landed—but instead shot himself in the leg. • Pro angler Gary Klein put his boat on a high-speed plane through a patch of tall weeds—and wound up in a cow pasture. • A Colorado woman was nabbed by authorities after they discovered she had stuffed 17 illegally caught fresh trout in her underwear. • Jim Bitter landed a bass that would have won him \$50,000 in a tournament—until he accidentally dropped it over the side. The Worst Tournament Cheats! The Weirdest Casting Accidents! The Funniest Fish Stories! They're All Immortalized In The Fishing Hall of Shame

Forgotten Tales of Colorado Stephanie Waters, 2013-06-11 Wild characters, diverse cultures, spooky myths and slippery sales schemes color Colorado's past. In a place where shameless showdowns and dusty shootouts over money, drink and women were once standard procedure, storytelling around campfires became an integral part of a rich heritage. From the jackalope and vampires to Indian curses and snake oil salesmen, the Centennial State has it all. Weirder still are the strange but true stories like that of the first body buried in La Junta's Fairview Cemetery, a man who landed there for refusing alcohol to a kid, and that of the hotel in Telluride that once offered a promotion that included funeral costs with your stay. While history may have neglected these silly, seedy and salacious stories, author Stephanie Waters has rediscovered Colorado's best forgotten tales.

Modern Streamers for Trophy Trout II Kelly Galloup, 2019-07-15 A tactical guide to fly-fishing for trout with streamers, including tying instructions for 38 original patterns invented by the author.

Craziness and Carnival in Neo-Noir Chinese Cinema Harry H.

Kuoshu, 2021-04-20 Craziness and Carnival in Neo-Noir Chinese Cinema offers an in-depth discussion of the “stone phenomenon” in Chinese film production and cinematic discourses triggered by the extraordinary success of the 2006 low-budget film, *Crazy Stone*. Surveying the nuanced implications of the film noir genre, Harry Kuoshu argues that global neo noir maintains a mediascape of references, borrowings, and re-workings and explores various social and cultural issues that constitute this Chinese episode of neo noir. Combining literary explorations of carnival, postmodernism, and post-socialism, Kuoshu advocates for neo noir as a cultural phenomenon that connects filmmakers, film critics, and film audiences rather than an industrial genre.

The Secret Lives of Fishermen Jim Dean, 2016-08-15 The Secret Lives of Fishermen is Jim Dean's second book of essays celebrating wild places, rural traditions, and the pleasures and often humorous frustrations of fishing, hunting, hiking, and camping--or, as Dean might put it, messing around

outdoors. It combines essays originally published in his monthly Our Natural Heritage column in Wildlife in North Carolina with longer pieces that appeared in other magazines. These forty-six engaging essays are arranged in a loose chronicle of the sporting year, but they seldom follow predictable routes. From a whimsical story about discovering live wood ducks in a cabin stove to a poignant memoir of summers spent in a remote riverside shack, all of the pieces are bound by a conviction that our resources and time are limited and our finest memories are shared. The title notwithstanding, not all of the essays in *The Secret Lives of Fishermen* are about fishing, nor are readers likely to discover any shocking secrets--unless they are surprised to learn that fishermen and hunters have myriad interests and seldom measure success by the number of fish caught or game bagged.

Ridley Bluefox and the Flying Fish of Fortune Falls Carrie Percy, 2007 A determined fisherman leads readers on a thrilling adventure n vocabulary-building ifishnotesi are featured throughout the book.
