The Best Non-Violent Video Games James Batchelor,2023-10-30 What if there were video games that weren't about killing things? The world's biggest entertainment medium has come under decades of scrutiny because of its violent content. But here's a little known fact: from the very beginning, non-violent video games have done as much, if not more, to shape the industry than violent ones. *The Best Non-Violent Video Games* is the first ever guide to the full breath of interactive entertainment. Discover the true variety the medium has to offer and learn how developers constantly find new ways to engage people by challenging their minds, testing their reflexes, and even tugging at the heartstrings. Take a journey through more than three hundred video games, stretching back to the very dawn of the industry and extending right up to modern day indie hits. You'll learn more about the origins of some of gaming's biggest franchises, discover underrated gems from developers of all sizes, and perhaps even find some new favorites. Written by a journalist with over 15 years of industry experience and more than 30 years of gaming experience, this guide is for anyone seeking something truly different from the video games space without dealing with guns and gore, or those simply looking for a change of pace.

The Speed Abater Christophe Blain,2003 Follows the adventures of three sailors on an old French battleship as they descend into the depths of the boat to escape seasickness.

Grand Theft Nuclear!: (www.nuclear_warheads_4_sale@_mayak.rus) James Vincent Novak,2012-08-16 Nuclear warheads that a wheelin' & dealin' Russian General steals from a stockpile of 33,000 at the Mayak warhead reprocessing facility are sold for big bucks. North Korea buys two and the Arab League buys a monstrous Israel Annihilator. In the background, Afghanistan terrorist El H'mm'l prepares to hijack 200 plutonium dirty-bomb kits from Mayak for a hit on the American aircraft carrier. The Russian General and crafty CIA Director jointly scheme to hijack the Annihilator warhead via a rusty old North Korean minesweeper-American submarine combo. Neo Nazis move in to hijack the sub for a missile attack on Israel, unaware it has no missiles or torpedoes. When an Internet blogger exposes the three hijack plans and posts a cryptic address, www.Nuclear_Warheads_4_Sale@_Mayak.Rus, the Arab League realizes it's been snookered by the general. MOSSAD moves in to aid the American submarine and also help destroy Iran's Natanz nuclear weapons facility.

Guts and Glory Lawrence H. Suid,2015-01-13 *Guts and Glory: The Making of the American Military Image in Film* is the definitive study of the symbiotic relationship between the film industry and the United States armed services. Since the first edition was published nearly two decades ago, the nation has experienced several wars, both on the battlefield and in movie theatres and living rooms at home. Now, author Lawrence Suid has extensively revised and expanded his classic history of the mutual exploitation of the film industry and the military, exploring how Hollywood has reflected and effected changes in America's image of its armed services. He offers in-depth looks at such classic films as *Wings*, *Thirty Seconds Over Tokyo*, *The Longest Day*, *Patton*, *Top Gun*, *An Officer and a Gentleman*, and *Saving Private Ryan*, as well as the controversial war movies *The Green Berets*, *M*A*S*H*, *the Deer Hunter*, *Apocalypse Now*, *Platoon*, *Full Metal Jacket*, and *Born on the Fourth of July*.

The Kamikaze Campaign 1944-45 Mark Lardas,2022-05-26 An illustrated history of how Japan devised and launched a new kind of air campaign in late 1944 - the suicidal assaults of the kamikaze units against the approaching Allied fleets. As summer changed to autumn in 1944, Japan was losing the war. Still unwilling to surrender, Japan's last hope was to try to wear down US resolve enough to reach a negotiated settlement. Extraordinary measures seemed necessary, and the most extraordinary was the formation of Special Attack Units - known to the Allies as the kamikazes. The concept of organized suicide squadrons was first raised on June 15, 1944. By August, formations were being trained. These formations were first used in the October 1944 US invasion of the

Philippine Islands, where they offered some tactical success. The program was expanded into a major campaign over the rest of the Pacific War, seeing a crescendo during the struggle for Okinawa in April through May 1945. This highly illustrated history examines not just the horrific missions themselves, but the decisions behind the kamikaze campaign, how it developed, and how it became a key part of Japanese strategy. Although the attacks started on an almost ad hoc basis, the kamikaze soon became a major Japanese policy. By the end of the war, Japan was manufacturing aircraft specifically for kamikaze missions, including a rocket-powered manned missile. A plan for a massive use of kamikazes to defend the Japanese Home Islands from invasion was developed, but never executed because of Japan's surrender in August 1945. Packed with diagrams, maps and 3D reconstructions of the attacks, this book also assesses the Allied mitigation techniques and strategies and the reasons and the degree to which they were successful.

CLEP Humanities w/ Online Practice Exams Robert Liftig, Marguerite Barrett, 2012-02-15
Earn College Credit with REA's Test Prep for CLEP® Humanities Everything you need to pass the exam and get the college credit you deserve. CLEP® is the most popular credit-by-examination program in the country, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass the CLEP® exam and earn college credit while reducing their tuition costs. Our CLEP® test preps are perfect for adults returning to college (or attending for the first time), military service members, high-school graduates looking to earn college credit, or home-schooled students with knowledge that can translate into college credit. There are many different ways to prepare for the CLEP® exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. Our test prep for CLEP® Humanities and the free online tools that come with it, will allow you to create a personalized CLEP® study plan that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. Here's how it works: Diagnostic exam at the REA Study Center focuses your study Our online diagnostic exam pinpoints your strengths and shows you exactly where you need to focus your study. Armed with this information, you can personalize your prep and review where you need it the most. Most complete subject review for CLEP® Humanities Our targeted review covers all the material you'll be expected to know for the exam and includes a glossary of must-know terms. Two full-length practice exams The online REA Study Center gives you two full-length practice tests and the most powerful scoring analysis and diagnostic tools available today. Instant score reports help you zero in on the CLEP® Humanities topics that give you trouble now and show you how to arrive at the correct answer-so you'll be prepared on test day.

CLEP Humanities Jane Adas, Robert Liftig, Marguerite Barrett, Joshua Peters, Patricia Van Arnum, Pauline Beard, 2005-11 A test preparation guide for the Humanities.

CLEP® General Exams Book + Online, 9th Ed. Stu Schwartz, Laurie Callihan, Scott Dittloff, 2018-01-30 CLEP® General Exams Book + Online Practice Tests Helps Students Get the College Credits They Deserve! 9th Edition In 2017, CLEP® marks 50 years as the most widely trusted credit-by-exam program in the U.S. CLEP® exams help students fast-track their college degree, saving them time and possibly thousands in tuition costs. Perfect for adults returning to college, military service members, high school, or home-schooled students, REA's CLEP® test preps provide students with the tools they need to pass their CLEP® exams and get the college credits they deserve. REA's new 9th edition of the CLEP® General Exams bundles complete test prep for the four CLEP® general exams (College Mathematics, Humanities, Natural Sciences, Social Sciences & History) that satisfy typical first-year general education requirements. These are the courses for which most community and military-friendly colleges will award CLEP® credit. Young Lions Leah Garrett,2015-09-30 Finalist, 2015 National Jewish Book Awards in the American Jewish Studies category Winner, 2017 AJS Jordan Schnitzer Book Award in the category of Modern Jewish History and Culture: Africa, Americas, Asia, and Oceania *Young Lions: How Jewish Authors Reinvented the American War Novel* shows how Jews, traditionally castigated as weak and cowardly, for the first time became the popular literary representatives of what it meant to be a soldier and what it meant to be an American. Revisiting best-selling works ranging from Norman Mailer's *The Naked and the Dead* to Joseph Heller's *Catch-22*, and uncovering a range of unknown archival material, Leah Garrett shows how Jewish writers used the theme of World War II to reshape the American public's ideas about war, the Holocaust, and the role of Jews in postwar life. In contrast to most previous war fiction these new "Jewish" war novels were often ironic, funny, and irreverent and sought to teach the reading public broader lessons about liberalism, masculinity, and pluralism.

Whistles from the Graveyard Miles Lagoze,2023-11-07 "The most bracingly honest, refreshing account of the Afghan war" (Sebastian Junger, New York Times bestselling author) from a Marine Corps Combat Cameraman and director of the acclaimed documentary *Combat Obscura*. At just eighteen years old, Miles Lagoze joined the Marine Corps a decade after the war began and found himself surrounded by people not unlike those he'd left behind at home—aimless youth searching for stability, community, and economic security. Deployed to Afghanistan as a Combat Cameraman—an active-duty videographer and photographer—Lagoze produced slick images of glory and heroism for public consumption. But his government-approved footage concealed a grim reality. Here, Lagoze pulls back the curtain and illustrates the grisly truth of the longest war in American history. As these young men and women were deployed to an unfamiliar country half a world away—history's "graveyard of empires"—they carried the scars of the fractured homeland that sent them. Lagoze shows us Marines straddling the edge of chaos. We see forces desensitized to gore and suffering by the darkest reaches of the internet, unsure of their places in an unraveling world and set further adrift by the uncertain mission to which they had been assigned abroad. *Whistles from the Graveyard* shows the parts of the Afghanistan War we were never meant to see—Afghan locals and American infantry drawn together by their fears of the ghostly, ever-present terror of the Taliban; moments of dark resignation as the devastating toll of years in war's crossfire reveals itself between bouts of adrenaline-laced violence; and nights of reckless, drug-fueled abandon to dull the pain. In full, vivid color, Miles Lagoze shows us an oft-overlooked generation of young Americans we cast out into the desert, steeped in nihilism, and shipped back home with firsthand training in extremism, misanthropy, and insurrection.

The Dirty Boots John F. Holm,2012-08-14 It is 1966, when a nineteen-year-old boy from Three Rivers, Michigan, follows family tradition by enlisting in the United States Navy. A plan which he thinks will guarantee an uneventful tour of duty aboard a US naval ship goes awry when he is deposited in the middle of a war zone in South Vietnam. For the next gruelling year, he performs the duties of a fleet marine force medic, caring for wounded and dying American marines. Dubbed Doc John by his comrades, he soon becomes entrenched in a strange, dangerous world, where he becomes both witness and reluctant warrior. Whether he is patching up wounded comrades or placing Band-Aids on scrapes of native children, young Doc John somehow manages to do an impossible job, even as the world is falling down around him. He not only learns the sad lessons of war, but survives them and finds himself in the process. These are the experiences of a different kind of soldier, who manages to traverse a minefield of emotional upheaval and can still tell his stories with honesty and self-deprecating humor, exemplifying the resiliency of the human spirit.

War in the Aegean Peter C. Smith,2008-07-07 First complete retelling of an important but little-known campaign. Eyewitness accounts from a colorful cast of German SS troops, British

commandos, partisans, spies, Greek pirates, and more.
